Three Keynote Addresses

Thursday May 7th, 2015, 7:30am - 8:30am Holly Kowalczk RRT

Changing Behaviors in Patients through Motivational Interviewing

Holly Kowalczk is a recognized leader throughout Ohio and Michigan in the area of motivational interviewing. She graduated from the University of Toledo with a Bachelor of Science degree in 1997, is a Registered Respiratory Therapist and Licensed Respiratory Care Practitioner in Ohio. In 2005, she was credentialed as a Certified Tobacco Treatment Specialist by the Mayo Clinic College of Medicine. With over 26 years of experience in individual, group, and youth tobacco addiction treatment, Ms. Kowalczk uses Motivational Interviewing extensively in assessment and treatment of her clients. She is a regional leader in providing medical education to physicians, nurses, addictions counselors, respiratory therapists, administrators, and school drug and alcohol counselors using the techniques motivational interviewing, evidence-based tobacco treatment, and tobacco control.

Sleep in the Hospitalized Patient

***Robyn Woidtke RN
RPSGT, CCSH***

Robyn is a registered nurse and a registered polysomnographic sleep technologist and has received her credential in Clinical Sleep Health. She is also certified as a Chronic Care Professional (CCP) Health Coach. Robyn has enjoyed a varied career in sleep medicine and in the medical device industry combining research and education, primarily on sleep related products and topics. Robyn has authored numerous publications and is a frequent speaker at national and local sleep medicine meetings. She holds a BSHS in Clinical Research Administration from The George Washington University and a Masters-Ed in Nursing from Walden University. She believes that sleep health should be promoted and advanced through all medical specialties and the in-patient environment. She is a principal at *Sleep for Nurses*, an educational endeavor and *Sleep Apnea Risk Associates*, a risk management strategy company.

Friday May 8th, 2015, 3:50pm - 5:20pm William French MA, RRT

Finding the Humanity in Healthcare

William French MS RRT, is a veteran respiratory therapist of over 40 years. He is a Professor and the Clinical Director of the Lakeland Community College Respiratory Care program in Kirtland, Ohio, positions he has held since 1980. William received his MA Degree from Ohio State University in 1975 and a Respiratory Diploma from the University of Chicago in 1976. In addition to teaching, he has over 30 years of experience in over 20 different clinical venues, ranging from acute care hospitals, to post-acute facilities, to home care, to annual summer asthma camp.

He has presented and/or facilitated programs in asthma education, smoking cessation, career mobility, and teaching improvement and has been a speaker and abstract presenter at the AARC Congress. William is also the author of multiple publications ranging from scientific articles to poetry. He is the author of *Case Profiles in Respiratory Care* and *Breath of Life: Stories and Poems from the Front Lines of Health Care*. For the past decade or so, he has championed the cause of integrating elements of the humanities into health care, teaching about those elements to health care providers nationwide.

Focus's Comedy Show

Thursday May 7th 8:15pm - 10:15pm

Two hours of hilarity by some of the country's top comedians will have you in stitches!!

Rene' Bray

Rene' Bray has appeared on Geraldo, Montel Williams, Jenny Jones, Rolando, and ABC's 20/20. She has opened for recording artists; Little Texas, Billy Ray Cyrus, Steppenwolf, KC and the Sunshine Band, The Redhot Chili Peppers, REO Speedwagon, Air Supply, Barry White and Taylor Dane. She emcees regularly for The Chippendale Dancers and the Suncoast Calendar Men. Rene has headlined at over 500 comedy clubs in the US, Canada, and Caribbean Islands and was the first comedian to perform at Guantanamo Bay Cuba. FOCUS featured her last year at our conference and she brought down the house as our headliner – so much so, that over 100 FOCUS attendees came up to conference chairman Bob Miglino to find out more about her and get her website address. It was a no-brainer then, to have her back and we were lucky that she was available to join us once again. You'll love Rene as much as we do !

