Himss[®] 15

Annual Conference
& Exhibition

APRIL 12–16, 2015

Chicago, IL

McCormick Place

Postgraduate Institute
for Medicine

himss

transforming health through IT™

Jointly provided by Postgraduate Institute for Medicine and HIMSS

Transforming health is a tremendous mission and an enormous responsibility.
As you move forward in your journey, get reenergized at HIMSS15.

Improving outcomes—leveraging big data—navigating the issues around payment reform, patient engagement or cybersecurity ... no matter where your focus lies, HIMSS15 is the right place to get the information you need to make the right decisions for your organization.

At HIMSS15, you'll find the resources, the people and the ideas that enable health transformation through information technology.

GAIN KNOWLEDGE.

Experience the destination for thousands of health IT professionals from around the world. Benefit from exceptional education, world-class speakers and powerful networking.

CREATE CONNECTIONS.

Build a community of support with like-minded colleagues. Get the tools you need to solve problems and discover new solutions.

UNCOVER OPPORTUNITIES.

Explore 1,400+ exhibitors, 250+ hot topic sessions and 150+ cutting-edge products and services on the exhibit floor. Hear dynamic keynotes and dive into some of the biggest trends in health IT.

***Transform health.
Transform lives.
Be part of the journey
at HIMSS15.***

What's New at HIMSS15

Be sure to check out these exciting new offerings coming to HIMSS15.

Cybersecurity Command Center

Listen to experts in the field that have faced a threat, test your cybersecurity IQ, converse with peers, and participate in a forensics exercise to identify and respond to a simulated ransomware attack, join in an interactive ransomware quiz, or participate in the daily "Capture the Flag" game, where users can compete for prizes to protect a virtual hospital network.

Disaster Preparedness Knowledge Center

Explore the health IT tools that should be proactively leveraged before, during and after various disasters and the unique actions needed for each. Learn how to manage external and internal emergencies by ensuring that adequate contingency plans are in place. Organizations must be prepared.

HIMSS Health IT Value Suite

Meet value realization experts and learn about organizations that have seen value across each of the five HIMSS Health IT Value STEPS™ categories: satisfaction, treatment/clinical, electronic information/data, prevention and patient education, and savings.

HX360™ Inaugural Event

Participate in a new initiative co-developed by HIMSS and AVIA to reinvent care delivery by harnessing the potential of next-generation technologies.

Revenue Cycle Solutions Summit

Discover how to improve the revenue cycle by engaging patients, working more closely with clinicians, partnering with IT and using analytics to optimize billing. Uncover best practices, case studies, innovative approaches and valuable tools to help stay on top of key market trends and challenges in order to optimize payment processes and improve financial outcomes.

Views from the Top

Explore current issues and gain unique perspectives from today's thought leaders.

Monday, April 13

Session 6 | 10:00 am – 11:00 am
Protecting Our Patients by Staying Ahead of Security Threats

Kevin Hemsley
Project Manager, Idaho National Laboratory, Supporting the DHS ICS-CERT Program

James Trainor
Deputy Assistant Director, Cyber Division, Federal Bureau of Investigation

Session #21 | 11:30 am – 12:30 pm
Managing IT in the New Era of Healthcare

Saum Sutaria, MD
Director North American Healthcare Provider Practice, McKinsey & Company

Steve Van Kuiken
Director Healthcare IT Practice, McKinsey & Company

Session 36 | 1:00 pm – 2:00 pm
Shaping the Frontier of Patient Engagement: A CNO/CNIO Perspective

Mary Beth Mitchell, MSN, RN-BC, CPHIMS
Chief Nursing Informatics Officer, Texas Health Resources

Laura J. Wood, DNP, MS, RN
Senior Vice President, Patient Care Services & Chief Nursing Officer, Boston Children's Hospital

Tuesday, April 14

Session 67 | 10:00 am – 11:00 am
The Intersection of Quality and Innovation at CMS

Patrick H. Conway, MD
Chief Medical Officer and Deputy Administrator for Innovation and Quality, Centers for Medicare and Medicaid Services

Views from the Top

Tuesday, April 14

2:30 pm – 3:30 pm

4:30 pm – 5:30 pm

5:30 pm – 7:00 pm

7:30 am – 11:00 am

8:00 am – 12:00 pm

8:30 am – 10:00 am

10:30 am – 11:30 am

12:00 pm – 1:00 pm

1:15 pm – 2:30 pm

Conference Orientation Sessions

Sunday, April 12

11:30 am – 12:30 pm

Monday, April 13

10:00 am – 11:00 am

If you're a first-time conference attendee, or if you've attended before but could use a refresher, sign up for one of our on-site orientation sessions. Get answers to your questions about the myriad offerings at HIMSS15 so you can make the most of your conference experience.

