

19th Annual

Society for Airway Management
Scientific Meeting and Workshop

SEPTEMBER 15 – 18, 2016

JW Marriott Buckhead
3300 Lenox Road, NE
Atlanta, GA 30326

Joint Providership by
Society for Airway Management &
University of Massachusetts Medical School

COURSE DESCRIPTION: The Society for Airway Management (SAM) is a multidisciplinary group of health care providers from Anesthesiology, Emergency Medicine, Otolaryngology, Critical Care, and Pulmonology as well as CRNAs, paramedics and nurses. **The 19th SAM Annual Scientific Meeting and Workshop** features international experts in the various fields of medicine dealing with airway management. A variety of clinical settings will be highlighted. This course will consist of plenary presentations, small group round table discussions, a Hands-On Workshop including a Patient Simulator session, and Professor Poster Rounds. Audience engagement will be encouraged with question periods. There are Scientific Abstract Exhibit sessions, oral presentations of selected abstracts and opportunities to interact with product developers, manufacturers and distributors.

The theme of this year's meeting is Innovation and Safety in Airway Management at Crossroads.

COURSE OBJECTIVES: At the conclusion of the conference, the participant will be able to:

1. Describe advances in airway databases and registries.
2. Describe advances with regards to airway management of the obese patient.
3. Discuss new challenges with regards to airway management outside the operating room.
4. Discuss newer challenges and current options regarding preoperative airway evaluation.
5. Describe advances in the management of physiologically challenged patients.
6. Describe strengths and weaknesses of different approaches to airway management.
7. Describe current airway updates from the ASA Closed Claims Analysis.
8. Describe steps for management of the patient with a bleeding airway.

TARGET AUDIENCE: Anesthesiologists, emergency medicine physicians, otolaryngologists, intensivists, trauma surgeons, paramedics, certified nurse anesthetists, flight nurses and all other allied health professionals assisting with airway management should attend.

CALL FOR ABSTRACTS: Be a part of one of the most rewarding sections of the annual meeting. Plan to submit your abstract for consideration for poster presentation. In addition, a select group of abstracts will be nominated for oral presentation during the meeting. The top three abstracts will be awarded a SAM ribbon in recognition for their outstanding contribution to the meeting and the advancement of airway management. Final submission date is July 1st, submission at (samabstracts@gmail.com)

TRAINEE TRAVEL AWARDS: We particularly encourage trainees to submit their scientific work. A select number of resident abstracts will be awarded a cash stipend of \$500 to defray travel costs. Trainee award winners will also receive free meeting registration. The trainee must be the first author and presenting author of the accepted abstract. A letter from the Program Director confirming the resident is in good standing in their training program must accompany their submission.

SUBMISSION DETAILS:

1. 250 words maximum excluding title, authors. Limit of one figure and one table.
2. Word document format, file sent via e-mail (Times New Roman, size 12 preferred)
3. Presenting author's name in bold, name of institution, conflicts of interest should be disclosed, financial support should be acknowledged.
4. Deadline is July 1, 2016
5. Presenter will be notified via email
6. Please Submit abstract to samabstracts@ gmail.com
For more details please visit the following

Confirmation of receipt will be sent within 7 days.

ACCREDITATION STATEMENT: This activity has been planned and implemented in accordance with the essential areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the University of Massachusetts Medical School and the Society for Airway Management. The University of Massachusetts Medical School is accredited by the ACCME to provide continuing medical education for physicians.

DESIGNATION STATEMENT: The University of Massachusetts Medical School designates this live activity for a maximum of 17 AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

NURSING ACCREDITATION: This offering meets the requirements for up to 20.4 contact hours, as specified by the Massachusetts Board of Registration in Nursing (244-CMR 5.04).

POLICY ON FACULTY AND PROVIDER DISCLOSURE:

It is the policy of the University of Massachusetts Medical School to ensure fair balance, independence, objectivity and scientific rigor in all activities. All faculty participating in CME activities sponsored by the University of Massachusetts Medical School are required to present evidence-based data, identify and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.

CANCELLATION POLICY: If you cancel your registration before August 15, 2016 your fee is refundable less a \$50 processing charge. After that date, no refunds will be given for any reason – including weather and other emergencies. Substitutions are always acceptable with prior notification.

