INVITATION

EDCC26

Dear Colleagues,

On behalf of Episirus Scientifica, it is with great pleasure and excitement that we extend a warm welcome to you for the upcoming World Endocrine, Diabetes & Cardiovascular Conference 2026, to be held in the vibrant city of Bangkok, Thailand. This prestigious conference will take place from March 06-07, 2026, bringing together leading experts, researchers, and healthcare professionals from around the globe. This international meet (EDCC26) in collaboration with national and international societies anticipates hundreds of participants including Keynote speakers, Oral and Virtual presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference perhaps a giant event that creates an ideal platform to share expertise addressing current advancements involved in Endocrine, Metabolism, Diabetes, Cardiovascular medicine and Obesity. It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to collaborate with the world-class Endocrine and Medical Associations.

Our theme: "Interdisciplinary Approaches to Endocrine Health". This theme embraces the diversity of perspectives and experiences from different regions of the world. It encourages participants to share insights and best practices from their respective countries, fostering a global dialogue to address the unique challenges faced in different healthcare systems.

Life is full of give and take make it count in your professional life, attend the Endocrine Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to see you in Bangkok.

Sincerely,

EDCC26

WELCOME MESSAGE

Dear Friends and Colleagues,

It is my pleasure to invite you to attend Scientific Sessions 2026 in Bangkok during March 06–07, 2026. The World Endocrine, Diabetes & Cardiovascular Conference (EDCC26) offers an excellent, unparalleled opportunity to learn from leading experts in endocrinology, diabetes, and cardiovascular medicine.

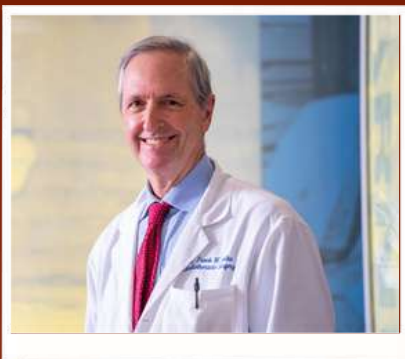

This annual event will provide you with numerous opportunities to network with colleagues from around the world in a dynamic and welcoming environment. The scope and quality of the scientific exchange make the EDCC26 Scientific Sessions a premier platform for research, clinical updates, and knowledge-sharing across these essential disciplines. This event features two days of exceptional scientific content covering all aspects of endocrine, diabetes, and cardiovascular research, clinical practice, and case-based learning.

The annual meeting will be held in Bangkok, a favorite city of mine that I have been to many times. Bangkok is an amazing place, a full of many cultural, religious and historic attractions. After the meeting, perhaps you could visit some of the other amazing sites in Thailand.

Scientific Sessions are at the forefront of the EDCC26 mission—to advance global health, promote innovative learning, and foster meaningful collaborations through shared insights and professional dialogue.

I hope that despite the intensive program, you will have the opportunity to experience the vibrant city of Bangkok, a place where rich culture meets a thriving future. We trust that you will enjoy the conference and that your interactions with fellow participants will inspire creative exchanges of ideas and be both professionally and personally rewarding.

For these reasons and many more, I hope you will join us in Bangkok this coming March 2026.

Sincerely yours,

Frank Sellke, MD

WELCOME MESSAGE

EPISIRUS SCIENTIFICA®
A Path For Discovery

Dear Colleagues and Esteemed Guests,

I extend a warm welcome to the World Endocrine, Diabetes & Cardiovascular Conference (EDCC26), scheduled for March 06–07, 2026 in Bangkok, Thailand. I am Alireza Heidari from the Faculty of Chemistry at California South University (CSU) and it is my privilege to serve as the chair for this esteemed event. Our summit is designed to convene leading researchers, industry pioneers, and academics, fostering exploration at the forefront of EDCC26. Through dynamic discussions, novel insights, and collaborative endeavors, we aim to chart the course for future advancements in our field.

Your participation and contributions are fundamental to the success of this summit. Together, we aspire not only to deepen our collective understanding but also to propel innovation within EDCC26.

Thank you once again for your invaluable involvement. Let us collaborate wholeheartedly to ensure this summit leaves a lasting impact, creating a memorable experience for all attendees.