*Badge pick-up only – Hyatt Regency McCormick Place, Hyatt Regency Chicago, Hilton Chicago, Sheraton Chicago

**Separate registration required.

***Connected Patient Gallery, Cybersecurity Command Center, Federal Health IT Solutions Pavilion, HIMSS Health IT Value Suite, Intelligent Health Pavilion™, Interoperability Showcase™, Knowledge Centers (Clinical & Business Intelligence, Disaster Preparedness, Mobile Health)

Education Sessions by Topic

Education Sessions

Monday, April 13

10:00 am – 11:00 am
11:30 am – 12:30 pm
1:00 pm – 2:00 pm
2:30 pm – 3:30 pm

Tuesday, April 14

10:00 am – 11:00 am
1:00 pm – 2:00 pm
2:30 pm – 3:30 pm
4:00 pm – 5:00 pm

Wednesday, April 15

8:30 am – 9:30 am
10:00 am – 11:00 am
11:30 am – 12:30 pm
1:00 pm – 2:00 pm
2:30 pm – 3:30 pm

Thursday, April 16

10:30 am – 11:30 am
12:00 pm – 1:00 pm

This is a partial list of education sessions offered as of February 24, 2015. Visit the HIMSS15 website for more information.

Career Development & Workforce Diversity

Monday, April 13

20 Managing Your Own Professional Transitions

Wednesday, April 15

126 IT Internships and the ROI and Recruitment That Drives Them

142 Collaborating and Connecting for Better Health, Better Value

169 The HI Workforce for Tomorrow's HIT Work – An HR Outlook to 2019

Thursday, April 16

200 Building a Veteran Healthcare IT Internship

Changing Payment Models

Monday, April 13

9 Using Data Analytics for Improving Productivity and Revenue

50 Achieving ACO Success via Peer-to-Peer Learning

Wednesday, April 15

158 Episode Bundling: Innovative Approach for Payment Reform

164 Key Technologies for Physician-Led Accountable Care Success

189 Technology Drives Quantifiable Shared Savings Success

Clinical & Business Intelligence

Monday, April 13

13 Managing Population Health with Science, Analytics and QI

17 Using Perioperative Analytics to Reach Triple Aim

32 Geographic Information Systems in Healthcare Analytics

47 Leveraging Clinical Data for Risk Adjusting Bundled Payments

300 Roundtable Discussion – BI/Analytics and Stage 7: How Is It We're Just Getting Started?

Tuesday, April 14

63 Identifying and Reducing Variation in the Supply Chain

78 The Power of EHR Data Forensics: Knowing What You've Got

93 Reducing the Cost of Care with Real-Time Intelligence

108 Transforming Process Improvement through RTLS Data

Education Sessions by Topic

Wednesday, April 15

- 123** Introducing Your Organization to Lean and CBI Simultaneously
- 138** Partnership Creates Opportunities for Population Health
- 147** Data Analytics in the Military Healthcare System Reorganization
- 153** How a Physician Practice “Triple Aimed” to Reduce Variation

Thursday, April 16

- 197** BI/Analytics for Sepsis and Heart Failure Readmissions

Clinical Informatics

Monday, April 13

- 54** Data Warehousing with Semantic Ontologies

Tuesday, April 14

- 95** Dawn of the Era of Enterprise Imaging
- 96** The Clinical Decision Support Lifecycle
- 115** Managing Health Information during a Mass Casualty Incident

Wednesday, April 15

- 140** TIGER Track: Informatics Competencies in the Schoolhouse
- 180** Bad Data’s Effect on ACO and Population Health Performance
- 183** Riding the Wave of EHRs for Nutrition Practice
- 194** Successfully Opting in the Educated Patient

