9:00 a.m. - 10:00 a.m.	Workshops <i>(CME available)</i>	
	I Used To Have A Handle On Life But It Broke! <i>Mary LoVerde</i>	Crestone II
	CPMG Section: “Yeah But...” Organizational Challenges in Physician Wellness <i>Cyrus Mirshab, MD</i>	Crestone III
	• Talk the Talk: Language, metrics, and return on investment that make business and operational sense for physician wellness. • Challenges in Culture Change: How do we get people on board with physician wellness in a changing landscape. • Piloting Programs: Taking small steps towards a bigger end goal.	
	Dangerous Patient Encounters <i>Michael Victoroff, MD</i>	Torreys I
	• Categorize violent encounters that health care providers and facilities should prepare for (e.g., patient, non-patient, unarmed, edged weapon, firearm, active shooter, suicide). • Identify vulnerabilities and assets that factor into the response to a dangerous encounter in health care settings (e.g., physical security, communications, training, rehearsal). • Review current concepts and guidelines for survival in active shooter and other violent scenarios.	
	Avoiding the Pitfalls of Opioid Prescribing <i>Abigail Anderson, MD</i>	Torreys II
	• Common pitfalls of opioid prescribing that can lead to poor patient outcomes and/or sanction by a privileging or licensing body. • Current guidelines and best practices, such as the Colorado Quad-Regulator Joint Policy for Prescribing and Dispensing Opioids, and the new CDC Guideline for Prescribing Opioids for Chronic Pain, and how to apply these in your own practice. • Tools – including prescription drug monitoring programs – that are appropriate for monitoring patients on opioids and other controlled substances, and how to use them.	
	Mergers: Consolidation in Health Care: Reversing the Benefits of Competition <i>Henry Allen, JD, and Diana Moss, PhD</i>	Torreys III
	• Understanding the importance of competition in the health care supply chain • When does health care consolidation harm consumers, medical professionals, and innovation? • Why are large health insurance mergers likely to trigger additional consolidation?	
10:00 a.m.-10:45 a.m.	Exhibitor Break	Shavano Foyer
11:00 a.m.-12:00 p.m.	MACRA: The New Physician Payment Program; Tools and Resources To Support the Transition <i>Mark Levine, MD, and Carol Vargo</i> <i>(CME available)</i>	Crestone I
	• Be able to answer the question, “What is the Medicare Quality Payment Program/ MACRA?” • Explain the difference between MIPS, an alternative payment model and an advanced alternative payment model • Describe clinical practice improvement activities and available resources for your practice
