2ND ANNUAL
**South Jersey Emergency Medicine
Continuing Medical Education Symposium**

Learning Objectives:

- Demonstrate knowledge in updates in stroke care
- Differentiate the presentations of cardiotoxic medications and the treatment of these toxidromes
- Apply the knowledge of emergent stabilization and interventions in acute gastrointestinal bleeding
- Explain the various and recommended treatments of status epilepticus
- Define the knowledge of transfer laws and EMTALA
- Perform a resuscitation with limited resources

Target Audience: This event will provide updates in the specialty of Emergency Medicine in various topics required to practice. This continuing medical education activity is designed to meet the educational needs of physicians in the emergency medicine field and other health care professionals.

For details and registration, please visit: go.rowan.edu/cme.

Questions? Contact the CME Office at cme@rowan.edu or 856-566-6358.
