Controversies in Endometriosis, Adenomyosis and Fibroids

You Don't Want to Miss This Activity

Discover the latest advances in the diagnosis and management of endometriosis, adenomyosis and fibroids. Learn from leading experts as they discuss the controversies in a highly interactive program with case presentations, surgical videos and panel discussions.

Improve Your Knowledge To:

- Critically review the imaging and therapeutic options for the diagnosis and treatment of adenomyosis
- Describe options for preserving ovarian function when treating endometriosis
- Describe principles associated with different surgical approaches to myomectomy, hysterectomy, adenomyomectomy, ovarian endometriosis, and bowel endometriosis
- Detail current evidence on the effect of fibroids on pain, bleeding, and infertility and describe the medical treatment options for these conditions
- Discuss the current state of tissue morcellation for fibroids
- Provide an overview of the efficacy and adverse event profiles for surgical options to treat endometriosis, fibroids, and adenomyosis
- Recognize the signs and symptoms of pelvic pain that may indicate a diagnosis of endometriosis
- Summarize the key patient factors to review when considering complex pelvic surgery

Who Should Attend?

This activity is directed to physicians, residents, fellows, nurse practitioners, physician assistants, and other clinicians in the field of women's health and surgery.

Activity Directors

Rosanne Kho, MD, FACOG, FACS
Director, Benign
Gynecologic Surgery
Department of Obstetrics
and Gynecology

Cleveland, OH

M. Jean Uy-Kroh, MD, FACOG
Assistant Professor of Surgery
Women's Health Institute and
Surgical Subspecialty Institute
Cleveland Clinic Abu Dhabi
Abu Dhabi, United Arab Emirates

Guest Faculty

Mauricio Abrao, MD
Associate Professor, Obstetrics
and Gynecology
University of São Paulo Medical School
Director, Endometriosis Division
Department of Obstetrics
and Gynecology
University of São Paulo
São Paulo, Brazil

Cleveland Clinic Faculty

Marjan Attaran, MD
Section Head, Pediatric and
Adolescent Gynecology

Linda Bradley, MD, FACOG
Professor of Surgery
Cleveland Clinic Lerner College
of Medicine of Case Western
Reserve University
Vice Chairman, Obstetrics,
Gynecology and Women's
Health Institute
Director, Center for Menstrual
Disorders, Fibroids and
Hysteroscopic Services

Robert DeBernardo, MD
Associate Professor of Surgery
Cleveland Clinic Lerner College
of Medicine of Case Western
Reserve University
Section of Gynecologic Oncology
Director of Minimally Invasive
Surgery

**Tommaso Falcone, MD,
FRCS(C), FACOG**
Professor of Surgery
Cleveland Clinic Lerner College
of Medicine of Case Western
Reserve University
Section of Reproductive
Endocrinology and Infertility
Chairman
Obstetrics, Gynecology and
Women's Health Institute

Myra Feldman, MD
Assistant Professor of Radiology
Cleveland Clinic Lerner College
of Medicine of Case Western
Reserve University
Diagnostic Radiology Department
Imaging Institute

Rebecca Flyckt, MD, FACOG
Assistant Professor of Surgery
Cleveland Clinic Lerner College
of Medicine of Case Western
Reserve University
Section of Reproductive
Endocrinology and Infertility
Director, Fertility Preservation
Program

Jeffrey Goldberg, MD, FACOG
Professor of Surgery
