Faculty.

International Speakers

David Cochran is Professor and Chairman of the Department of Periodontics at the University of Texas Health Science Center San Antonio, Dental School. He has a DDS, MS, and PhD in biochemistry from the Medical College of Virginia and trained in periodontology at the Harvard School of Dental Medicine where he also obtained a second Master's degree. Dr. Cochran is a Board Certified Periodontist, and a past President of the American Academy of Periodontology and the Academy of Osseointegration. He is also a Fellow of the American College of Dentistry, the International College of Dentistry, and the Academy of Osseointegration. He has an honorary doctorate from the University of Bern (2010). Dr. Cochran is currently serving as President of the ITI.

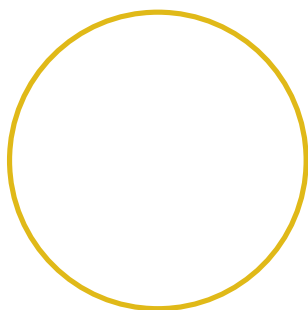

Dr. German Gallucci is the Head of the Division of Regenerative and Implant Sciences at Harvard School of Dental Medicine. He obtained his doctorate at the School of Dental Medicine, University of Geneva, Switzerland and his PhD from ACTA, Netherlands. Dr. Gallucci actively participates in clinical research related to implant prosthodontics and digital dentistry. His work has been published in international peer reviewed journals and he is a member of the editorial board for several scientific dental journals. He has been an ITI Fellow since 2004, is an editor of Forum Implantologicum, Chair of the ITI Scholarship Center at Harvard, and also holds other ITI Committee functions in the ITI Section USA and the ITI globally.

Irena Sailer is Professor and Head of the Division of Fixed Prosthodontics and Occlusion at the University of Geneva. She received her dental education and Dr. med. dent. Degree from the Faculty of Medicine, University of Tübingen, Germany in 1997 and 1998. In 2003 Dr. Sailer was made Assistant Professor at the Clinic of Fixed and Removable Prosthodontics and Dental Material Sciences in Zurich, where she was Associate Professor between 2010 and September 2013. In 2007, Dr. Sailer was a Visiting Scholar at the Department of Biomaterials and Biomimetics, Dental College, New York University, USA. Additionally, since 2009 she has held an Adjunct Associate Professorship at the Department of Preventive and Restorative Sciences, Robert Schattner Center, School of Dental Medicine, University of Pennsylvania, Philadelphia, USA.