Thursday, April 16

- 205** Analyze, Measure, Customize: Get Right Clinical Alerts Now
- 218** Using Large Data to Drive Physician Clinical Adoption
- 309** TIGER Track: Understanding the “I” in TIGER

Consumer Health

Monday, April 13

- 301** Roundtable Discussion – Converting Unknown Consumers into Patients

Tuesday, April 14

- 77** HIT Alone Isn’t Enough: Humanizing Patient Engagement
- 110** How to Thrive in Patient-Centered Healthcare

Wednesday, April 15

- 146** Understanding Why and How to Engage Consumers with Health IT
- 174** Preparing Physicians for Successful Patient Engagement
- 186** A Patient-Centered Pharmacy Home for the Chronically Ill

Education Sessions by Topic

EHRs

Monday, April 13

- 2** Medical-Legal Cases That Went South, Costing Over \$30 Million
- 33** Implementation Checkups: Applying an Ounce of Prevention
- 48** The Value of Change Management in Technology Transitions

Wednesday, April 15

- 133** Beyond Implementation: Achieving Value from Your EHR after Implementation
- 148** OIG Security Audits of EHR Incentive Program Participants
- 156** Switching EHRs: A National Survey of Physician Users
- 177** Document and Data Integrity in the Legal Health Record
- 191** A Duty to Click: Is Ignorance a Defense?

Thursday, April 16

- 199** Measuring Redundancy in EHR Data and Workflow

Financial Information Systems & Business Operations Optimization

Monday, April 13

- 57** Engaging Patients through Self-Service Technologies

Tuesday, April 14

- 104** Optimizing Revenue and Quality: The “New” Mid-Revenue Cycle

Wednesday, April 15

- 181** Seven Safety Checks Before You Dive into the Big Data Ocean

Thursday, April 16

- 217** How to Get User Community and Technology Ready for ICD-10

Health Information Exchange

Monday, April 13

- 15** Payers and Providers Build an HIE: A Major Metro Experiment
- 30** Beyond HITECH: Arizona’s Collaborative Strategic HIT Plan
- 45** HIE for Population Health: The NY Million Hearts Campaign

Tuesday, April 14

- 76** A Private HIE – Operations, Challenges, Strategy and Analytics
- 91** The Portal Balancing Act: Meeting Patient and Provider Needs
- 100** Using HIE to Improve Care for Military Personnel

