

THURSDAY, MARCH 16, 2017 | WASHINGTON, DC

Innovative therapies and cutting-edge information from the experts at Cleveland Clinic.

AN INDEPENDENT CERTIFIED SESSION AT ACC.17

YOU'RE INVITED TO JOIN Cleveland Clinic expert faculty at a CME-certified symposium on cardiovascular disease prevention, evaluation, and management in Washington, DC.

COMPLIMENTARY CME SYMPOSIUM WITH DINNER

Thursday, March 16, 2017

7:00 – 7:30 PM Registration and dinner

7:30 – 9:15 PM Presentation

JW Marriott Washington, DC

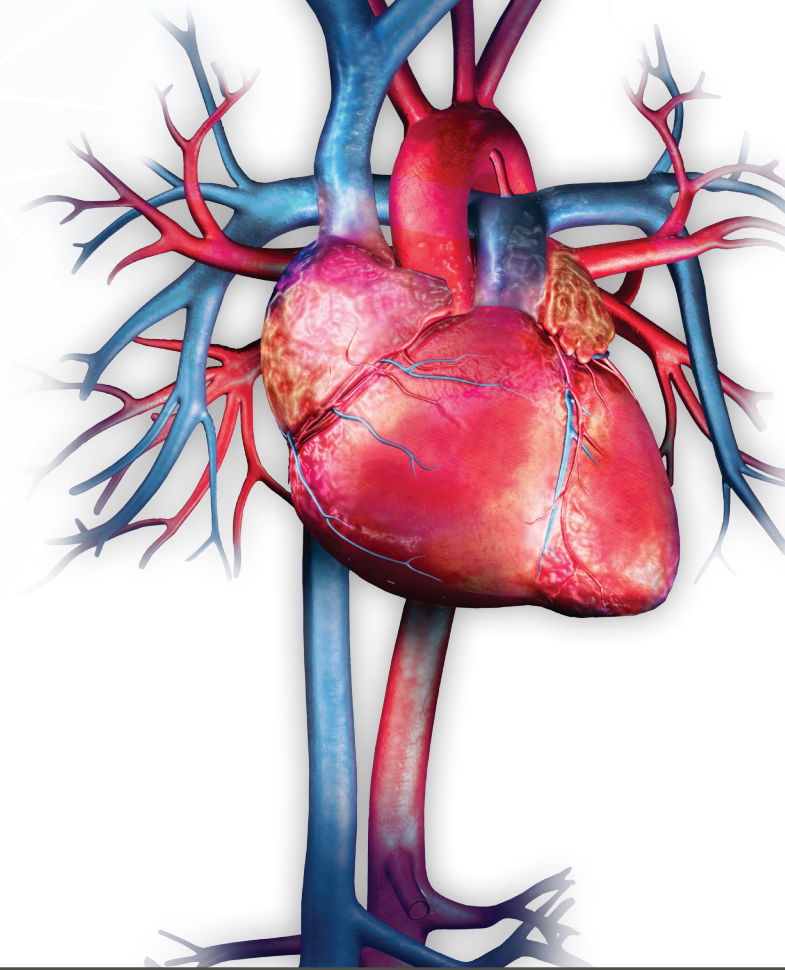

1331 Pennsylvania Avenue, NW

Washington, DC 20004

Room: Capitol Ballroom

Those who attend will be able to:

- Describe new treatments and technologies in cardiovascular medicine and surgery, as well as strategies for incorporating them into current practice
- Summarize recent research that has advanced pharmacologic, interventional, and surgical therapies for cardiovascular disease treatment

► Consensus and Controversies in the Management of Challenging Patients

This educational activity is not part of ACC.17; however, the content was reviewed and approved by the ACC.17 Program Committee.
