Outstanding instruction. It's reassuring to have an experienced
instructor explaining concepts in a concise and clear manner.
I highly recommend this workshop to anyone in my hand.

-Anne H. Klosterman

Learn from NAFA professionals in historic Richmond, VA.

NAFA's Ultrasound Workshop

This one day workshop is dedicated to ultrasound guided vascular access and is located at Virginia Commonwealth University's College of Health Professions in Richmond, VA. The workshop allows ample time to discover the many monuments, museums, cobblestone streets and restaurants offering some of the best fine dining in the capitol city. Visit the location where Patrick Henry declared "Give me liberty or give me death", or The Edgar Allen Poe Museum. Create family memories with a trip to one of the nearby amusements parks of Kings Dominion or Busch Gardens. Centrally located, Richmond is not far from some of the best attractions in the country.

- **Continuing education credits:** 8 Class A (*pending approval*)
- **Registration fee:**
 - \$499 through March 3, 2021
 - \$525 after March 3, 2021
- **Workshop capacity:** 40

Workshop Location Overview

Discover history, adventure and an easily accessible location in the historic Richmond region. Here, more than 400 years of American history live on through magnificent architecture, monument-lined cobblestone streets, and world-class museums – for an experience that's anything but textbook. But the area makes history in other ways, too. Brave the gorgeous yet intense James River, which distinguishes the Richmond region as the only urban setting with Class IV rapids. It's just one form of outdoor recreation for thrill seekers. See how the Virginia Museum of Fine Arts is expanding its world-class offerings. And with more than 900 restaurants and diverse shopping, the Region is ideal for weekend getaways and