Education Sessions by Topic

Wednesday, April 15

151 Connecting Rural Communities in Alaska and North Dakota

166 Safety Nets Improve Care Coordination with HIE

Thursday, April 16

209 A Hybrid Model HIE: A Path to Sustainability

222 Using a Regional EMPI to Optimize Data and Reduce Readmissions

Human Factors, Usability & Design

Monday, April 13

60 Improving EHR Usability through Awareness Computing

Wednesday, April 15

170 You Completed Meaningful Use Summative Testing ... Now What?

184 Solving Vexing Design Problems for Nurses: eMARs and BCMA

Thursday, April 16

206 Incorporating User-Centered Design into Quality Improvement

212 The Embedded Designer: Better Usability through Observation

Improving Quality & Patient Safety Outcomes

Monday, April 13

8 Targeted Discharge Interventions Using Predictive Analytics

12 Transforming Care in the NHS through Digital Technology

23 Impacting Patient Satisfaction in Pediatric Pain Management

38 Closing the Loop: Strategies to Extend Care in the ED

44 Would You Bet Your Mother's Life on the Safety of Your EHR?

53 Safer Medication Ordering Using Big Data

Tuesday, April 14

68 Using IT to Improved Outcomes in Community Hospitals:
A Davies Story

69 Data-Driven Decision Making for Individual and Public Health

71 Safety and Quality: Care Transformation and Health IT Safety
Plan and Safety Center Update

98 CDS-Driven Quality Improvement: A Davies Story

99 Using Technology to Enhance Pediatric Care in Rural Areas

114 Technology Key to Improving Efficiency and Containing MERS

Wednesday, April 15

159 Improving Patient Safety and Provider Satisfaction with EPCS

173 Ten for Patient Safety: Healthcare Optimization in Ontario

187 Patient-Reported Outcomes Integrated into Your EMR

Thursday, April 16

216 Innovative RTLS Integration for Process Improvement and Safety

Education Sessions by Topic

Innovation

Monday, April 13

7 Lean-Enabled Startups for Success

Wednesday, April 15

128 Extending the EHR Platform with Open Apps and Services

143 Shaping a Culture of Innovation from Idea to Execution

160 Fostering Innovation through Federally Funded Research Programs

171 Innovation in Healthcare Delivery: Accelerating New High-Impact Practices

188 Using Genomic Data to Make a Difference in Clinical Care

306 Roundtable Discussion – Better Care with Big Data

Thursday, April 16

202 Consumerism in Healthcare: Revolutionizing Provider Models

215 Trust in Regional Exchange Supports Patient-Centered Research

IT Infrastructure

Monday, April 13

52 VNA for Enterprise Image Management – UnPAC Your Archives

302 Roundtable Discussion – DIRECT Patient Information Exchange Outcomes

Tuesday, April 14

74 Healthcare in the Cloud: Solutions for Transformation

Wednesday, April 15

145 Designing Fast Virtual Desktops for Healthcare

172 Developing an Enterprise Imaging Strategy with VNA

190 VistA Evolution's Interoperability Roadmap and Initiatives

Thursday, April 16

203 Application Retirement Planning: Compliance, Cost and Access

219 Passive Optical LAN: A Revolution in IT Infrastructure

IT Standards & Interoperability/Medical Device Integration

Monday, April 13

24 Identifying Health Facilities Outside Your Enterprise

25 Advancing Interoperability and Standards

49 Business Risk in Connected Care

Education Sessions by Topic

Tuesday, April 14

- 64** Medical Device Communication: A Harmonized Approach
- 66** HIMSS Continuity of Care Maturity Model Update: Going Beyond EMRAM
- 97** Bringing Continuity of Care to Sports Medicine

Wednesday, April 15

- 193** UDI and Health IT: Key to Unlocking Medical Device Quality and Costs

Thursday, April 16

- 214** Beyond the Hype: Achieving True Semantic Interoperability

Leadership/Governance/Strategic Planning

Monday, April 13

- 3** Rural Coalition Strategy for Value-Based Healthcare
- 11** MHS Health Information Technology
- 21** Managing IT in the New Era of Healthcare
- 28** Seven Opportunities for Stronger Information Governance
- 42** United Arab Emirates: EMR and Quality Improvements
- 55** Technology and Information to Advance Better Health
- 56** Lessons Learned Managing a Multi-Billion Dollar Federal HIT Program

Tuesday, April 14

- 80** TIGER Track: The Road to Collaboration
- 82** Shattering the Glass Ceiling: Lessons Learned for Aspiring Female Executives
- 111** Bye, Bye Boomers
- 121** Data Governance: Measure Twice, Cut Once

Wednesday, April 15

- 125** Information Governance – Now Is the Time
- 130** From CMIO to CHIO: Information, Integration and Innovation
- 132** Overview of the PEO DHMS Mission and Objectives
- 144** Enterprise Architecture at a Major Academic Medical Center
- 161** Building the Workforce for Today and Tomorrow
- 175** How the CIO and IT Provide Value to the C-Suite/Boardroom
- 192** Crowdsourcing Consumer Access to Healthcare

Thursday, April 16

- 213** Successful IT Governance in 92 Days Flat!

Education Sessions by Topic

Meaningful Use

Monday, April 13

- 10** CMS EHR Incentive Programs Overview
- 40** CMS Meaningful Use Stage 3 Requirements
- 58** Meaningful Use: How to Survive an Audit Request

Tuesday, April 14

- 89** Navigating “Meaningful Use Rapids” Provider Onboarding

Wednesday, April 15

- 134** Making Healthcare Meaningful through Meaningful Use Stage 2

Thursday, April 16

- 220** MU2 Transitions of Care with “Best-of-Breed” Approach

Mobile, Connected Health & Telehealth

Monday, April 13

- 27** Harnessing the Science of Behavior Change in Digital Health
- 303** Roundtable Discussion – Mobility and Remote Patient Monitoring: No More Secrets

Tuesday, April 14

- 73** Staying Connected with Patient-Generated Health Data
- 88** Mobile, Digital and Connected Health: A Status Update
- 103** Consumerism of Healthcare: Video Visits on the Go
- 118** Creating a Game-Changing Telehealth Strategy

