Invitation Message

Dear Colleagues,

On behalf of the Organizing Committee, we are honored and pleased to invite you to the 30th International Nursing Conference held at the College of Nursing, Keimyung University, Daegu, Republic of Korea, December 7(Thu), 2023.

We deeply realized the importance and nature of nursing care for human health during COVID-19. It is time for nursing to build as a central pillar of science to address the unpredictable health problems of humankind. With the theme “**Move Together: Transcending Boundaries for Sustainable Collaboration and Challenges in Nursing**”, we invite distinguished speakers worldwide to explore various nursing roles in shaping and influencing future directions after COVID-19 and seek ways to collaborate internationally. Our conference is a hybrid online and offline, and you can enjoy high-quality conferences from around the world.

Thank you, and I look forward to sharing a memorable and productive conference with all of you.

Sanghee Kim, RN, PhD

Director, Research Institute of Nursing Science, Keimyung University
