WHY EXHIBIT?

The largest event of its kind Nepal Medical Show – brings together healthcare leaders from a variety of disciplines to collaborate and learn. Today's healthcare leaders are finding themselves facing the unbridled growth of Web-based operations, interactivity, functionality and innovation. This complex and challenging — yet exhilarating — time is helping to shape the future of healthcare.

As an exhibitor at the Nepal Medical Show, you will:

- Connect with the right people from the right organizations, including nearly 700 leaders in healthcare Marketing, Information Services, Web, and eHealth from leading hospitals, health systems, academic medical centers, children's hospitals and physician practices.
- Promote your company to decision-makers through numerous branding opportunities offered with each sponsorship and exhibitor package. There is no better way to identify your company as a leader in the healthcare Web space of Nepal.
- Contribute to the educational experience by sharing your knowledge and expertise with attendees through presentations and booth demonstrations.
- Quality, Dedicated Exhibit Time: Nearly six hours of dedicated exhibiting time allows you to showcase your products and services and meet one-on-one with influential decision makers and current clients.
