RANZCP 2015 CONGRESS

Brisbane Convention and Exhibition Centre
3-7 May 2015

www.ranzcp2015.com

With the theme of “Measurers + Thinkers, Psychiatry as Science and Art” the 2015 Congress will focus on the excitement of advances in scientific understanding in our field balanced against the individual experiences of the human beings who are our patients and partners in care.

Positive and forward-thinking, generous and optimistic, Brisbane is Australia's new world city and a fitting place for a Congress that will provide for a significant education and networking opportunity for all delegates.
