CONFERENCE OVERVIEW

This conference will present the opportunity to explore clinical challenges in reflux disease in a day filled with didactics, interactive cases, and panel discussions with a multidisciplinary faculty of gastroenterologists, surgeons, and internists.

CONTINUING MEDICAL EDUCATION

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health, designates this live activity for a maximum of 4.5 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For more information please visit our website at www.EsophagealDiseasesTx.com

CONFERENCE OBJECTIVES

- Identify the risks and benefits of proton pump inhibitor therapy and how to step up or step down to use the least amount of medication to control symptoms
- Demonstrate the ability to prepare patients for diagnostic esophageal work up
- Define basic principles of work up of reflux in a patient
- Analyze how to exclude other esophageal disorders other than reflux in a patient who has heartburn type symptoms
- Summarize management of reflux in terms of diet, lifestyle, medications, and surgery