Wednesday, April 15

- 163** Improving Clinical Communications and Workflow via Smartphones
- 305** Roundtable Discussion – Healthy Living, Connected Devices and Wearables

Thursday, April 16

- 204** Advancing Telemedicine through an Adoption Model

Population Health

Monday, April 13

- 34** Data-Enabled Strategic Resource Allocation in ACOs
- 51** Pediatricians Pioneer Population Healthcare Approaches

Tuesday, April 14

- 83** Enable Care Improvement for Underserved Communities: A Davies Story
- 84** Driving Health IT ROI with Data Analytics
- 112** Transforming Traditional Care Management Engagement Models

Education Sessions by Topic

Wednesday, April 15

- 127** Applying Analytics to Population Health Management
- 157** Bridging the IT Functionality Divide in Care Coordination
- 185** Population Health Success at the North Carolina State Health Plan
- 308** Roundtable Discussion – Health Systems Define Employees as First At-Risk Population

Thursday, April 16

- 201** Preparing for Population Health

Privacy & Security

Monday, April 13

- 4** Data Security Hot Topics: Identifying the Enemies within the Gates – Do You Know Who's in Your System? (Hour 1)
- 6** Protecting Our Patients by Staying Ahead of Security Threats
- 16** There's an App for That!
- 19** Data Security Officers: Addressing Risks and Avoiding Crisis from the Trenches (Hour 2)
- 31** Selecting the Right CISO and Building the Security Office
- 46** The Internet of (Insecure) Things: Medical Devices
- 61** HIPAA Security: A Decade of Breaches

Tuesday, April 14

- 70** Challenges Working with or Being a HIPAA Business Associate
- 92** The Role of Security Monitoring and SIEM in Risk Management
- 101** Privacy and Security: Opportunities and Challenges of Computable Privacy
- 107** Preparing for a New Level of HIPAA Enforcement
- 122** Stop Insider Snooping and Protect Your Patient Trust

Wednesday, April 15

- 137** What Does "HIPAA Compliant" Mean?

Process Improvement, Workflow, Change Management/Clinician Engagement

Monday, April 13

- 18** Optimizing Appropriateness Use
- 22** Capturing Patient Flow Value Stream in the New Economy
- 37** The Future of Healthcare Management Engineering

Tuesday, April 14

- 79** Portfolio Management in a Complex Hospital Environment
- 87** HIT and Services – Strategic Alignment
- 94** The Power of Hyperspecialization in Denial Management
- 109** A Multidisciplinary Approach to Combating Sepsis

Education Sessions by Topic

Wednesday, April 15

- 124** Clinical Practice Integration via EMR Implementation
- 139** Social Service Integration Strategy for Medicare Patients
- 154** IT Challenges in Implementing a Physician-Directed ACO
- 155** CAVEAT EMPTOR: Decision Making on Clinical Technology Acquisitions
- 182** Using RTLS to Enhance Patient Flow and Care Team Coordination

Thursday, April 16

- 198** Boosting Medical Device Integration Strategy and Value
- 208** Optimiztion: Combine Optimization and Upgrades to Boost ROI
- 211** Structured Cardiology Procedure Reporting: Make It Happen!

Provider & Patient Engagement

Monday, April 13

- 14** Genesis: Pushing the Boundaries of Accountable Care
- 29** Transform Patient Access to Boost Satisfaction and Savings
- 36** Shaping the Frontier of Patient Engagement: A CNO/CNIO Perspective
- 59** A New Help Desk Model: Engage Physicians with HIM Support

Tuesday, April 14

- 75** Physician Tools for Patient Engagement
- 85** What Do Consumers Really Want from Personal Health IT?
- 90** Patient Experience: Touching the Heart of Medicine
- 105** Improved Patient Engagement, Lower Readmissions with mHealth
- 120** Engaging Patients Online in Rural Wisconsin – A 10-Year Journey
- 304** Roundtable Discussion – Reducing the Cost of Healthcare Delivery via Virtual Care

Wednesday, April 15

- 135** Empowering Patients Enabled through Personal Health IT
- 150** Proudly Accepting Patient-Generated Health Data
- 165** Three Perspectives of Patient Engagement: A National Study
- 179** MasterChef in Healthcare: Integrating Social Media

