

# CAMO 2015 ANNUAL SCIENTIFIC MEETING RÉUNION ANNUELLE SCIENTIFIQUE 2015 de l'ACOM

Thursday, April 30, 2015  
Jeudi le 30 avril 2015

The Chelsea  
Toronto, Ontario

Chair: Dr. Michael Vickers  
Co-Chair: Dr. Petr Kavan

Association canadienne des oncologues médicaux

**2015**  
**CAMO Annual Scientific Meeting**  
**Réunion annuelle scientifique de l'ACOM**  
**The Chelsea – Toronto, ON**

**Wednesday, April 29 / mercredi le 29 avril 2015 – Room: Rossetti**

17h30 – 19h30 **CAMO Evening Symposium: *WORKFORCE PLANNING IN ONCOLOGY***

*(Hosted by Oncology Education)*

**Speaker: Representatives from across Canada**

**Chaired by Dr. Christopher Lee and Dr. Scott Berry**

The objective of this meeting is to provide an overview of the current practice of workforce planning in oncology, with representatives from Eastern Canada, Western Canada and Quebec, to identify best practices, in a panel format.

**Thursday, April 30 / jeudi le 30 avril 2015 – Room: Mountbatten**

07h00 **CAMO Registration Desk Opens / Ouverture du bureau d'inscription de l'ACOM**

07h00 – 07h15 Continental Breakfast/Déjeuner Continental

07h15 – 08h15 Breakfast Symposium/ Déjeuner conference

08h15 – 10h15 **CAMO Oral Presentations / Présentations de résumés**

10h15 – 11h00 **Poster viewing and networking break/Présentations d'affiches et réseautage**

11h00 – 12h00 **CAMO Morning Symposium (Keynote speaker)**

***AGEISM VS TREATING THE FIT ELDERLY (HOW AGING AFFECTS PHARMACOKINETICS)***

**Speaker: Dr. Michael Sawyer, Associate Professor University of Alberta**

Objectives *(45 minute presentation, followed by 10 minutes Q&A)*

At the end of the session, participants will be able to:

1. List evidence that older patients experience more toxicity than younger patients.
2. Explain the changes in physiology in elderly patients that make them predisposed to chemotherapy toxicity.
3. Explain current and future methods to adjust chemotherapy in elderly to maintain efficacy and avoid toxicity.

12h10 – 13h30 **CAMO Annual Business Meeting & Lunch/ Réunion d'affaires annuelle de l'ACOM & diner**  
***(members only/membres seulement)* (Room: Carlyle - 3rd Floor)**

12h10 – 13h30 **Lunch for Delegates/Diner des délégués (Room: Mountbatten)**

13h45 – 14h00 **CAMO/RX&D Fellowship Presentations**

**Best Resident Abstracts**

**Dr. Michael Vickers – Chair, Annual Scientific Meeting Committee**

14h00 – 16h55 **CAMO Symposium – *"QUESTION FOR THE AGES: GERIATRIC ONCOLOGY"***

14h00 – 14h05 **Introduction CAMO Symposium**

Dr. Michael Vickers – *Chair, Annual Scientific Meeting Committee*

Dr. Petr Kavan – *Co-Chair, Annual Scientific Meeting Committee*

14h05 – 14h40 ***HOW COMPREHENSIVE DO WE NEED TO BE IN GERIATRIC ONCOLOGY***

**Speaker: Dr. Camilla Wong, Geriatrician St. Michael's Hospital, Assistant Professor, University of Toronto, Associate Scientist, Li Ka Shing Knowledge Institute**

Objectives *(25 minute presentation, followed by 10 minutes Q&A)*

At the end of the session, participants will be able to:

1. Discuss which geriatric domains should be assessed in the older oncology patient.
2. Explain how comprehensive assessment may alter discussions of prognosis.
3. Explain how comprehensive assessment may influence treatment decisions.

**2015**  
**CAMO Annual Scientific Meeting**  
**Réunion annuelle scientifique de l'ACOM**  
**The Chelsea – Toronto, ON**

**Thursday, April 30 / jeudi le 30 avril 2015 – Room: Mountbatten (continued)**

**14h40 – 15h15    WHAT TOOLS TO USE TO ASSESS SUITABILITY OF OLDER ADULTS FOR CANCER TREATMENT?**

**Speaker:** Dr. Shabbir M.H. Alibhai, *Staff Physician, Internal Medicine & Geriatrics, University Health Network & University of Toronto*

Objectives (25 minute presentation, followed by 10 minutes Q&A)

At the end of the session, participants will be able to:

1. Use validated online calculators to estimate remaining life expectancy
2. Summarize the pros and cons of screening instruments for frailty in older cancer patients
3. Calculate the risk of chemotherapy toxicity in older cancer patients using validated tools

**15h15 – 15h45    Poster viewing and networking break/Présentations d'affiches et réseautage**

**15h45 – 16h20    CANCER SCREENING IN OLDER PATIENTS - WHEN IS IT TIME TO STOP?**

**Speaker:** Dr. Caroline Mariano, *Royal Columbian Hospital*

Objectives (25 minute presentation, followed by 10 minutes Q&A)

At the end of the session, participants will be able to:

1. Discuss the evidence for screening elderly patients for breast and colorectal cancer.
2. Be able to use tools to estimate life expectancy.
3. Explain rationale for incorporation of life expectancy in screening decisions.

**16h20 – 16h55    MAKING CLINICAL TRIALS RELEVANT FOR OLDER ADULTS WITH CANCER - CHOOSING SUITABLE ENDPOINTS**

**Speaker:** Dr. Tina Hsu, MD FRCPC, ABIM, *The Ottawa Hospital Cancer Centre, University of Ottawa*

Objectives (25 minute presentation, followed by 10 minutes Q&A)

At the end of the session, participants will be able to:

1. Identify potential endpoints available for use in clinical studies.
2. Identify what treatment outcomes are most important to older adults with cancer.
3. Describe potential methods to incorporate alternative endpoints into cancer trials.

**Thursday, April 30 / jeudi le 30 avril 2015**

**CAMO Awards Dinner\*** *Ontario Heritage Trust, Ontario Heritage Center, 10 Adelaide Street East*

*\*CAMO members and 1 guest / Les membres de l'ACOM et un invité*

**18h30 – 19h00    Welcome reception/ Réception de bienvenue**

**19h00 – 22h00    CAMO Awards Dinner**

**TOWARDS THE CURE OF METASTATIC COLORECTAL CANCER: A STORY OF A LONG JOURNEY**

**Speaker:** Dr. Jean Maroun, *Ottawa, ON*

Objectives (45 minute presentation, followed by 10 minutes Q&A)

At the end of the session, participants will be able to:

1. Provide information on evolving strategies in the treatment of metastatic colorectal cancer.
2. Provide information on new chemo-therapies available in the treatment of metastatic colorectal cancer
3. Provide information on new biologic therapies and the emerging role of tumor markers in the management of metastatic colorectal cancer

CAMO Pioneer Lecture Series Award Presentation  
CAMO Best Resident Abstract Award Presentation

**Upcoming CAMO meetings**

**2016**

April 28 – Toronto, ON (The Chelsea)

**2017**

April 27 – Toronto, ON (The Chelsea)
