

EXHIBITOR PROSPECTUS

The North American Brain Injury Society's 12th Annual

Conference on Brain Injury

Held in conjunction with the

**28th Annual Conference on
Legal Issues in Brain Injury**

WESTIN RIVERWALK HOTEL
SAN ANTONIO, TEXAS APRIL 29-MAY 2, 2015
www.nabis.org

Conference Overview

Conference Program

The North American Brain Injury Society is pleased to announce that the **12th Annual Conference on Brain Injury** and the concurrent event, the **28th Annual Conference on Legal Issues in Brain Injury**, will be held in San Antonio, Texas, on April 29-May 2, 2014.

Combined, these conferences will be the **premier events** for medical professionals and attorneys involved in brain injury in North America in 2015. Exhibitors will enjoy exclusive access to the nation's top physicians, leading trial attorneys, case managers, healthcare providers and allied health professionals.

These interdisciplinary conferences are intensive, three-day events with more speakers, more sessions and more business opportunities than any conference of its kind!

Don't miss this unique opportunity to meet face-to-face with this highly influential group of professionals!

Space is limited and this event will sell-out quickly!

*Reserve your space **today** for the largest brain injury conference in the United States in 2015!*

Exhibit Information

Your presence at the NABIS meeting ensures direct access to key decision makers in the brain injury community. Each exhibit space includes:

- A 6' long skirted table with, identification sign, and two chairs.
- One full complimentary registration to the conference for each exhibitor with attendance at all conference sessions and functions.
- All breaks, food functions and receptions in the Exhibit Hall.
- Special reception with exhibitors in the Exhibit Hall on Thursday night.

The standard exhibit fee is only \$1,250. Again this year, exhibitors have the option of reserving a larger 10' exhibit area for only \$300 more!

An Exhibitor's Kit will be sent after booth rental application is received. Please note: Available space goes quickly and exhibits will be assigned on a first-come, first-served basis!

The Westin Riverwalk Hotel

The 2015 Conference will take place at the beautiful Westin Riverwalk Hotel in the charming city of San Antonio. The Westin is located directly on the world famous San Antonio Riverwalk, the number one tourist attraction in Texas. The Riverwalk is a verdant oasis of cypress-lined paths, arched stone bridges and lush landscapes. It gently winds through the city center providing visitors with an array of restaurant options and easy access to San Antonio's cultural attractions, including of course the famed Alamo!

NABIS has negotiated a special discounted rate of only \$199 (or \$219 for Riverside view) per night at this exceptional hotel. To reserve your room, call (210) 224-6500 and reference "NABIS 2015", or visit the NABIS website to book on-line.

ATTENDEE PROFILE

Multidisciplinary professionals involved in the rehabilitation and long-term care of persons with brain injury will attend the Conference, including:

- Physicians
- Neuropsychologists/Psychologists
- Neuropsychiatrists/Psychiatrists
- Behavioral Neurologists
- Case Managers
- Educators
- Military Personnel
- Physical Therapists
- Occupational Therapists
- Vocational Therapists
- Speech-Language Pathologists
- Social Workers
- Advocates and Administrators

This is not an exhaustive list – all those with an interest in evidence based neurorehabilitation will benefit from this educational program.

EDUCATIONAL FOCUS

This conference will focus on the latest scientific and clinical advances in the field of brain injury rehabilitation and long-term care. Emphasis will be placed on a multidisciplinary approach in the management of patients with brain injury from acute care through to community re-entry and beyond.

An internationally recognized faculty will present on a broad range of brain injury topics relating to the development of effective treatment interventions and restoring persons with brain injury to optimal levels of functioning.

In addition to invited talks from luminaries in the field, participants will have the opportunity to present their work through the Call for Abstracts process. Submissions of original research on all neurorehabilitation and neurotrauma topics are encouraged. Accepted abstracts will be published in the *Journal of Head Trauma Rehabilitation* and will be presented as oral sessions, panels or scientific posters, as determined by the Scientific Committee. For more information on abstract submission, visit the NABIS website, www.nabis.org.
