PROGRAM DESCRIPTION AND OBJECTIVES

This fun and exciting hands-on course will introduce cutting-edge surgical techniques and the latest advances in patient care, including transcanal endoscopic ear surgery, transnasal Eustachian tube surgery (including balloon dilation), and advances in endoscopic sinus surgery, skull base surgery, and endoscopic orbital surgery. Our course is structured to provide participants with valuable techniques, tips, and pearls to bring new developments directly into their offices and ORs.

All Days Feature Lectures Plus Dissection Labs.
Participant Registration is Flexible.

Day 1: Wed, June 3, 2026 - Endoscopic Sinus, Skull Base, and Eustachian Tube Surgery

Day 2: Thu, June 4, 2026 - Endoscopic Orbital Surgery

Day 3: Fri, June 5, 2026 - Endoscopic Ear and Eustachian Tube Surgery

The course faculty features influential leaders from around the world. Our target audience includes regional, national, and international otolaryngologists, including both general community otolaryngologists as well as subspecialists and academic practitioners, in addition to ophthalmologists and oculoplastic surgeons. The course will be open to surgeons at all levels of training, from experienced attending physicians to residents-in-training. Participants may register for any combination of days.

At the conclusion of this activity, participants will be better able to:

- Discuss the indications, techniques, and complications of endoscopic ear surgery.
- Discuss the indications, techniques, and complications of endoscopic Eustachian tuboplasty.
- Discuss the indications, techniques, and complications of endoscopic sinus and skull base surgery.
- Discuss the indications, techniques, and complications of endoscopic orbital surgery.

TUITION

Participants may pick any combination of the following 1, 2, or 3 days:

Day 1: Wed, June 3, 2026 - Endoscopic Sinus, Skull Base, and Eustachian Tube Surgery

Day 2: Thu, June 4, 2026 - Endoscopic Orbital Surgery

Day 3: Fri, June 5, 2026 - Endoscopic Ear and Eustachian Tube Surgery

3-Day Fee: \$1800

2-Day Fee: \$1500

1-Day Fee: \$750

The fee includes the plenary presentations, continental breakfast, lunch, refreshment breaks, and hands-on sessions. Confirmation of registration will be sent upon receipt of the registration form. Refund of registration fee, less a \$25 administrative charge, will be made if written notice of cancellation is received by May 24, 2026. No refunds can be made thereafter.
