Scripps Cancer Care Symposium

A Nursing & Advanced Practice Provider Collaboration

Course Overview

The Scripps Cancer Care Symposium is designed for nurses, nurse practitioners, physician assistants, clinical nurse specialists, and other health care professionals dedicated to the field of hematology/oncology that practice in settings across the continuum of care. During this two day conference, attendees will benefit from an intimate learning environment in which renowned faculty will present the latest in evidence-based oncology care and provide practical strategies and tools helping you to improve quality of life and outcomes for patients with cancer and their families. Don't miss this opportunity to interact and network with like-minded colleagues while earning CE credits!

Target Audience

- Hematology & Oncology Nurses
- Hematology & Oncology Nurse Practitioners
- Clinical Nurse Specialists
- Physician Assistants
- Experienced Hematology & Oncology Health Care Professionals

Educational Objectives

After attending this activity, participants should be able to:

- Evaluate current issues and trends in cancer care.
- Discuss new therapeutic options for the treatment of a number of common malignancies.
- Identify strategies to integrate evidence-based cancer care into your practice.
- Describe evidence-based standards of care including innovations in diagnosis and treatment.
- Establish networking relationships with clinical colleagues on contemporary nursing and advanced practice provider solutions.

Conference Highlights

- Comprehensive presentations of the latest advances in cancer diagnosis and treatment with a strong patient care focus
- Small group workshops allowing for additional interaction with expert faculty on pertinent topics
