Dear Colleagues,

It is with great pleasure that we announce the 21st National conference, **Dementias 2019**.

Our dementias series has become an essential event in the calendar and whether you have been before, perhaps several times, or whether you will be a new attendee, we are confident that this 21st conference will be informative, interactive and enjoyable.

You will hear sessions on imaging and CSF biomarkers as we look to future developments in the field, as well as an examination of current best practice with discussions ethical issues in dementias and dementia in the community.

We look forward to seeing you in London in 2019!

Professor Alistair Burns, CBE & Professor John O'Brien

Who Should Attend

The conference is aimed at professionals involved with dementia including:

- Old age psychiatrists
- Neurologists
- Geriatricians
- Care of the elderly specialists
- GPs
- Psychiatrists

- Directors of health
- Policy makers
- Mental health service managers
- Community mental health teams
- Researchers
- Community nurses
- Practice nurses
- Trainees in these disciplines