Thursday, April 16

- 221** Strategies That Fuel Outpatient Revenue Growth
- 310** Roundtable Discussion – Beyond Patient Engagement: The Road to Patient Empowerment

Education Sessions by Topic

Quality Measurement

Monday, April 13

39 Navigating the Quality Measurement Maze

Tuesday, April 14

67 The Intersection of Quality and Innovation at CMS

86 CMS Quality Strategy

106 Quality Monitoring Utilizing Natural Language Processing

116 CMS Quality Reporting Update

Wednesday, April 15

129 The Joint Commission's Performance Measurement Journey

131 CMS Future Directions in Quality Measurement

Thursday, April 16

210 The Future of Administrative and Electronic Quality Measures

Transitions of Care: Coordination & Management

Monday, April 13

7 Lean-Enabled Startups for Success

43 Model of Care for Observation Patients – A Growing Population

Tuesday, April 14

113 EHR-Enabled Chronic Care Management: A Davies Story

119 Coordinating Care to Improve Care and Reduce Costs

Wednesday, April 15

149 Transforming Continuity of Care: A Statewide Standard Model

168 Are We Being Accountable to Our Kids?

178 Improving Transitions of Care through Intelligent HIE

307 Roundtable Discussion – Using Technology to Engage Communities and Improve Outcomes

Thursday, April 16

207 Care Transitions: Optimal Outcomes Require Efficient Handoff

Preconference Education

Transform health through the power of in-depth information with HIMSS15 preconference symposia and workshops. All sessions are at McCormick Place unless otherwise noted.

NEW!

Experience more than one symposium with Preconference Plus.

Build your own program agenda! Enhance your preconference education by attending sessions from multiple symposia.

Symposia

Sunday, April 12 | 8:00 am – 4:30 pm

Fee: \$325

Separate registration required.

Changing Payment Models Symposium:

Navigating Payment, Risk and Care Reform in a Value-Based Accountable Care Environment

Endorser: **wedi**

Clinical & Business Intelligence Symposium:

Deploying C&BI to Enable the Future State of Care: Population Health Management

Endorsers:

Health Information Exchange Symposium:

Interoperability Driving Innovation

Corporate Supporter: **INTERSYSTEMS**

Endorsers:

Innovation Symposium:

The Lifecycle of Innovation: Bringing Your Ideas to Life

Management Engineering and Process Improvement Symposium:

IT Performance Management: Mastering the Balancing Act

Endorsers:

LEADING HEALTHCARE IMPROVEMENT

Mobile Health Symposium:

Today's Healthcare Game Changer: mHealth's Impact on Cost, Quality and Delivery

Corporate Supporter: perfectserve

Endorser: ACT | The App Association

Nursing Informatics Symposium:

Guiding Patients to Health, Anytime and Anywhere

Corporate Supporter: Honeywell patientsafe

Endorsers: AANP | American Association of Nurse Practitioners™ American Association of Critical-Care Nurses AHIMA American Health Information Management Association® ANA American Nurses Association NASN National Association of School Nurses TIGER ONS ANI

Patient Engagement Symposium:

Patient Engagement Across Care Settings: Managing Change

Corporate Supporter: YOURCAREUNIVERSE™

Endorser: Society for Participatory Medicine

Physicians' IT Symposium:

The Journey from Data to Transforming Health

Endorsers: American Academy of Pediatrics American Association of Physician Leadership American College of Cardiology ACP American College of Physicians acu association of clinicians for the underserved AHIMA American Health Information Management Association® AMA American Medical Association AMDIS SPOPE society of physician entrepreneurs

Quality Symposium:

Balancing Quality Reporting and Outcomes Improvement

AANP | American Association of Nurse Practitioners™ THE GUIDELINE ADVANTAGE

Workshops

Sunday, April 12 | 8:00 am – 4:30 pm

Fee: \$325

Separate registration required

Workshop A

Navigating the Practical and Legal Aspects of HIPAA

Endorsers: ABA Health Law Section AHIMA American Health Information Management Association® (ISC)2®

Workshop B

Got Tools? Applying Method to the Project Madness

Register for
HIMSS15
along with any
preconference
symposium or
workshop and
receive a \$100
discount!

