"Symposia Medicus always has an outstanding group of speakers. They are very effective communicators and do a great job covering their topics in a practical fashion. I not only learn specific facts, but also an overall way of looking at various problems."

- Earnest Ertmoed, MD

"I've been in practice for 40 years and have never attended a Symposia Medicus conference where I failed to learn something new or refresh an 'old' memory."

- Charlyn Coleman, CNM

"Symposia Medicus' speakers are so genuinely interested in their topics. Their energy makes the conference not only informative, but also fun."

- Liese K. Vito, MD

CONFERENCE DESCRIPTION

Our **20th Conference on High Risk & Critical Care Obstetrics** is designed for physicians, certified nurse midwives, nurse practitioners, physician assistants, nurses, and other healthcare professionals who face challenges in the care of the high risk pregnant patient. Increasing technological advances are changing the dynamic and challenging role of High Risk and Critical Care Obstetrics. These fields have expanded with unparalleled speed in the past few years and the care of the critically ill or injured obstetric patient must include the newest instrumentation and techniques. The goal of this conference is to provide you with the most current and vital clinical information on caring for the high risk or critically ill pregnant patient. Current data on key issues in the management and care of the high risk pregnant patient will be presented in a format and atmosphere in which treatment options will be generated to face some of these challenges.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **20th Conference on High Risk & Critical Care Obstetrics** while sharing ideas and experiences with colleagues from across the country in the beautiful city of San Francisco.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Manage respiratory failure and pulmonary edema
- Implement strategies to reduce pregnancy-related deaths
- Insure hemodynamic stability based upon an understanding of maternal and fetal physiology
- Manage the severely obese pregnant patient
- Recognize and treat hypertensive disorders in pregnancy

ACCREDITATION

This educational activity was planned and produced in accordance with the **ACCME** and **ANCC** Essentials and Standards relating to continuing medical and nursing education.

Symposia Medicus is accredited by the **Accreditation Council for Continuing Medical Education (ACCME)** to provide continuing medical education for physicians.

Symposia Medicus is accredited as a *provider* of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Each participant should only claim credit commensurate with the extent of their participation in the activity.

Certificates of credit will be given to participants on-site at the conclusion of the conference.

CONTINUING EDUCATION CREDIT

CALIFORNIA ASSEMBLY BILL 1195

California Assembly Bill 1195 requires continuing medical education activities with patient care components to include curriculum in the subjects of cultural and linguistic competency. It is the intent of the bill, which went into effect July 1, 2006, to encourage physicians and surgeons, CME providers in the State of California, and the Accreditation Council for Continuing Medical Education to meet the cultural and linguistic concerns of a diverse patient population through appropriate professional development. The planners, speakers, and authors of this Symposia Medicus activity have been encouraged to address issues relevant in their topic area. In addition, a variety of resources are available that address cultural and linguistic competency, some of which are included in your syllabus or handout materials.

EDUCATIONAL RESOURCES

Each registrant will receive an extensive conference syllabus that includes materials on each topic presented. **The full color digital syllabus will be available for download approximately two weeks prior to the conference (you'll receive an email with instructions).** If you wish to receive a paper syllabus (black and white), please check the box on the registration form in this brochure.

If you bring your tablet/laptop to the conference, be aware that there are no electrical outlets at the conference tables. **Make sure your tablet/laptop is fully charged each day.**

If you are unable to attend this conference, extra copies of this syllabus (either paper or digital copy) will be available one week after the conference. The cost is \$60 for a paper syllabus and \$25 for the digital copy. To place your order, please email publications@symposiamedicus.org.

GROUND TRANSPORTATION

Additional information regarding hotel, location, and ground transportation will be sent to registrants.
