Loews Santa Monica Beach Hotel Santa Monica is a world class vacation destination as well as a trend setter and quintessentially Southern Californian city and Loews Santa Monica sits right in the heart of it all. Rodrigo Vargas Design pays homage to the glittering coastline beyond while keeping the interiors fresh and timeless. The design for the rooms was inspired by the colors of the Pacific Ocean as well as the playfulness of lively Santa Monica. Contemporary lines blend seamlessly with finishes and patterns that evoke the sea, sand, and driftwood.

Newly renovated standard rooms are approximately 330 square feet and feature a spacious marble bathroom, in-room safe and coffee, and free Wi-Fi. Pacific Select Rooms are approximately 330 square feet and feature the amenities above plus the hotel's choice of north or south-facing views with glimpses of the Pacific or the vibrant pool. Premium Ocean View rooms are approximately 375 square feet and located on 6th, 7th, or 8th floor to deliver the best West-facing views of the Pacific Ocean. All rooms are non-smoking.

HOTEL RATES: A portion of the room rate is used to partially offset the cost of refreshments served during the meeting for participants only. Room rates do not include 14.15% tax, plus non-taxable city assessment fee of \$4.75, per room, per night.

Standard Room: \$289

Pacific Select Room: \$339

Premium Ocean View Room: \$389

- Rates based on single/double occupancy. \$30 each additional adult. Max occupancy 3 people in 1 king bed rooms, 4 people in 2 double bed rooms.
- Rollaway beds only allowed in King rooms, \$25, per night (on availability).
- Room rate includes guestroom wi-fi for 3 devices and fitness center access.

DEPOSIT REQUIRED: First night deposit plus tax within 10 days of booking to hold your room. Rate and availability not guaranteed until deposit received.

CANCELLATIONS: Cancellations of room reservations accepted without penalty until 5 days prior to arrival. Cancellation inside 5 days will forfeit one night plus tax deposit. Early departure fees apply for check-out prior to confirmed date.

COURSE DIRECTOR: Mark T. Murphy, MD, MSN Education, Austin, Texas, and Medical Director, Northwest Anesthesia Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, CRNAs, physician assistants, registered nurses, and other medical care providers who must maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it.

PROGRAM PURPOSE: The practitioner of anesthesiology must possess the scientific background for clinical practice; maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures necessary for the provision of quality patient care; manage self and colleagues to function toward common goals in the clinical setting, the clinical and educational institutions, and the community in which the practice resides; serve as an expert in matters involving health care delivery; serve as an informed manager of clinical and educational services provided, including the acquisition and distribution of resources necessary in meeting professional goals; and provide assistance with and support of other service providers, departments, institutions, and organizations dependent upon the professional expertise of the practitioner. Presentations are designed to facilitate the physician, nurse specialist, and other providers maintaining skills of the same kind to review and update knowledge and abilities in one or more of these areas vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences—to include but not be limited to advanced anatomy and physiology, pathophysiology, chemistry, physics, psychology, and social sciences—as they impact and are affected by the planning, delivery, and monitoring of anesthesia and related services inherent in the anesthesia professions.

Explain the selection, dosing considerations with methods of administration, safe use, and contraindications and precautions of presented pharmacological agents through the understanding of their physicochemical properties, pharmacokinetics and pharmacodynamics, updated uses, and more recently developed additional, related, and similar drugs.

Outline comprehensive management plans for the group of patients discussed, whether related in age, physical status, cultural background, invasive procedure, anesthetic or analgesic requirements, clinical setting, adverse reactions, and/or goals of care.

Apply the principles of safety and asepsis in the performance of anesthetic procedures and administrations, equipment use, and other applications encountered during the provision of anesthesia and analgesia whether in the surgical unit, the labor and delivery suite, the pain management clinic, or other more remote location of anesthetizing services.

Incorporate the appropriate recommendations and/or requirements of pertinent external organizations, institutions, and professional groups—recognized as serving as the authority for and/or holding the responsibility to compile and approve such tenets—in the provision of anesthesia and related services, whether medical, legal, philosophical, ethical, or health care management standards.

