WELCOME NOTE

DEAR PARTICIPANT

On behalf of the Arab Neonatal Care Group and with great pleasure, we would like to invite you to the 6th International Arab Neonatal Care Conference (ANCC2016) that will take place in Dubai, UAE From 29th September-1st of October 2016.

One of our pillars in implementing our vision is to hold an annual meeting with a very rich and exciting scientific program addressing key issues and latest advances and controversies in neonatology.

The meeting is an international hub for neonatologists, pediatricians, researchers, nurses and other health care professionals to join leading international faculty and exchange knowledge. We are expecting participation of more than 400 health care professional from different countries of the globe.

In addition to professional development and gaining CME points, delegates will have a great time networking and exploring the culture of UAE.

We wish you a very rewarding and interesting experience at ANCC 2016 and a pleasant stay in Dubai.