Education Sessions by Date

Monday, April 13

8:00 am — 9:30 am

1 Opening Keynote

Alex Gourlay, Executive Vice President,
Walgreens Boots Alliance, President,
Walgreens

10:00 am — 11:00 am

2 Medical-Legal Cases That Went South, Costing Over \$30 Million *EHRs*

3 Rural Coalition Strategy for Value-Based Healthcare *Leadership/Governance/Strategic Planning*

4 Data Security Hot Topics: Identifying the Enemies within the Gates – Do You Know Who's In Your System? (Hour 1) *Privacy and Security*

5 State Officials Panel: Health IT across the States

6 Protecting Our Patients by Staying Ahead of Security Threats *Privacy & Security*

7 Lean-Enabled Startups for Success *Innovation*

8 Targeted Discharge Interventions Using Predictive Analytics *Improving Quality & Patient Safety Outcomes*

9 Using Data Analytics for Improving Productivity and Revenue *Changing Payment Models*

10 CMS EHR Incentive Programs Overview *Meaningful Use*

11 MHS Health Information Technology *Leadership/Governance/Strategic Planning*

12 Transforming Care in the NHS through Digital Technology *Improving Quality & Patient Safety Outcomes*

13 Managing Population Health with Science, Analytics and QI *Clinical & Business Intelligence*

14 Genesis: Pushing the Boundaries of Accountable Care *Provider & Patient Engagement*

15 Payers and Providers Build an HIE: A Major Metro Experiment *Health Information Exchange*

16 There's an App for That! *Privacy & Security*

300 Roundtable Discussion – BI/Analytics and Stage 7: How Is It We're Just Getting Started? *Clinical & Business Intelligence*

11:30 am — 12:30 pm

17 Using Perioperative Analytics to Reach Triple Aim *Clinical & Business Intelligence*

18 Optimizing Appropriateness Use *Process Improvement, Workflow, Change Management/Clinician Engagement*

19 Data Security Officers: Addressing Risks and Avoiding Crisis from the Trenches (Hour 2) *Privacy & Security*

Education Sessions by Date

- 20** Managing Your Own Professional Transitions
Career Development & Workforce Diversity

Education Session Recordings

NEW for HIMSS15!

**Free with most
conference
registrations***

**Can't get to all the sessions you want?
Bring the recordings home with you!**

For HIMSS15, select conference registrations* include online access to education session recordings. Shortly following the conference, you will be able to log in and access 200+ recorded general education sessions in 22 topic areas, including:

- **Original presentation audio synchronized with presenters' slides**
- **Views from the Top sessions**
- **Federal sessions**
- **Desktop and mobile-friendly streaming**
- **Downloadable session handouts**

Session recordings are eligible for continuing education and may be applied toward CAHIMS and CPHIMS renewal requirements, physician and nursing CE, project management PDUs or others.

*Applies to registration for HIMSS member, nonmember, endorser, government, organizational affiliate and student. Online access to education recordings is NOT available for single day, exhibit hall only, events only, exhibitor, volunteer, supplier, press, staff, international delegation and HIMSS15 Online registrations.

E-Sessions

Explore computer-based, 20-minute education modules available onsite during conference hours in a relaxed and quiet environment.

Conference Exhibitor Guide

An online search tool to:

- Plan your HIMSS15 exhibition experience
- Research 1,400+ healthcare IT companies
- View thousands of products and services
- Prospect 150+ newly launched products and services
- Locate 350+ first-time HIMSS exhibitors
- Visit 200+ startup companies
- Create a personal agenda of the show floor

Connected Patient Gallery

As U.S. market forces reshape Americans' role in managing their healthcare, HIMSS is partnering with Walgreens to demonstrate consumer-centric, integrated, digital health solutions in this year's HIMSS/Walgreens Connected Patient Gallery. Walgreens brings an omni-channel ecosystem of over 15 leading-edge companies to the HIMSS/Walgreens Connected Patient Gallery, creating a retail pharmacy-led innovation lab of consumer engagement technologies. The HIMSS/Walgreens Connected Patient Gallery is a dynamic meeting place for education and collaboration on new and emerging consumer-centric digital health models.

Powered by: *Walgreens*

Federal Health IT Solutions Pavilion

Come and see most federal agencies in one area on the show floor. This pavilion will showcase federal products and services and host many action-packed educational sessions from our federal agencies.

