### **Program Goals**

The Mount Sinai Inflammatory Bowel Disease Consultant's Course will provide an in-depth review of state of the art diagnostic methods, medical and surgical therapeutic approaches, and cancer screening and prevention strategies in IBD.

Course faculty will lend their expertise to each of the areas that will be highlighted at the symposium. Audience interaction and participation is strongly encouraged and there will be many opportunities for case discussions and has been a highlight of our prior courses.

### **Who Should Attend**

Gastroenterologists, Colorectal Surgeons, Primary Care Physicians, and other healthcare professionals caring for patients with IBD or colorectal cancer.

*This activity has been approved for AMA PRA Category 1 Credit™*