Warm regards,

Prof. Dr. Alireza Heidari, Ph.D., D.Sc.
Full Distinguished Professor and Academic Tenure of Chemistry &
Winner of the Nobel Research Award 2025 in Chemistry &
World's Top 2% Scientists &
Enrico Fermi Distinguished Chair in Molecular Spectroscopy &
Head of Cancer Research Institute (CRI) &
Director of the BioSpectroscopy Core Research Laboratory (BCRL) at
Faculty of Chemistry, California South University (CSU), Irvine, California, USA &
Board Member of the World Association of Theoretical and Computational Chemists
(WATOC) &
Continuous Member of the World Academy of Sciences (TWAS), International Science
Council, Paris, France &
Continuous Member of the American Association for Cancer Research (AACR),
Philadelphia, Pennsylvania, USA &
Continuous Member of the American Society for Biochemistry and Molecular Biology
(ASBMB), Rockville, Maryland, USA &
President of the American International Standards Institute (AISI), Irvine, California, USA
Organizing Committee Member
Congress EDCC26 | ESE

OUR COLLABORATORS

The **National Diabetes Institute (NADI)** of Malaysia is a not-for-profit, non-governmental organisation dedicated to the prevention and better care for people with diabetes. NADI is managed by a Board of Trustees comprising representatives from the Malaysian Endocrine and Metabolic Society (MEMS), Diabetes Malaysia (DM), Ministry of Health (MOH), Elected and Founding members, with the former Prime Minister, His Excellency Tun Dr. Mahathir Mohamad, as Patron.

The Somali Diabetes Foundation (SDF) is committed to combating the rising burden of diabetes in Somalia through awareness, prevention, early detection, and improved access to healthcare. As diabetes continues to impact thousands—especially in underserved communities—SDF works to promote education, support research, and advocate for policies that enhance care. Through partnerships with healthcare providers, policymakers, and local organizations, we empower individuals to take control of their health and strive to ensure that no one suffers needlessly from this preventable and manageable condition. Together, we aim to build a healthier future for all Somalis

Mexican Diabetes Association (AMD) : We are a non-profit institution with 36 years of existence that provides care, education and training on diabetes care to people living with this condition and their families, with the aim of preventing the appearance of associated complications and seeking better quality life. Within our projects, we have the diabetes educator diploma, the Tonalli Camp for girls, boys and adolescents with type 1 diabetes, as well as training, health days, courses, workshops and more.

Kenya Union of Nutritionists and Dietitians (KUNAD) was first founded on 24th February 2016. The union is formed under the Labor Relations Act to create an enabling environment for nutrition practice and to cater for welfare of all nutritionists and dietitians in the country. To promote the welfare of nutritionists and dietitians practising in Kenya.

OUR COLLABORATORS

ARMENIAN ASSOCIATION OF OBESITY PREVENTION

IRANIAN SOCIETY OF METABOLIC & BARIATRIC SURGERY (IRSMBS)

ENDOCRINOLOGY AND DIABETES SOCIETY OF AUSTRO (SEDAUSTRO)

Nepal Diabetic Society (NDS) was established on 30th November 1990. The Society is known as one of the pioneer organizations of Nepal working in the field of diabetes. It is a non-profit and non-governmental organization and run solely by dedicated volunteers. All members of the Society including the Executive Members and Advisors offer voluntary services and receive no emoluments whatsoever. It is registered with both the Government and the Social Welfare Council of Nepal.

Founded in 1998 the pioneers in the field of cardiology and cardiac surgery, the Cardiac Society of Nepal is a national organization of over 250 Cardiologists, Cardiac Surgeons, Cardiac Anesthetists along with allied health personnel related to the field of cardio vascular diseases.

The Diabetes Endocrinology Association Nepal was established in 2008 mainly by four endocrinologists, Dr. Dina Shrestha, Dr. Santosh Shakya, Dr. Amit Shakya and Dr. Jyoti Bhattarai, with the main objective of advancing the field of endocrinology in Nepal. The main objective of the organization is to enhance the knowledge of the national doctors in the field of endocrinology and to increase the awareness of prevalent hormonal problems like Diabetes and Thyroid disorders among the general public, thereby improving the prevention and treatment of such diseases.

SURGhub is an award-winning, United Nations based digital learning platform for surgical healthcare professionals, designed to expand access to high-quality training in low-resource settings. SURGhub offers over 100 interactive courses developed in partnership with leading global institutions. The platform is free to use and supports safer surgical care through scalable, accessible learning. SURGhub is a joint initiative by the Global Surgery Foundation and UNITAR, supported by the Royal College of Surgeons in Ireland, and in association with the Johnson & Johnson Foundation.

