

3rd Annual Shaping the Management of Parkinson's Disease: A Comprehensive Review of Discoveries and Clinical Trials

*A Special Weekend CME Program with
Parkinson Study Group Investigators*

March 7-8, 2015

Bahia Mar | Fort Lauderdale, Florida

Register Today! www.ccfcmc.org/shapingPD15

Shaping the Management of Parkinson's Disease: A Comprehensive Review of Discoveries and Clinical Trials

Overview

Timely and effective treatment of Parkinson's disease (PD) can enhance patients' ability to continue to work and manage their day-to-day lives. Yet, despite the development of new therapeutic options over the past few decades and the possibility that some of them may have disease-modifying effects, the management of PD remains a challenge for specialists as well as primary care physicians. Misdiagnosis in the early stages and uncertainties about timing of treatment are among the difficulties facing clinicians. New nonpharmacologic approaches such as deep brain stimulation and other therapies on the horizon present new hope for patients as well as new educational challenges for physicians. This educational activity will address these challenges, with clarification of recent study results and insights into the rational use of newer treatment approaches.

Learning Objectives

After completing this activity, the participant will be able to do the following:

- List the current and emerging treatment approaches for the newly diagnosed Parkinson's disease (PD) patient
- Describe the current and future treatment options for motor complications in PD
- Recognize and treat the most common nonmotor problems associated with PD
- Explain the role of deep brain stimulation (DBS) surgery and other advanced therapies for PD
- Analyze the strengths and weaknesses of clinical trials and their contribution to today's evidence-based treatment approach to PD

Target Audience

This educational activity is intended for all clinicians who treat patients with Parkinson's disease, including neurologists, internists, family physicians, physician assistants, nurses, and nurse practitioners.

CoDirectors

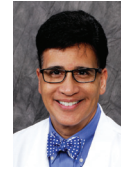

Hubert Fernandez, MD
Co-Chair, PSG Executive Committee
Professor of Neurology
Cleveland Clinic
Cleveland, Ohio

Michael Schwarzschild, MD, PhD
Co-Chair, PSG Executive Committee
Professor of Neurology
Harvard Medical School
Boston, Massachusetts

Local Organizing Committee

Néstor Gálvez-Jiménez, MD, MSc, MS (HSA), FACP, FANA, FAHA
Chairman, Department of Neurology
Chief, Movement Disorders Program
Cleveland Clinic Florida
Weston, Florida

Carlos Singer, MD
Professor of Neurology
Division Chief, Parkinson Disease and
Movement Disorders
Leonard M. Miller School of Medicine
University of Miami
Miami, Florida

Faculty

Melanie Brandabur, MD
Clinic Director
The Parkinson's Institute
Sunnyvale, California

Alberto Espay, MD, MSc
Associate Professor of Neurology
Director and Endowed Chair
James J. and Joan A. Gardner Center
for Parkinson's Disease and
Movement Disorders
University of Cincinnati
Cincinnati, Ohio

Stewart Factor, DO
Professor of Neurology
Vance Lanier Chair of Neurology
Director,
Jean and Paul Amos Parkinson's
Disease and Movement Disorders
Program
Emory University
Atlanta, GA

Anthony Lang, OC, MD, FRCPC, FAAN, FCAHS, FRSC
Professor and Director, Division
of Neurology
University of Toronto
Director
Morton and Gloria Shulman
Movement Disorder Clinic
Edmond J Safera Program in
Parkinson's Disease
Toronto Western Hospital
Toronto, Ontario, Canada

Connie Marras, MD, PhD
Associate Professor of Neurology
University of Toronto
Toronto Western Hospital
Toronto, Ontario, Canada

Michael Okun, MD
Professor, UF Center for Movement
Disorders and Neurorestoration
University of Florida
Gainesville, Florida

William Ondo, MD
Professor of Neurology
University of Texas Health Science
Center at Houston
Houston, Texas

Ronald Pfeiffer, MD
Professor and Vice Chair
Department of Neurology
University of Tennessee Health
Science Center
Memphis, Tennessee

David K. Simon, MD, PhD
Associate Professor of Neurology
Beth Israel Deaconess Medical Center
and Harvard Medical School
Boston, Massachusetts

Mark Stacy, MD
Professor of Neurology
Vice Dean for Clinical Research
Duke University Medical Center
Durham, North Carolina

A. Jon Stoessl, CM, MD, FRCPC, FAAN, FCAHS
Professor and Head, Neurology
University of British Columbia and
Vancouver Coastal Health
Co-Director, Djavad Mowafaghian
Centre for Brain Health
Pacific Parkinson's Research Centre
and National Parkinson Foundation
Centre of Excellence
Vancouver, British Columbia, Canada

Daniel Weintraub, MD
Associate Professor of Psychiatry
and Neurology
Perelman School of Medicine at the
University of Pennsylvania
Philadelphia Veterans Affairs
Medical Center
Philadelphia, Pennsylvania

Saturday, March 7th, 2015

7:30 am Continental Breakfast and Registration

8:15 am Welcome and Introduction
Hubert Fernandez, MD

Session 1: *Latest Developments in Our Understanding of Parkinson Disease* **Moderator: Néstor Gálvez-Jiménez, MD**

