Message from Organizing Chairman

Dear Friends,

Accept greetings from Team Indore, IOACON 2017 of the 62nd Annual Convention of Indian Orthopaedic Association to be held in Indore, the industrial capital of Madhya Pradesh (Central India), which is also called the heart of India.

We are indeed very happy to extend our very warm and cordial invitation to all of you to this beautiful city, which is surrounded by many religious places & tourist spots. Visit to such places will be your life time experience. Indore has been the seat of Holkars during the rule of Peshwas and later under the rule of Britishers.

The virgin Narmada & Shipra rivers are in closed vicinity. There are two very important Jyotirlings, Mahakaleshwar (Ujjain, free trio to pre-registered members) & Omkareshwar. The visit to these places is a must for Hindus at least once in their lifetime. We are sure that none of you would like to miss this opportunity.

Many good tourist spot like Mandu (related to very famous Rani Rupmati & Baaz Bahadur love story), Maheshwar (the bank of Narmada River) and Hanuwantiya water resort, largest in Asia will be the added attraction for you. You can also plan a visit to world famous Khajuraho Temples, which is unique in the world. Besides this, there so many other attractions. The tourism department of Madhya Pradesh government will be there to take care of your comfort.

Brigade of young and dynamic Orthopaedic Surgeons are leaving no stone unturned in preparing the scientific program & other educational activities. Be assured of spectacular inauguration, a different type of entertainment programme. The famous cuisine of Malwa region is waiting for you. The climate is very pleasant in the month of December. The hospitality of this region is well known and the Indorian believe in the spirit in "Athithi Devo Bhava".

We once again welcome you. Come one & come all, don't leave your spouse & children behind. You will regret.

With warm regards,

Dr. D. K. Taneja

The Vibrant and Enthusiastic team of Orthopaedic surgeons from Indore and the rest of Madhya Pradesh along with the IOA Central committee are making all out herculean effort in organizing this year's mega annual event. Presidents of many global organizations have promised to come along with speakers from their country. This will definitely add an international flavor to our annual conference.

The CME is being arranged by NEROSA on Deformities. They have diligently invited eminent faculties and mentors. There is also the newly formed ICL to look forward too. It will be the first IOACON where we will be endorsing the “Guest Nation Concept”. This year unanimous choice has been Malaysia which their President has graciously accepted. We all are looking forward to a session of Malaysians Scientific Feast.

Of course the Gala, the accompanying persons programs will be refreshingly different. A musical extravaganza, sports meet, interactive children activities is something the core committee is going to surprise you with. Indore is at its climatic best during the last week of December. Madhya Pradesh is a tourist delight. There are historic places, temples for the religiously inclined and wildlife reserves for the adventures, not to miss superb tasty street food for the foodie.
