ON SITE & NEARBY

Three waterslides splash into tropical lagoon pools—great fun for both kids and adults! Decks on the bay and marina sides offer great views of the fireworks from Sea World. Acres of mature gardens weave lush pathways throughout the property and lead to spectacular views of the bay and marina. Bird watchers can catch a pelican diving into the water to scoop up fish, ducks searching for handouts near the dock, or hear the melodic call of a loon. Just a four-block walk or short complimentary shuttle ride from the hotel is beautiful Mission Beach, featuring Belmont Park and stretching north to Pacific Beach and the cliff-side beaches of La Jolla and Torrey Pines. To the south lies Ocean Beach and the breathtaking Sunset Cliffs. Enjoy swimming, surfing, diving, pier fishing, volleyball, restaurants, shops, skating and cycling along the Mission Beach Boardwalk. Historic Belmont Park features the Big Dipper (a classic 70-foot drop wooden track roller coaster) and other rides, an arcade and a special children's area. Feel the energy from the main lifeguard tower on Ventura Place to the end of the boardwalk at Palisades Park.

With beachside attitude and big city excitement, near perfect weather year-round, 70 miles of spectacular coastline, world-class attractions and a thriving urban core, complete with a sophisticated art, dining and nightlife scene, San Diego has earned the name California's beach city.