8:20 am The Relevance of Pre-Motor Symptoms in PD
Connie Marras, MD, PhD

9:00 am Genetics of PD and the Relevance of Genetic Testing
David Simon, MD, PhD

9:40 am Panel Discussion

9:50 am Refreshment break and Exhibits

10:10 am The Role of Biomarkers and Imaging in PD
A. Jon Stoessl, MD

10:50 am How Should We Now Define And Diagnose PD?
Anthony Lang, MD

11:30 am Panel Discussion

11:40 am Lunch and Exhibits

Session 2: *Practical Approach To The Management Of Parkinson's Disease* **Moderator: Carlos Singer, MD**

12:40 pm When it is NOT Parkinson Disease: A Video Presentation of Parkinson Mimickers
Alberto Espay, MD

1:20 pm The Management of Early Parkinson Disease
William Ondo, MD

2:00 pm Panel Discussion

2:10 pm Current and (Soon To Be Offered) Advanced Therapies for Parkinson Disease
Hubert Fernandez, MD

2:50 pm Recognition and Treatment of Autonomic Disturbances in PD
Ronald Pfeiffer, MD

3:30 pm Panel Discussion

3:40 pm Refreshment break and Exhibits

4:00 pm Recognition and Treatment of Neuropsychiatric Disturbances in PD
Stewart Factor, DO

4:40 pm The Role of Alternative Treatments for PD: Exercise, Tai Chi, Massage, Acupuncture, Dance, Etc.
Melanie Brandabur, MD

5:20 pm Panel Discussion

5:30 pm Adjourn

Meet the Faculty and Exhibitors: evening reception open to all attendees immediately following

Sunday, March 8th, 2015

7:30 am Continental Breakfast and Registration

Session 3: *Where are we headed? A peek into the future of Parkinson disease* **Moderator: Néstor Gálvez-Jiménez, MD and Carlos Singer, MD**

8:15 am The Evolving Role of Functional Neurosurgery: DBS, Gene Therapy and Stem Cells
Michael Okun, MD

8:55 am The Most Promising Leads in Neuroprotection
Michael Schwarzschild, MD, PhD

9:35 am Panel Discussion

9:45 am Refreshment Break and Exhibits

10:05 am What's in the Pipeline for Symptomatic Motor Treatments of Parkinson Disease
Mark Stacy, MD

10:45 am Promising Agents and Therapies for Neurobehavioral Complications of Parkinson Disease
Daniel Weintraub, MD

11:25 am Panel Discussion

11:40 am Adjourn

Escape to this destination hotel and enjoy the best of South Florida. After a long day, retreat to the beautiful Florida sunshine to one of the on-site restaurants or hop a water taxi to more than 20 local eateries and hot spots. Never a dull moment and always extraordinary, Bahia Mar, a Doubletree by Hilton.

Location

Bahia Mar
801 Seabreeze Blvd.
Fort Lauderdale, FL 33316
Phone: 954.764.2233

Hotel Accommodations

A block of rooms has been reserved at the Bahia Mar until **February 11, 2015**. To make your reservations, contact the Hotel Reservations Department at 1.800.HILTONS or 1.800.445.8667.

Please identify yourself as being with the **Cleveland Clinic Parkinson Study Group**, for the following rates, plus tax:

Room	Single Rate	Double Rate	Triple Rate	Quad Rate
Marina or Courtyard	\$189	\$189	\$209	\$229
Partial Ocean	\$199	\$199	\$219	\$239
Full Ocean	\$209	\$209	\$229	\$249

General Information

Faculty Disclosure

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

Parking:

The current parking fees at the Bahia Mar are as follows:

- Valet Overnight \$25, per day, per vehicle
- Valet Visitor \$11, per day, per vehicle
- Self Overnight \$21 per day, per vehicle

Registration and Cancellation:

Register at www.ccfme.org/shapingPD15. Deadline for registration for the symposium is **5:00 pm (EST), Tuesday, March 3, 2015**. A request for a refund must be received in writing by March 3, 2015. **NO REFUNDS WILL BE GIVEN AFTER MARCH 3, 2015**. A \$25 cancellation fee will be deducted from the refund for all cancellations. If you register by mail, please allow up to three weeks for your registration to be processed. For questions about registration, please call 216-448-0777 or email cmeregistration@ccf.org.

Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Cleveland Clinic Foundation Center for Continuing Education and Parkinson Study Group. The Cleveland Clinic Foundation Center for Continuing Education is accredited by the ACCME to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 10.50 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

For the purposes of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit*™ issued by organizations accredited by the ACCME.

Americans with Disabilities Act

The Cleveland Clinic Foundation Center for Continuing Education fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify Beth Viscomi at 216-444-7591 at least two weeks prior to the activity.

Registration

Shaping the Management of Parkinson's Disease

Course #021510

March 7-8, 2015

Bahia Mar

Fort Lauderdale, Florida

Fee includes: Syllabus, continental breakfasts, refreshment breaks, Saturday lunch and reception.

PSG Member			Non PSG Member		
	On or before January 17th	After January 17th		On or before January 17th	After January 17th
Investigator	\$100	\$125	Physician	\$200	\$225
Coordinator	\$50	\$75	Resident/Fellow*	\$50	\$75
			Non-Physician	\$100	\$125

*Letter from program director must be received in our office prior to the course to receive this fee.

All memberships will be verified before the meeting.

REGISTER ONLINE

www.ccfcmcme.org/shapingPD15

CCF main campus, family health centers, and CCHS community hospital employees (physicians and non-physicians) should register online at the above web address.

Complete the information below if registering by mail or fax: (Please print)

First Name:	MI:	Last Name:	Degree:
