

Hyatt Centric Park City Ideally situated at the base of Canyons Village in Park City, Utah, Hyatt Centric Park City is an AAA Four Diamond, luxury resort located in the heart of North America's largest ski resort offering 7,300 acres of skiable terrain. Hyatt Centric Park City offers ski-in/ski-out access via Sunrise chairlift. Combined with nearby Deer Valley Resort outdoor enthusiasts can enjoy over 9,000 acres of recreational terrain. Hyatt Centric Park City is situated about five miles from downtown Park City dining and shopping, and during ski season, the lodge provides guests with a free shuttle within the Canyons Resort area and downtown Park City. This resort features an outdoor heated pool and two whirlpools. When it's time to dine, Escala Provisions Company is a casual restaurant and bar that serves fresh locally-inspired food and drinks for breakfast and dinner. After a day on the slopes, roast s'mores at Escala Provisions Company while gathered around the fire with the family.

Deluxe guest rooms are approximately 380 sqft. and offer 1 King or 2 Queen beds (based on availability at time of check-in) plus a stone gas fireplace, studio style kitchenette complete with sink, small refrigerator, and microwave, a deluxe bathroom with KenetMD™ amenities, a flat-screen LCD TV, robes, hairdryer, coffeemaker, iHome radio alarm clock/iPod® docking station, and more. One Bedroom Suites offer 780+ sqft. of residential-style elegance with 1 King bed or 1 Queen bed (based on availability at time of check-in) plus a pull out sofa with 6" memory foam mattress. Enjoy two fireplaces, a full size kitchen equipped with Viking appliances, spa-like bathroom, flat-screen LCD TV, DVD Player, in-room Whirlpool washer and dryer, robes, hairdryer, coffeemaker, iHome radio alarm clock/iPod® docking station, and more. The Hyatt Centric Park City is approximately 40 minutes by car or shuttle ride from the Salt Lake City Airport (SLC).

HOTEL RATES: A portion of the room rate is used to partially offset the cost of refreshments served during the meeting for participants only. The discounted group rate is available for reservations made through February 22, 2019 or until the group block is full, whichever occurs first.

- Guest Room:**
Single/Double Occupancy – \$419
Triple Occupancy – \$444 Quad Occupancy – \$469
- Maximum 4 people per room.
 - 1 King or 2 Queen beds.
 - Room rates per night and do not include 11.85% tax, or Resort Service Fee of \$30 plus tax, per room, per day.
 - Roll-away beds (not available in rooms with 2 Queen beds) are \$25 per night.
 - No charge for cribs (based on availability).

Resort Service Fee amenities include: Premium Wi-Fi access in guest rooms, valet and self-parking, scheduled shuttle to Park City's Main Street, ski valet, DVD movie rentals, local and national newspapers, incoming and outgoing faxes, dry/wet sauna access and use of the 24-hour health club. Resort Service Fee inclusions and pricing subject to change without notice.

DEPOSIT REQUIRED: Credit card required to hold your room. Full stay plus tax will be charged 30 days prior to arrival. Rooms are limited and available only through NWWT. Rate and availability not guaranteed until deposit received.

CANCELLATIONS: Cancellations of room reservations received inside of 35 days prior to arrival will be charged for their entire reserved stay. This includes date changes, early departures, and room type changes. No exceptions for any reason. **This is strict hotel policy.**

If you check out of the hotel before your scheduled departure date or are a complete no-show, you will be charged a penalty up to your entire reserved stay. Please review your reservation for accuracy. Travel insurance is highly recommended.

COURSE DIRECTOR: Mark T. Murphy, MD, MSN Education, LLC, St. Petersburg, Florida and Medical Director, Northwest Anesthesia Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, physician assistants, nurse practitioners, registered nurses, and all other medical care providers who must maintain state-of-the-art knowledge of the critical care specialty or are impacted by it.

PROGRAM PURPOSE: The practitioner of critical care medicine must possess the scientific background for clinical practice; maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures necessary for the provision of quality patient care; manage self and colleagues to function toward common goals in the clinical setting, clinical and educational institutions, and the community in which the practice resides; serve as an expert in matters involving health care delivery; serve as an informed manager of clinical and educational services provided, including the acquisition and distribution of resources necessary in meeting professional goals; and provide assistance with and support of other service providers, departments, institutions, and organizations dependent upon the professional expertise of the practitioner. Presentations are designed to facilitate the health-care provider maintaining skills of the same kind to review and update knowledge and abilities in one or more of these areas vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences as they impact and are affected by the planning, delivery, and monitoring of critical care services

Explain the selection, dosing considerations with methods of administration, safe use, and contraindications and precautions of drugs based on their chemical and pharmacologic properties

Outline comprehensive management plans for the group of patients discussed, whether related in age, physical status, cultural background, invasive procedure, anesthetic or analgesic requirements, clinical setting, adverse reactions, and/or goals of care

Apply the principles of safety and asepsis in the performance of all aspects of patient care regardless of the clinical environment in which the practice resides

Incorporate the appropriate recommendations and/or requirements of pertinent external organizations, institutions, and professional groups in the provision of critical care services, whether medical, legal, philosophical, ethical, or health care management standards

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Anesthesia Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 20 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAIN-PORT to claim this activity.

Certified Registered Nurse Anesthetists: This program is designed to meet requirements for Class A CE credit. Once approved by AANA, this will be indicated.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NNAS is an approved provider for the following state nursing boards: Arkansas State Board of Nursing (Provider Number 50-7480), California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), Georgia Board of Nursing (Provider Number 50-7480), and the South Carolina Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

Park City has recently seen historic changes. Two of the town's resorts merged to form Park City Mountain Resort, the largest ski area in the United States, connected by the new Quicksilver Gondola. Enjoy two new lifts, restaurant upgrades, and enhanced snowmaking capabilities. Challenge yourself on the same runs skied by Olympians during the 2002 Salt Lake Olympic Winter Games. Take a ski lesson and learn the basic fundamentals of an exciting, new sport, or discover opportunities to cross-country ski, hike, fish, boat, and enjoy wildlife.

Back in town, 64 of Park City's buildings are listed on the National Register of Historic Places, many of which are located along the town's Main Street. Shop over 200 eclectic businesses, dine at 50 unique restaurants, and tour the Park City Museum or a selection of local art galleries. Take in a show at the Egyptian Theatre where you'll find a variety of entertainment including comedy, dance, concerts, youth theater and more.

End your day with a relaxing massage or specialty treatment at one of the many spas available. Shoppers will enjoy the Tanger Outlets, offering stores like Nike, Banana Republic, Gap, Coach, Polo Ralph Lauren, Tommy Hilfiger and many more.

FAP (Frequent Attendee Points):

FAP lets you accumulate points based on dollars spent with NNAS including net hotel and tuition booked through NNAS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NNAS.
