General Information

Registration

Register online at www.LSUPerioReview.org.

Course Location

The Perio Review will be held at LSU School of Dentistry located five miles from downtown New Orleans next to historic Bayou St. John and beautiful City Park.

LSU Health New Orleans School of Dentistry

Travel and Hotel Reservations

Please make your own airline and hotel reservations as soon as possible because New Orleans has a large city-wide convention the same time as the Perio Review Course. Louis Armstrong New Orleans International Airport is located approximately 30-40 minutes by taxi from both downtown New Orleans and LSU School of Dentistry. We anticipate the course ending at 3:30PM on Tuesday, January 27, 2015, so make your airline flight plans accordingly. For your return flight, please allow about 90 minutes to the airport and airline check-in.

LSU Health Continuing Dental Education/The Louisiana Academy of Continuing Dental Education, Inc. is not responsible for any related costs or expenses, including cancellation/change charges assessed by airlines.

**3 days of Comprehensive Review & Update, followed by
2 days of Mock Oral Board Exams**

For periodontists preparing to take Oral Board Exams for Certification

Friday, January 23 – Tuesday, January 27, 2015 Course #01-15

EARLY BIRD SPECIAL: Register by December 20, 2014 **\$1,995**

- Register December 21, 2014 - January 16, 2015 **\$2,095**
- Approximately 34 total hours of clinical CDE credit (lecture and participation) • AGD #490

3-Day Literature Review Course

3 days of Comprehensive Review & Update

For periodontists, general dentists and AGD members

Friday, January 23 – Sunday, January 25, 2015 Course #01-15-3

EARLY BIRD SPECIAL: Register by December 20, 2014 **\$1,495**

- December 21, 2014 - January 16, 2015 **\$1,595**
- 21 hours of clinical CDE credit (lecture only) • AGD #490

Objectives and Overview

The 5-Day Course is specifically designed to help periodontists prepare for the oral exam (Part II) for certification by the American Board of Periodontology. The course begins with three days of comprehensive review and update followed by two days of mock oral board exams.

The three days of literature review and update cover:

- ✓ Current concepts – particularly as they relate to management of patients with advanced periodontal disease
- ✓ New developments and a general update in periodontics
- ✓ Systemic diseases' influences on periodontal disease, patient management, and periodontal medicine
- ✓ Management of office emergencies and diagnosis of oral lesions

Oral board exam preparation is more important than ever. For the past five years, the average annual passing rate for the oral exam was lower than the average annual passing rate for the qualifying (written) exam.

Consider registering for the 3-day literature review course if you are: a practicing periodontist; an interested general dentist; or an AGD member seeking perio CE credits toward your Fellowship or Mastership.

This course is not approved, recommended, or endorsed by the American Board of Periodontology and thus should not be construed as an official guide in the preparation for any certifying board examination. The statements, ideas, and opinions expressed in this course are those of the individual participants and in no way should reflect the statements, ideas, and opinions of any specialty certifying organization.

3 Days of Comprehensive Literature Review and Update

Friday, January 23, 2015

Oral Medicine *Michael L. Glick, DMD*

- Treating medically complex dental patients, including cardiovascular disease

Adjourn – 4:45 p.m.

Saturday, January 24, 2015

Osseous Surgery *Simon R. MacNeill, BDS, DDS*

- Outdated or current therapy? · How-to steps · Clinical results
- Comparison with other therapies

Perio Maintenance and Non-Surgical Therapy *Pooja Maney, BDS, MPH, PhD*

- Does SPT work? · Determining recall frequency · When to re-treat
- New oral hygiene approaches · Ultrasonic vs. hand instruments · Sequence of therapy

The Role of Occlusion in Periodontal Disease *Simon R. MacNeill, BDS, DDS*

- Occlusion and periodontitis · Goals of occlusal adjustment · Occlusion effects on healing

Periodontal Diagnosis and Prognosis *TBA*

- Proper diagnoses of the periodontal diseases · How to diagnose gingival recession
- How to determine prognosis · Treatment planning based on prognosis

Mucocutaneous Lesions *Craig B. Fowler, DDS*

- Mouth/skin connections · Identifying serious lesions · Management of intra-oral lesions

Osseous Grafts *John W. Rapley, DDS*

- Effectiveness of bone grafts · Graft types – what's new · Technique for success

Periodontal Regeneration *Raymond A. Yukna, DMD, MS*

- How successful is GTR? · Determinants of success · Growth factors and PRP

Furcations and Their Management *Pinelopi Xenoudi, DDS, MS*

- Etiology and prognosis of furcation involvement · Root resections · Regeneration approaches

Mucogingival Considerations and Periodontal Plastic Surgery *Pinelopi Xenoudi, DDS, MS*

- Historical basis of mucogingival surgery · When to increase the zone of gingiva
- Root coverage techniques · Cosmetically-based periodontal procedures

Adjourn – 5:15 p.m.