PRELIMINARY SCIENTIFIC PROGRAM

DAY 1: March 06, 2026

Hall : To be announced

Registration

Opening Ceremony

KEYNOTE FORUM

Group Photo Session

Networking and Refreshment Break

Workshop Session

Speaker Sessions

Session Chair | Session Co-Chair

Session 1

Diabetes, Obesity, Metabolism and Nutrition

Session 2

Adrenal and Cardiovascular Endocrinology

Session 3

Reproductive and Development Endocrinology

Session 4

Thyroid and Diabetes

Session 5

Pediatric Endocrinology

Lunch Break

Session 6

Molecular Endocrinology

Session 7

Endocrinology and Genetics

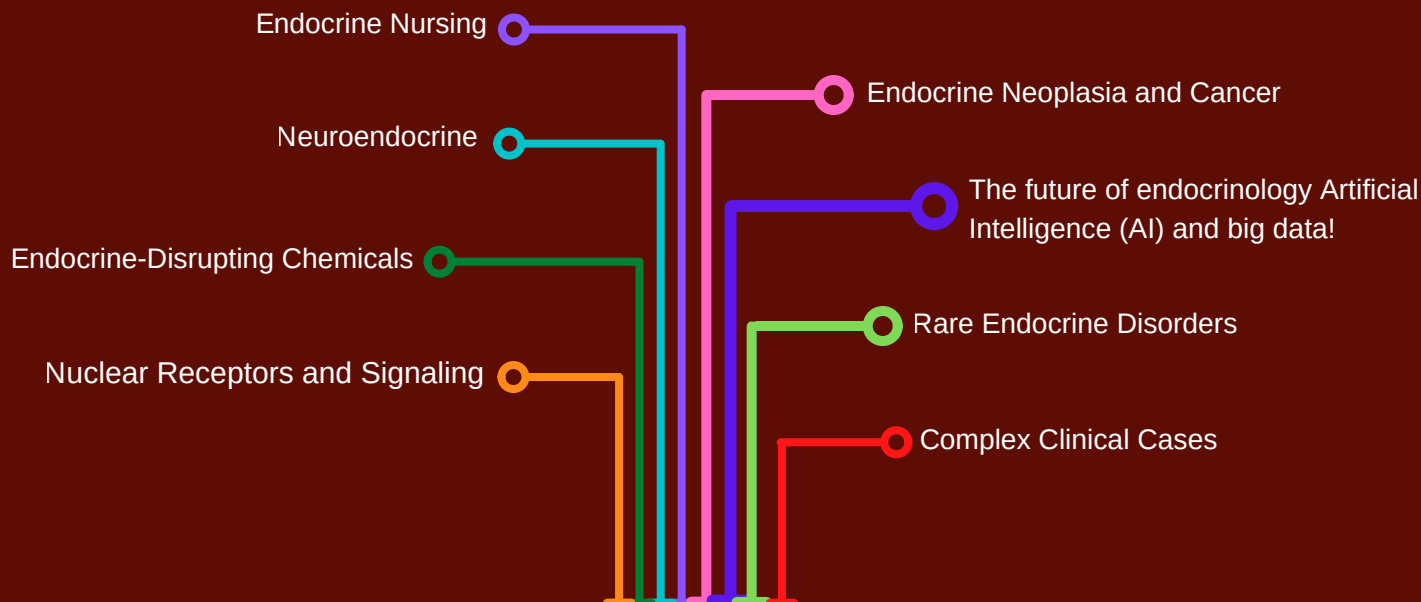

Session 8

Clinical Endocrinology

Networking and Refreshment Break

Pannel Discussions

END OF DAY 1

..... Day 2 Sessions

DAY 2: March 07, 2026

Hall : To be Announced

Registration

Opening Ceremony

KEYNOTE FORUM

Group Photo Session

Networking and Refreshment Break

Workshop Session

Speaker Sessions

Session Chair | Session Co-Chair

Session 9

Endocrine Neoplasia and Cancer

Session 10

Future of Endocrinology Artificial Intelligence (AI) and big data!

Session 11

Bariatric Metabolic Surgery

Session 12

Endocrine Nursing

Session 13

Neuroendocrine

Session 14

Rare Endocrine Disorders

Session 15

Nuclear Receptors and Signaling

Lunch Break

Session 16

Complex Clinical Cases

Session 13

Hypertension

Pannel Discussions

Networking and Refreshment Break

Young Researcher Forum

Poster Session

Award Ceremony

END OF DAY 2

NOTE: Program Schedule is subject to change with final allotment of the speaker slots

KEY DATES:

Abstract submission & Registrations are Open

~~Early Bird Registration: December 20, 2025~~

~~Abstract Submission Deadline: January 30, 2026~~

Speaker Registration: February 10, 2026

Standard Registration: February 10, 2026

Abstract Submission and Guidelines:

<https://endocrine.episirus.org/bangkok/abstract-submission/>

For Online Registration :

<https://endocrine.episirus.org/bangkok/registration/>

Email Id :

endocrine@episirus.org ; info@episirus.org

Guidelines for Submission:

Before you begin, please prepare the following information:

Presenting author's contact details:

Email address

Full postal address

Daytime and evening phone number

Presentation type – please choose from one of the following:

Poster presentation

E-poster presentation

Oral presentation

Video presentation

Author and co-authors' details:

Full first and family name(s)

Affiliation details: department, institution / hospital, city, state (if relevant), country

Abstract title– limited to 30 words in Title Case

Abstract text– limited to 250-300 words

Tables– A maximum of 3 tables of up to 10 rows x 10 columns can be included per abstract

Graphs and images– It is important to note that each image included in the abstract is worth 30 words. A maximum of 3 images can be included per abstract. You may upload graphs in JPG, GIF or PNG format.

***Please note that abstracts must be SUBMITTED before the deadline in order to be sent to review for inclusion in the Scientific Program.**

Reviewing: All abstracts will be forwarded for the Scientific Committee's review. If an abstract is accepted, the presenting author must register.

Authors who submit an abstract but fail to register by January 20, 2026 run the risk of having their abstracts withdrawn.

Letters of acceptance will be send once your abstract has been reviewed and accepted. If you have not received any notification, please contact the program manager: endocrine@episirus.org

Consent to upload Abstract, Presentation Material or lecture's video

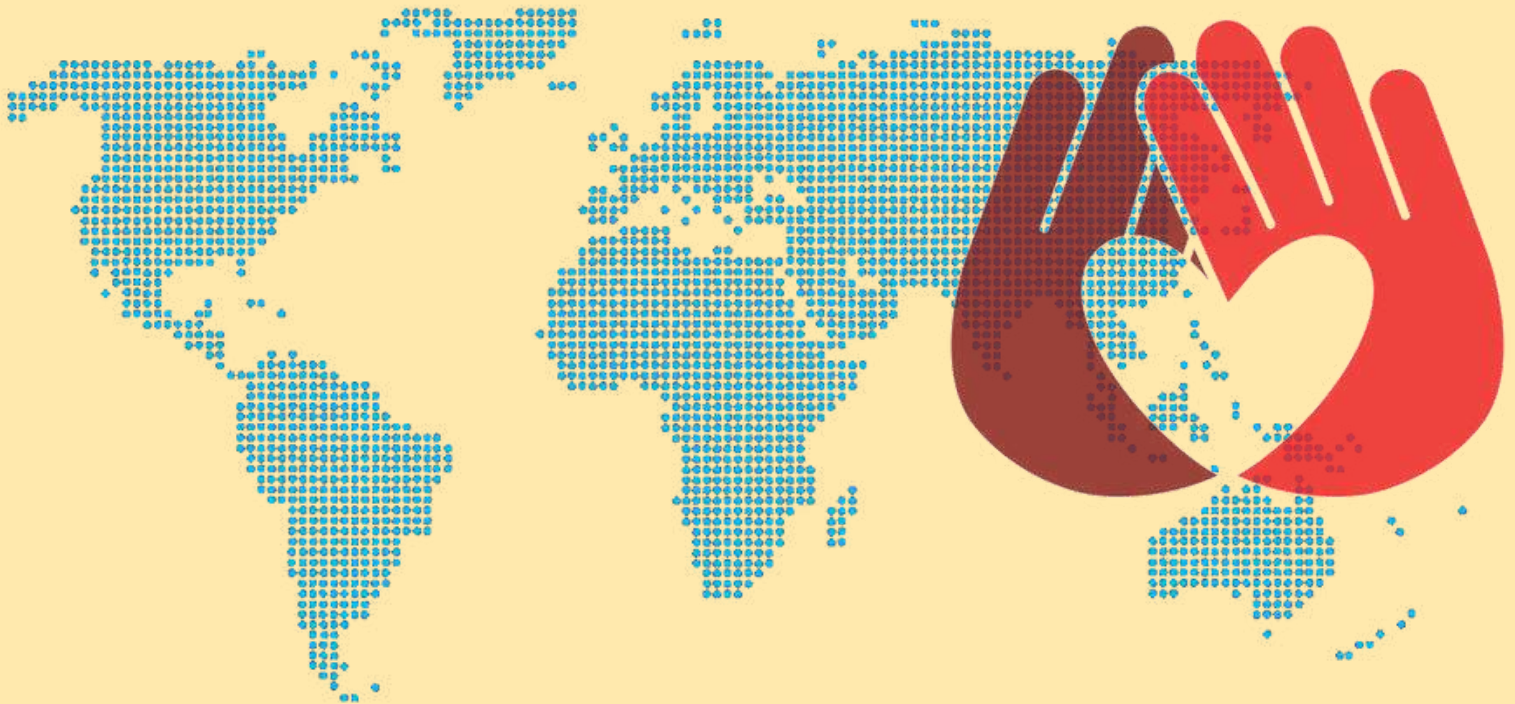

The Conference reserves the right to publish on the conference website:

Some or all abstracts in HTML or PDF format

Some or all of the presentations in PDF format

Some of all recordings/videos/photographs of the lectures

EPIRUS SCIENTIFICA EVENT (ESE) AMBASSADOR REFERRAL PROGRAM

Be an ESE EDCC26 Ambassador and earn FREE Registration!