Apply the new techniques in the clinical setting of the participant.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas and Northwest Anesthesia Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas, designates this live activity for a maximum of 20 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Anesthesiologist Assistants: The National Commission for Certification of Anesthesiologist Assistants (NCCAA) will accept CME credit for programs approved for continuing medical education by the AMA, AAPA, and ACCME.

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: See our website www.nwas.com for CEC approval information.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NWAS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), and the Georgia Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

“The Pier is a must-visit Santa Monica attraction that really sets Santa Monica apart.”

Santa Monica is the perfect beach town, managing the ideal balance of seaside charm and coastal sophistication. At just 8.3 square miles, you'll find Santa Monica to be very walkable and laid-back. Fill your days with museum-hopping and shopping, or relax on the beach and watch the world go by. Sand and ocean are clean and beautiful here, making for some grade-A beachcombing, swimming, and surfing.

Bike down the 26-mile bike path, the Marvin Braude Bike Trail (also known as The Strand), with the wind at your back and the crash of the waves in your ears, indulge in some seaside chess, try your hand at a game of beach volleyball, or stop to enjoy the outdoor activities offered at the Annenberg Community Beach House. After a day out, stick around for the finest Santa Monica attraction of all—a fiery beachside sunset.

When one thinks of Santa Monica, the attraction of the Pier inevitably comes to mind. Pacific Park, a full service amusement park, combines with plenty of restaurants, bars, and souvenir shops, as well as an entertaining arcade with more than 200 games. By day, marvel at the historic Looft Hippodrome Carousel, check out the street performers, or snag a stick of puffy cotton candy. Stick around past sunset and you might just catch live local music. The Pier is a must-visit Santa Monica attraction that really sets Santa Monica apart as an ideal destination for families and visitors of any age.

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate. To make reservations, please visit our website: www.nwas.com or call (800) 222-6927.

Call Universal Travel for your airfare needs. Be sure to mention Northwest Anesthesia Seminars when booking. Booking fee applies. Contact Kellee Kilmer: Phone: (858) 456-7887 or E-mail: kellee@universaltravel1.com

Northwest Anesthesia Seminars

Continuing Education for the Anesthesia Professional

Relevant Topics in Anesthesia

Santa Monica, California

December 12–15, 2016

FACULTY

Narjeet (Sunny) Khurmi, MD

Senior Associate Consultant
Department of Anesthesiology
Medical Director: Ambulatory Anesthesia
Department of Anesthesiology
Mayo Clinic
Phoenix, Arizona

Mathew Reed Malkin, MD

Assistant Professor
Department of Anesthesiology
Loma Linda University Medical Center
Loma Linda, California

Charise Petrovitch, MD

Professor of Anesthesiology
George Washington University
Washington, District of Columbia

Marissa Gómez Vadi, MD, MPH

Assistant Professor of Anesthesiology
Assistant Director of Non Operating Room Anesthesia
Department of Anesthesiology
Loma Linda University Medical Center
Loma Linda University School of Medicine
Loma Linda, California

Course Registration

12DEC16 – 16DSM

TUITION: In USD	MD/DO	CRNA/PA	RN/Others
Early <i>(Paid by 9/13/16)</i>	\$900	\$850	\$750
Regular <i>(Paid after 9/13/16)</i>	\$950	\$900	\$800
Daily: 1 st Day Attending	\$315	\$295	\$225
Additional Day(s)	\$220	\$210	\$200

PAYMENT METHODS:

Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NWAS.

SCHEDULE AND FACULTY CHANGES:

Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER:

We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWAS and NWWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. **We highly recommend purchase of travel insurance. Travel at your own risk.**

COURSE CANCELLATION FEE:

\$100 October 13, 2016 to November 12, 2016. No refund after November 12, 2016; however, 50% of tuition paid may be applied toward tuition for another NWAS program within the next 12 months. **Cancellation must be made in writing.**

FAP (FREQUENT ATTENDEE POINTS):

FAP lets you accumulate points based on dollars spent with NWAS including net hotel and tuition booked through NWAS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWAS.

ERRONEOUS PRICING NOTICE:

Northwest Anesthesia Seminars, Northwest Seminars, and Northwest World Wide Travel reserves the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.