Sunday, January 25, 2015

Oral Pathology *Kitrina G. Cordell, DDS, MS*

- What's that on the x-ray? · Neoplasms of note · Don't look for zebras, know the horses

Etiology of Periodontal Diseases *Francis G. Serio, DMD, MS, MBA*

- New bacterial concepts · Systemic factors · Host responses

Pharmacology and Therapeutics *Francis G. Serio, DMD, MS, MBA*

- Systemic approaches to periodontal management
- Drugs that support periodontal therapy · Mouth rinses and toothpastes

Ridge Augmentation and Sinus Grafts *Henry Greenwell, DMD, JD, MSD, FACD*

- Socket grafting · Ridge augmentation · Sinus grafts

Dental Implants *Pooja Maney, BDS, MPH, PhD*

- Success rates with various implants · Maintaining osseointegration
- Causes and treatment of implant failure

Lasers in Periodontics *Raymond A. Yukna, DMD, MS*

- What different lasers do · Periodontal therapy with lasers

Medical Emergencies in the Dental Office *Frank S. Drongowski, DDS*

- Identifying patients at risk · Crash cart contents · What to do and when

Adjourn – 4:45 p.m.

The Mock Oral Board Exams

The 5-Day Course ends with two days of mock oral board exams. These mock exams simulate as closely as possible the real oral board exams. On Monday, each participant appears once before a pair of examiners. On Tuesday, each participant appears once before a different set of examiners.

When participants are not taking mock oral exams, they are encouraged to visit the various exam rooms to observe others. This observation process is a key benefit of the overall mock oral board exam process. Periodontists who have passed the oral board exam report that the mock oral board process played a key role in improving their oral test-taking skills and boosting their self-confidence.

Monday, January 26, 2015		Tuesday, January 27, 2015	
8:00 AM - 8:15 AM	Orientation	8:00 AM - 11:55 AM	Practice Mock Oral Exams
8:20 AM - 12:25 PM	Practice Mock Oral Exams	11:55 AM - 12:40 PM	Lunch
12:25 PM - 1:10 PM	Lunch	12:40 PM - 2:45 PM	Practice Mock Oral Exams
1:10 PM - 3:15 PM	Practice Mock Oral Exams	2:45 PM - 3:15 PM	Board Exam Expectations
3:15 PM - 4:15 PM	Board Case Review		

Enrollment in the two days of mock oral board exams is limited. Please register now.

NONREFUNDABLE AIRLINE TICKET, FLIGHT CHANGE, OR HOTEL RESERVATION:

LSU Health Continuing Dental Education/The Louisiana Academy of Continuing Dental Education, Inc. cannot be held responsible for the cost of a nonrefundable airline ticket, flight change, or hotel room reservation in the event a course is cancelled or rescheduled.

CANCELLATION & REFUND POLICY: The Louisiana Academy of Continuing Dental Education/LSU Health Continuing Dental Education reserves the right to cancel any course should circumstances warrant such action. In the event a course is cancelled or filled, the Academy will either refund the full tuition or apply the tuition to the next course of your choice. If you must cancel your registration for a course, the Academy will apply the tuition you paid (minus an administrative fee) to the next course of your choice if the Academy receives written notification of your withdrawal 15 working days prior to a *lecture* course or thirty 30 days prior to a *participation* course. Notification of withdrawal received after a course begins will result in forfeiture of the entire tuition.

EQUALITY OF EDUCATIONAL OPPORTUNITY: Louisiana State University is committed to equality of educational opportunity and does not discriminate against applicants, students or employees based on race, color, national origin, religion, sex, age or disability. **NEW KNOWLEDGE RELATED TO DENTAL PRACTICE:** Dental educational institutions have an obligation to disseminate new knowledge related to dental practice. In so doing, some presentations may include controversial materials or commercial references. Participants are cautioned about the potential risks of using limited knowledge when incorporating techniques and procedures into their practices, especially when the course has not provided them with supervised clinical experience in the technique or procedure to ensure that they have attained competence. Sponsorship or partial sponsorship of a continuing education course by LSU Health New Orleans School of Dentistry does not necessarily imply endorsement of a particular philosophy, procedure or product. **CONTINUING EDUCATION CREDIT:** C.E. Credit awarded for participation in a course or activity may not apply toward license renewal in all states. It is the responsibility of each participant to verify the requirements of his or her state licensing board.

NO RECORDING DEVICES ARE ALLOWED IN THE LECTURE ROOMS. PLEASE TURN OFF YOUR CELLULAR PHONES.
