BIOLOGICAL  
SCIENCES

## CONFERENCE CO-DIRECTORS

### **Konstantin Umanskiy, MD**

*Assistant Professor of Surgery  
Section of Colon and Rectal Surgery  
Department of Surgery*

### **Atsushi Sakuraba, MD**

*Instructor of Medicine  
Section of Gastroenterology, Hepatology  
and Nutrition  
Department of Medicine*

## GUEST FACULTY

### **Thomas E. Read, MD**

*Professor of Surgery  
Lahey Hospital and Medical Center  
Tufts University School of Medicine*

## THE UNIVERSITY OF CHICAGO FACULTY

### **Gregory Bales, MD**

*Professor of Surgery  
Section of Urology  
Department of Surgery*

### **Lisa Cannon, MD**

*Clinical Associate  
Section of Colon and Rectal Surgery  
Department of Surgery*

### **Daniel Catenacci, MD**

*Assistant Professor of Medicine  
Section of Hematology and Oncology  
Department of Medicine*

### **Russell D. Cohen, MD**

*Professor of Medicine  
Director, Inflammatory Bowel Disease Center  
Section of Gastroenterology, Hepatology  
and Nutrition  
Co-Director, Advanced IBD Fellowship Program  
Department of Medicine*

### **Sandra Culbertson, MD**

*Professor of Obstetrics and Gynecology  
Vice Chairman, Clinical Affairs  
Section of Gynecologic Oncology  
Department of Obstetrics and Gynecology*

### **Michael Guzman, MD**

*Colorectal Fellow  
Section of Colon and Rectal Surgery  
Department of Surgery*

### **Roger D. Hurst, MD**

*Professor of Surgery  
Section of Colon and Rectal Surgery  
Department of Surgery*

### **Neil Hyman, MD**

*Professor of Surgery  
Chief, Section of Colon and Rectal Surgery  
Department of Surgery*

### **Mitchell C. Posner, MD**

*Thomas D. Jones Professor of Surgery  
Chief, Section of General Surgery  
Chief, Surgical Oncology  
Department of Surgery*

### **David T. Rubin, MD**

*Joseph B. Kirsner Professor of Medicine  
Chief, Section of Gastroenterology, Hepatology  
and Nutrition  
Co-Director, Digestive Diseases Center  
Department of Medicine*

### **David H. Song, MD**

*Cynthia Chow Professor of Surgery  
Associate Dean, Continuing Medical Education  
Chief, Section of Plastic and Reconstructive  
Surgery  
Vice-Chairman, Department of Surgery*

### **Sandra Valaitis, MD**

*Professor of Obstetrics and Gynecology  
Chief, Section of Gynecology and Reconstructive  
Pelvic Surgery  
Department of Obstetrics and Gynecology*

## FACULTY DISCLOSURE

It is the policy of the University of Chicago to ensure balance, independence, objectivity, and scientific rigor in all its individually sponsored or jointly sponsored educational activities. Individuals who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Mechanisms to ensure that presentations are free from commercial bias are in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Full disclosure of this information will be published in the activity materials.

## CONFERENCE DESCRIPTION

The University of Chicago has developed this important educational activity to increase exposure, facilitate discussion, and improve our collective understanding of the latest advances in the management and treatment of colorectal diseases. The goal of this activity is designed to selectively address areas of colon and rectal practice where the innovation occurs at a rapid pace.

Our aim is to provide the latest information about diagnosis and management of benign and malignant disorders of colon and rectum, inflammatory bowel disease (IBD) and pelvic floor disorders. This goal was derived based on the thorough review of current literature in the field combined with the needs analysis of the practicing general surgeons, gastroenterologists, residents and fellows.

## LEARNING OBJECTIVES

After participating in this educational activity, attendees will be able to:

- *Describe advances in minimally invasive treatment of rectal cancer;*
- *List new genetic and therapeutic modalities in personalized treatment of colon and rectal cancer;*
- *State indication for colectomy in patients with dysplasia and IBD;*
- *Describe mechanism of action and indication for new therapeutics in IBD;*
- *Provide rationale for cylindrical abdomino-perineal resection and flap closure of the pelvic floor defect.*

Please join us for what promises to be an informative and thought-provoking symposium.

## TARGET AUDIENCE

The target audience includes General and Colon and Rectal Surgeons, Gastroenterologists, Gynecologists, Urologists, Oncologists, Nurses, Physician Assistants and trainees in these specialties.

## ACCREDITATION AND CREDIT DESIGNATION

The University of Chicago Pritzker School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Chicago Pritzker School of Medicine designates this live activity for a maximum of 4.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses and other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME, please consult your professional licensing board.

## EDUCATIONAL GRANTS/COMMERCIAL SUPPORT

A complete listing of commercial support received will be provided in the conference materials.

## CONFERENCE LOCATION

The conference will take place at the American College of Surgeons, Chicago, IL. **Discounted valet parking will be provided by the Hyatt Chicago Magnificent Mile for all registered attendees.**

### AMERICAN COLLEGE OF SURGEONS