DEADLINE: Pre-registration will be closed when space is full or on September 1, 2016 at the latest. Registration should not be mailed unless receipt before that time is guaranteed. On-site registration will not be accepted when space is full, so register early. Please note that on-site registration will be assessed an additional \$50 to the published registration fee. Please call the UMass Office of Continuing Medical Education at 508-

856-1671 to verify availability of space prior to arriving on-site to register.

WEATHER EMERGENCY POLICY: While the probability of delay or cancellation of the conference is highly unlikely, we recognize that we are subject to the vagaries of weather. If a weather emergency does occur, and you are in doubt as to whether or not the course will be held, call 508-856-1671 after 6:00 pm on September 14, 2016.

ADDITIONAL INFORMATION: The Office of Continuing Medical Education reserves the right to cancel a program at any time caused by circumstances not under its control. Persons registered in a canceled program will be notified by email, using the email address provided during registration. Registration fees will be refunded for those programs canceled by the Office of Continuing Medical Education. There may be changes in program content caused by circumstances beyond the control of the Society for Airway Management and the Office of Continuing Medical Education.

PLEASE NOTE: The Office of Continuing Medical Education is not responsible for any transportation or accommodation reservations. In compliance with the Americans with Disabilities Act, if you have any special needs, please contact the Office of Continuing Medical Education by August 31, 2016.

MESSAGE FROM THE 2016 SAM MEETING AND WORKSHOP CHAIR & CO-CHAIR

Following a meeting like WAMM 2015 in Dublin, Ireland is a very tough act, but we accepted the challenge. The last SAM meeting was held in 2014 in Seattle and it was a huge success. We have been busy putting together the program for SAM 2016, and it has been a tremendous experience. We set out to organize a program that would have representatives from many specialties, disciplines and different parts of the world and we could not be more satisfied. Attendees are in for a treat, enjoying a state of the art conference that will cover many facets of airway management.

This year SAM will be hosting the meeting in “the capital of the south” Atlanta, Georgia. We know traveling will not be a major factor since its international airport is one of the busiest in the world, with an estimated annual passenger movement of 100 million people.

We would like to express the tremendous gratitude towards speakers and moderators that have accepted to be part of the meeting. We would also like to specially thank Carin Hagberg, Lorraine Foley, Lauren Berkow, Ashutosh Wali, the BOD members and of course Anne Marie Prince and Lynn Hancock, without whom this would have been impossible to do. Please let us know how we can make your visit to Atlanta enjoyable and we look forward to making this year’s SAM meeting memorable.

Sincerely,

Felipe Urdaneta

Robert (Bob) Naruse

AGENDA

6:00-8:00pm

Faculty: William Rosenblatt, M.D.

Pre Course limited to 50 participants registered for the full meeting and workshop

Airway on Demand (AOD) is an A-to-Z update of the current trends in clinical airway management designed for the practicing anesthesiologist. The course will cover topics such as the new ASA difficult airway guidelines, advanced airway evaluation, pediatric airway management, awake intubation, new video laryngoscopes, the role of new supraglottic airways in difficult airway management, invasive airway access and difficult extubation. AOD is being offered to the clinician who wants a solid review of the current devices and techniques, before attending SAM, where more advanced ideas are shared.

Educational Objectives:

Participants who attend this course will be able to:

1. Develop an appropriate airway management plan based on the findings of a focused medical history and airway physical exam, and apply these plans to patient care.
 2. Apply principles of advanced airway evaluation to the synthesis of an appropriate airway plan.
 3. Assess their plan of airway rescue and routine tracheal intubation with the incorporation of modern supraglottic airways.
 4. Apply patient preparation techniques in the performance of awake tracheal intubation.
 5. Apply techniques of minimally invasive airway rescue.
 6. Evaluate the potential for failed tracheal extubation and develop a plan for emergency reintubation.
- *All participants must register for the SAM conference prior to course acceptance.*

Registration Fee: SAM meeting attendees \$100; Trainees \$25 (*with confirmation letter from their program director*). Trainees will need to provide a letter from their program to receive a special discount.

Space is limited, thus course participation will be first come, first serve.

This activity has been planned and implemented in accordance with the essential areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the University of Massachusetts Medical School and the Society for Airway Management. The University of Massachusetts Medical School is accredited by the ACCME to provide continuing medical education for physicians.

The University of Massachusetts Medical School designates this live activity for a maximum of *2 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.