- Refer one new participant and you BOTH receive 15% OFF on Registration.
- Refer eight or more new participants and your 2026 Conference Registration + Accommodation will be FREE + Earn Gifts for your referred participants.

Who makes ESE strong? YOU.

- You make ESE the largest voice in scientific conferences in the world.
- You know the value of scientific conferences and can share it with your colleagues.
- You can encourage them to join ESE to maintain the influence of the medical and scientific community.

Top 3 Reasons to Refer Participants:

- Create a stronger community of peers to collaborate with
- Increase your network to become a leader in your workplace/academic institution
- Referring Participants is FUN and EASY!

The Rules: The ESE Ambassador referral program is designed to encourage current participants to spread the word about the value of ESE conferences.

Additional Benefits: Per Year, Top 3 Conference Ambassador will receive:

Travel Reimbursement*

Best Conference Ambassador Award

This offer expires **January 15th, 2026.**

VENUE AND HOSPITALITY

Venue :
Jubilee Prestige Hotel
Ratchadapisek
(5 Star Property)

Address: 204 Ratchadaphisek Rd, Huai Khwang,
Khet Huai Khwang, Bangkok 10320, Thailand
Phone: +66 2 694 2222

Transportation

Airport Transfer:

Airport Limousine Service:

Toyota Camry (Maximum of 2 persons with luggage) THB 1,700.-net/car/way

Mercedes Benz E-Class (Maximum of 2 persons with luggage) THB 2,800.-net/car/way

Toyota Commuter (Maximum of 6 persons with luggage) THB 2,300.-net/car/way

Public transportation options:

Public Taxi, Innova – THB 1500- THB 2000

Public Taxi – By metre + tollway and airport surcharge

Airport Rail Link – THB 35, runs every 10 minutes

GREAT CONNECTIVITY

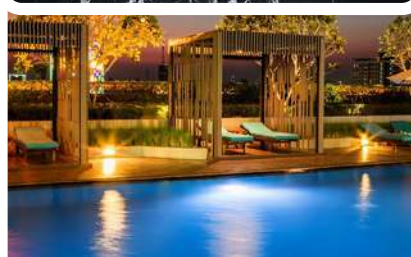

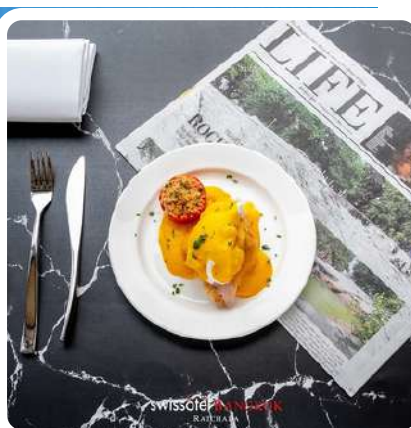

MRT: Huay Kwang Station, exit 2 (1 minute walk or 100 meters)

Only 900 meters from hotel go to The Street Ratchada, The One Ratchada Night Market, and Big C

Expressway : Rama 9 (3 KM)

SUARNABHUMI AIRPORT - 35 KM / 40 Mins

DON MUANG AIRPORT - 25 KM / 25 Mins

Bangkok, Thailand Attractions

Bangkok is the favorite destination for tourism and shopping on account of its global connectivity, great infrastructure, friendly atmosphere and economic cost of living. All these factors contribute to influencing people's decision to come to Bangkok for medical care, treatment, and medical conferences. Bangkok along with the abundance of flight in and out of Bangkok International Airport, the ease of acquiring Visas* on arrival, and a wide range of options for accommodation are also available.

So, in the upcoming year **Episirus Scientifica** has scheduled the World Endocrine, Diabetes & Cardiovascular Conference **2026** in the beautiful city which is an example of sustainable development, Bangkok, to bring together the world's best leading experts, researchers, scientists, professors, medical device manufacturing companies and the most respected leaders to exchange and share their meaningful experiences of various methods involved in Endocrinology and Cardiovascular.
