ACCREDITATION

The University of California, Davis, Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION

PHYSICIAN CREDIT: The University of California, Davis, Health System designates this live activity for a maximum of 24.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAFP: Application for CME credit has been filed with the American Academy of Family Physicians.

Determination of credit is pending.

AMA PRA Category 1 Credits™

NURSE: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credits™ issued by organizations accredited by the ACCME. For the purpose of re-licensure, the California Board of Registered Nursing accepts AMA PRA Category 1 Credits™ (report up to 24.5 hours of credit and fill in "CME Category 1" for the provider number).

PHYSICIAN ASSISTANT: The National Commission on Certification of Physician Assistants (NCCPA) states that AMA PRA Category 1 Credits™ are acceptable for continuing medical education requirements for recertification.

ENROLLMENT

Please register early – space is limited.

Tuition is \$825 for physicians and \$675 for all others. **Confirmation of registration will be sent within two weeks after receipt of enrollment form.** The fees will increase after January 26, 2015.

You must pay the registration fee in order to obtain a room at the discount rate at The Ritz-Carlton. See HOTEL RESERVATION GUIDELINES for details.

Tuition includes continental breakfasts, refreshment breaks, après ski snacks, and electronic syllabus. Tuition may be paid by check, American Express, Discover, MasterCard or VISA. Cash is not accepted. UC Davis Health System and UC Davis School of Medicine volunteer faculty, staff and faculty are eligible for tuition discounts. See enrollment form for details. Program materials cannot be guaranteed unless enrollment is received by **February 9, 2015**. The Office of Continuing Medical Education reserves the right to cancel this program. In such a case, a full refund will be given.

Registration forms received without payments will not be processed until payment is received, and payment must follow within 10 days. Early discount rates are honored if payment is received by the date noted on the enrollment form. After that date, the late fee is applied.

Layered clothing is recommended as the meeting room temperature may be uncomfortable for some, depending on personal preferences. If you have any special needs due to a disability as specified in the Americans with Disabilities Act, please call the Office of Continuing Medical Education at (916) 734-5390 so we may make the necessary accommodations for you.

CANCELLATION AND REFUND POLICY: A refund of tuition, less \$75 administrative fee, will be allowed if requested in writing by February 9, 2015. No refunds will be provided after this date.

TARGET AUDIENCE

This activity is designed for emergency medicine healthcare professionals. It also provides an excellent educational opportunity for physicians who are peripherally involved in emergency care.

WHY YOU SHOULD ATTEND

Emergency Departments provide the "front line" of health care in this country, and serve an extraordinary public safety function. However, health care delivery in the country is changing rapidly, and emergency care is no exception. As a result of course participant evaluations and other annual assessment surveys, the need for cutting edge information about emergency medicine has been identified. The course is designed to change physician knowledge and competence in areas identified in the needs assessments, including:

- Difficult Airway Management
- Traumatic Orthopedic Injuries
- Use of ED Ultrasound
- Updates on Important EM Literature
- Care of the Elderly
- Pediatric Resuscitation

EDUCATIONAL METHODS

Lectures with Q and A will be used to facilitate the dissemination of up-to-date information.

Case studies and discussion will highlight conditions commonly seen in clinical practice.

EDUCATIONAL OBJECTIVES

At the end of the activity, participants should be able to:

- Identify and select proper equipment for difficult airway management
- Effectively administer pharmacologic agents for control of agitated patients
- Incorporate findings of recent literature into emergency medicine practice
- Manage common poisonings and intoxications in adults and children
- Incorporate point-of-care ultrasound into emergency practice
- Identify febrile children at risk for serious bacterial illness
- Appropriately stabilize high-risk orthopedic injuries to the extremities
