

14th Annual Pediatric Symposium

A Multispecialty Approach to Pediatric Care

Saturday, May 2, 2015 • 7:15 a.m.-3:30 p.m.

Marriott Miami Dadeland Hotel

Francisco Medina, M.D., FAAP, Symposium Director

Target Audience

Pediatricians, pediatric orthopedic surgeons, infectious disease pediatricians, pediatric endocrinologists, pediatric pulmonologists, neonatologists, emergency department physicians, family physicians, general internists, psychologists, nurses, respiratory therapists, pharmacists, registered dietitians and other interested healthcare practitioners.

Symposium Overview

This symposium will focus on the medical management of common and important challenges facing health professionals who care for pediatric and adolescent patients. The multispecialty education approach allows participants to explore new diagnoses and treatment options for various areas of pediatric patient care in a concise symposium format.

Registration Fee

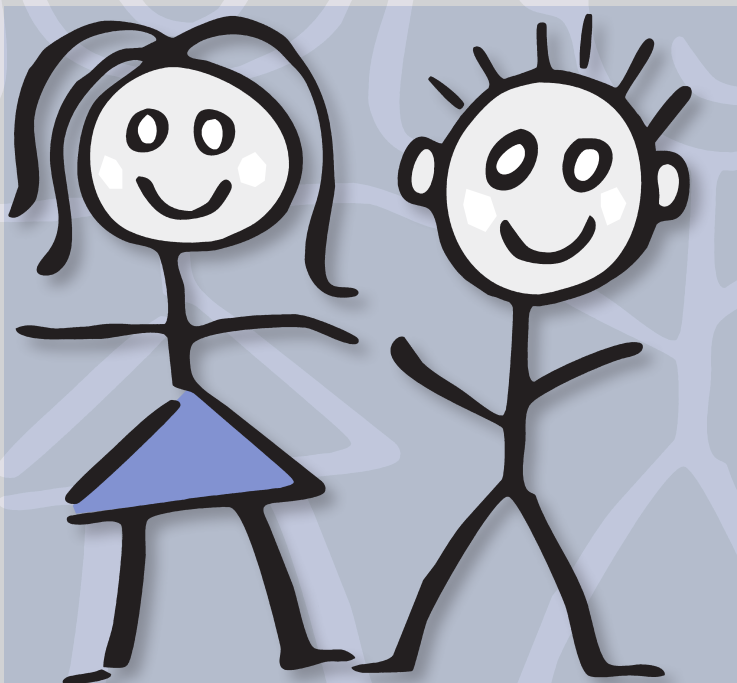

Physicians: \$95 • Physicians in Training/Residents *:\$55

Other Healthcare Professionals: \$55

Baptist Health Employees: \$35

**Registration must be accompanied by a letter from the fellowship/residency director.*
