KEVIN E. BEHRNS, MD

Saint Louis University

The Southeastern Surgical Congress invites you to join more than 500 surgeons and trainees in an interchange of clinical and scientific knowledge at the 2018 Annual Meeting! The Southeastern Surgical Congress Annual Meeting features a well-organized schedule that allows time to maximize your educational opportunities, while leaving room for networking with colleagues. Take advantage of all the city has to offer while receiving first class scientific education and enjoying social gatherings.

The SESC takes pride in mentoring the next generation of surgeons. The meeting will feature 28 oral scientific abstract presentations, Resident Forum papers, quick shots, and ePoster displays, in addition to videos, guest speakers, the American College of Surgeons session, and other new highlights including an offsite hands-on postgraduate course, ACS State Chapters Leadership Summit Luncheon, and SESC Feud following Resident Jeopardy!

ARTHUR HAMBLIN LETTON LECTURE

Sunday, February 11

8:30am - 9:10am

Monica Bertagnoli, MD

Brigham & Women's Hospital, Dana Farber Cancer Institute
Boston, MA

This lecture is named for Dr. A. Hamblin Letton to recognize his contributions to the Congress and the field of surgery. His special surgical interest was oncology and, more specifically, breast cancer, which led to the creation of the Breast Center at Georgia Baptist Medical Center, now Atlanta Medical Center.