Corporate Supporter: **MITRE**

First-Time HIMSS Exhibitors Area

More than 350 companies new to HIMSS15 will be showcasing their products, including consulting firms that assist with the high demand of implementing meaningful use and privacy & security services, along with many others.

HIMSS Analytics®

From our industry-standard family of maturity models and custom consulting services to our deep databases that provide unmatched insight into the health IT market, HIMSS Analytics is your source for market intelligence. Visit our booth to see our complete portfolio of offerings.

HIMSS Media

HIMSS Media brands report news and best practices to improve patient care through IT.

HX360™ Innovation Pavilion

The HX360 Innovation Pavilion is a key addition to the HIMSS15 exhibitions, featuring a 40,000-square-foot interactive ‘in-the-round’ exhibit experience showcasing cutting-edge health technology solutions focused on redesigning healthcare delivery. Exhibits include Innovation Galleries featuring the Provider Challenges Resolution Area, a Startup Showcase with 200+ companies, Accelerator Hubs, Games for Health Pavilion, and the Marketplace, highlighting 40 mid-stage companies.

Intelligent Health Pavilion™

Engage with 60+ products and services in a hands-on, interactive experience utilizing RFID and RTLS technology along with newer technologies such as NFC, sensors and robotics.

Knowledge Centers

A one-stop shop for 80+ education sessions, products and services, and networking with experts and peers on hot topics:

- Clinical & Business Intelligence
- **NEW!** Disaster Preparedness
- Mobile Health

New Product Launches

More than 150 new products are launched at the HIMSS conference each year. Be among the first to get your hands on the interactive New Product Showcase featuring new healthcare IT products. For a comprehensive list, please visit www.himssconference.org.

University Row

Visit University Row, where educational institutions offer unique curricula spanning health IT.

See what's new on the HIMSS15 exhibit floor!

Cybersecurity Command Center

Listen to experts in the field that have faced a threat, test your cybersecurity IQ, converse with peers, and participate in a forensics exercise to identify and respond to a simulated ransomware attack, join in an interactive ransomware quiz, or participate in the daily “Capture the Flag” game, where users can compete for prizes to protect a virtual hospital network.

Disaster Preparedness Knowledge Center

Organizations must be prepared and able to respond to and recover from emergencies. This new knowledge center will offer solutions to help you ensure adequate contingency plans are in place.

HIMSS Health IT Value Suite

Meet value realization experts and learn about organizations that have seen value across each of the five HIMSS Health IT Value STEPS™ categories: satisfaction, treatment/clinical, electronic information/data, prevention and patient education, and savings.

HIMSS Interoperability Showcase™

Tour one of our health journeys to experience a clinically accurate continuum of care that explores multiple use cases for standards-based health information exchange. **More than 100 live clinical information systems** will collaboratively demonstrate a wide breadth of innovative ways to improve patient care, clinician workflow and the bottom line for healthcare.

HIMSS Innovation Center

Visit the HIMSS Interoperability Showcase to learn more about this year-round facility and its mission to improve health and healthcare by bringing industry collaborators together to improve technology.

HIMSS[®]15

Annual Conference
& Exhibition

BOOK HOTEL AND TRAVEL EARLY FOR THE BEST DEALS!

Finalize your plans early to ensure your ideal trip and accommodations. Benefits of booking with onPeak:

- Best Rate Pledge
- Pay Delay
- No Fees
- Flexibility
- Reservation Protection
- Complimentary Guest Room Internet

Note: onPeak is the only official housing company associated with HIMSS15. Several unaffiliated hotel/travel groups have been soliciting HIMSS15 participants. Neither HIMSS nor onPeak can verify the authenticity of such companies or their representations, and will not be able to provide a resolution to issues related to such reservations.

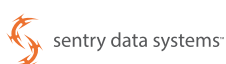

For hotel reservations

Call onPeak, the HIMSS15 official housing bureau, at 877.517.3038, or book online at www.himssconference.org/hotel for the best selection of discounted hotel rooms.

Corporate Supporters

as of February 26, 2015

HIMSS thanks the following Corporate Supporters:

*DENOTES COMPANY HAS A COMMERCIAL INTEREST. A company with a commercial interest is defined by the ANCC as any entity producing, marketing, reselling or distributing healthcare goods or services consumed by or used on patients.
