AIRLINE DISCOUNTS

Special discounted airfare is being offered for MER attendees on United Airlines (domestic flights only). All airfare reservations must be made directly with the airline. Please call MER at 800-421-3756 to get the desired MER discount code.

Please do not book airfare until registration and hotel reservations are confirmed.

Conference registrations must be accompanied by payment. We cannot confirm your course registration until payment is received.

BUSINESS DEDUCTION FOR WORK-RELATED EDUCATION

Contact your tax advisor for more details.

Cancellation Policy

If you are unable to attend and are forced to cancel or transfer your registration, a full refund is given for cancellations made within one week from the date you register for a conference. Cancellations/transfers made after one week from your registration date and prior to one week before the course start date are non-refundable; however, they may be credited toward a future MER registration minus a non-refundable \$50 fee. The credits expire one year from the date of cancellation.

If you are unable to attend the program you registered for and/or do not notify MER by one week before the course start date, your entire registration fee will be non-refundable.

Disclaimer

A portion of your room rate will be applied to offset the cost of the food and beverage served during the meeting to participants only. This includes daily breakfast and morning coffee breaks during meeting hours for registered attendees.

Disclosure of Conflicts of Interest

It is the policy of Medical Education Resources (MER) to ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. In accordance with this policy, MER identifies conflicts of interest with its instructors, content managers, and other individuals who are in a position to control the content of an activity. Conflicts are resolved by MER to ensure that all scientific research referred to, reported, or used in a CME activity conforms to the generally accepted standards of experimental design, data collection, and analysis.
