PHOENIX MARRIOTT TEMPE AT THE BUTTES

Things are different in the desert. The sky is bigger. The stars are brighter. The sunsets stop you in your tracks. Phoenix is the gateway to the Grand Canyon, and its history is a testament to the spirit of puebloans, ranchers, miners and visionaries. Projected against this rich backdrop is a panorama of urban sophistication — Arizona's urban heart and America's sunniest metropolis.

EXPERIENCE THE CULTURE

Desert Botanical Garden has more than 50,000 desert plants on display throughout five thematic trails. Don't miss the Spring Butterfly exhibit! 480.941.8104 dbg.org

Heard Museum, internationally acclaimed, is one of the best places to experience the myriad cultures and art of Native Americans of the Southwest. Current exhibits include Time Exposures: Picturing a History of Isleta Pueblo; and American Indian Sport & Art. 602.252.8840 heard.org

Phoenix Art Museum is the Southwest's premier destination for world-class visual arts. Visitors also enjoy PhxArtKids an interactive space for children, vibrant photography exhibitions through the Museum's landmark partnership with the Center for Creative Photography, and the lushly landscaped Dorrance Sculpture Garden. Children's Museum of Phoenix has hands-on interactive exhibits designed to engage the minds, muscles and imaginations of children up to age 10 and their grown-ups. Make a meal in the Texture Café or navigate your way through Noodle Forest. BlockMania is a place of towering possibilities! 602.253.0501 www.childrensmuseumofphoenix.org

Arizona Science Center offers eye-opening fun with interactive exhibits, a state-of-the-art planetarium, five-story giant-screen theater, and traveling exhibitions such as Gridiron Glory: The Best of the Pro Football Hall of Fame. 602.716.2000 www.azscience.org

Phoenix Zoo offers a wondrous world of curiosity, imagination and discovery. Be on the lookout for awe-inspiring Asian elephants, on safari to spot the great Sumatran tiger or seeking towering giraffes roaming the Savanna. Experience Stingray Bay, Monkey Village, and many more. 602.286.3800 www.phoenixzoo.org

Musical Instruments Museum displays more than 6,000 instruments collected from around the world. See instruments from music icons in the Artist Gallery. Play instruments in the Experience Gallery. 480.478.6000 mim.org
