

5TH INTERNATIONAL WORKSHOP ON **HIV&WOMEN** FROM ADOLESCENCE THROUGH MENOPAUSE

SEATTLE, WA, USA • 21-22 FEBRUARY 2015

WHO SHOULD ATTEND?

Experts in HIV, gynaecologists, clinicians, industry representatives, government representatives and community representatives.

WHY SHOULD YOU ATTEND?

- The International workshop on HIV and Women is the only international platform where the specific aspects for treatment of HIV infected women are discussed.
- It is a unique platform for international scientific exchange on the increasingly recognized problems of HIV and Women.
- This workshop offers the best opportunity to meet with international renowned experts in the field as well as with representatives of the advocacy in an intimate atmosphere.
- Scheduling of the workshop will allow you to combine the HIV & Women workshop with CROI.
