MEETING NEEDS AND OBJECTIVES

The practice of pediatric pathology requires up to date knowledge of the diseases affecting children, including their scientific basis, clinical spectrum, pathologic classification, and current research activities. The Society for Pediatric Pathology Annual Meeting is intended as an ongoing resource to meet the educational needs of pediatric pathologists, general pathologists whose practice includes pediatric pathology, pediatric pathology fellows, and pathology residents. Meeting objectives will be published in the final program on the SPP website.

DISCLOSURE OF RELEVANT FINANCIAL RELATIONSHIPS

The Society for Pediatric Pathology (SPP) is committed to providing unbiased, balanced and objective educational programs and does not receive commercial support for any CME activity. In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Guidelines, the SPP requires that anyone in a position to influence or control the content of CME disclose any relevant financial relationship(s) which they or their spouse/partner have, or have had within the past 12 months, with a commercial interest(s) that relate to the content of this educational activity and create a conflict of interest. Any identified potential conflicts will be reviewed and resolved prior to the presentation. Relevant information will be published in the appropriate publications and/or on the SPP website.

CONTINUING MEDICAL EDUCATION ACCREDITATION

Accreditation Statement

The Society for Pediatric Pathology is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA Credit Designation Statement – SPP Spring Meeting

The Society for Pediatric Pathology designates this live activity for a maximum of **13.75 AMA PRA Category 1 Credit(s)**™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

International Physicians

The American Medical Association has determined that physicians not licensed in the US who participate in this CME activity are eligible for *AMA PRA Category 1 Credit(s)*™.

Health Professionals

Health Professional participants (including residents and fellows-in-training) may claim hours to receive a Certificate of Participation for an activity designated for *AMA PRA Category 1 Credit(s)*™.

CME Credits

Certificates of continuing medical education *AMA PRA Category 1 Credit(s)*™ will be issued through the Society for Pediatric Pathology. CME credits will only be awarded after completion of an online evaluation form.

Scientific Sessions 5.75 credits

Farber-Landing Lecture 1.0 credits

Symposium 3.0 credits

Workshops 2.0 credits each

An evaluation must be completed prior to claiming CME credit for the various offerings. The evaluation forms, CME claim forms and SAM post-tests can be accessed through the SPP website: www.spponline.org.

Self-Assessment Module Credits

The SPP is accredited by the American Board of Pathology to offer Self-Assessment Module (SAM) credits for the purpose of meeting the American Board of Pathology requirements for Maintenance of Certification. Registrants must take and pass the post-test in order to claim SAM credit(s). SAM credits are being offered only for the elective workshops and symposium.