The fabulous Rahn Hortman, credits his 5th grade teacher as the first to nurture his natural urge to make people laugh. Impressed by Rahn's grades, but frustrated by his classroom distractions, his teacher finally granted him the last 15 minutes of each day's class to do "his show". Rahn has a unique blend of light profanity and free banter with the audience with pointed observations about everyday people that leaves no one safe. He's become a crowd favorite bringing home the title in the TV Comedy Challenge, the nationally syndicated Cowhead Competition, and becoming a Finalist in Florida's Funniest Comedian contest in 2013. Rahn's other credits include: MavTV, Nickelodeon, the Laugh Fest Comedy Festival, the South Beach Comedy Festival, Comedy Time TV, and NickMom Night Out. We'll all be enjoying Rahn at the FOCUS 2015 conference - so don't miss it !

Rahn Hortman

Helen Keaney

Helen Keaney began her career in New York City at The Boston Comedy Club and The Comic Strip. She then landed a job co-hosting "Short Attention Span Theater" on Comedy Central. Michael Davies ("Who Wants to be a Millionaire"), cast her as co-host of "The Big Day," based on the British show "The Big Breakfast." Helen has also landed guest spots on NBC's "The John Larroquette Show," HBO's "Not Necessarily the News" with Dennis Miller, and USA's "Lost on Earth." She did the voice for the spunky female lead on the popular game "Pandemonium" and her stand-up appearances include A&E's "An Evening at the Improv," Lifetime's "Girl's Night Out," VH-1's "Stand-up Spotlight," NBC's "Friday Night," and Comedy Central's "Make Me Laugh." Helen has appeared in commercials for such wonderful products as Clorox, Tylenol, Gateway, Degree Deodorant, Dr. Scholls, Starkist, Thermacare, and Verizon.

Recent television hosting gigs include TBS's "Movies For Guys Who Like Movies," GSN's "Lover's Lounge", Discovery Health's "Sex Drive", Style Network's "You're Invited" and she can currently be seen in the Feature film Tooth Fairy 2 with Larry and Cable Guy and on Nick Mom Night out.

Wednesday May 6, 2015 8:30am - 5:30pm

**New for
2015**

Fee: \$295.00 8 CRCEs for RTs and 8 Nursing Hours

You have the potential to make an impact on lives affected by asthma; but did you know that there are billing codes for "Asthma Educator, Non-Physician Provider" used by many insurers? Educational policies and insurance companies often require that asthma education be given by a Certified Asthma Educator (AE-C). With this in mind, FOCUS and the Association of Asthma Educators is providing an intensive 1-day Review

**Wendy Brown Pharm.D,
AE-C, PA-C.**

Course that provides health professionals with the knowledge needed to take and pass the National Asthma Educator Certification Exam (NAECB) which bestows the credential of a Certified Asthma Educator (AE-C). Course topics in this review also qualify for CEUs for **currently** certified Asthma Educators looking to simply re-certify themselves

8 hours of continuing education credits are available for Respiratory Therapists, Nurses, Pharmacists, Physician Assistants, and Nurse Practitioners regardless of desire for certification. The course uses didactic, demonstration and problem-based case study teaching methods presented by two renowned asthma educators Dr. Wendy Brown Pharm.D, AE-C, PA-C and Dr. Catherine Kier MD FAAP FCCP AE-C

**Catherine Kier MD, AE-C
FAAP, FCCP**

Dr. Wendy Brown is an Associate Professor in Pharmacy Practice at North Dakota University. She has been a Certified Asthma Educator since 2003 and today, she provides care to patients with allergies and asthma.

Dr. Catherine Kier is the current president of the Association of Asthma Educators and is an Associate Professor of Pediatrics at the State University of New York (Stony Brook) School of Medicine.

The fee for this program includes all materials, continental breakfast and an afternoon refreshment break.

The BRPT is pleased to offer its Clinical Sleep Educator Certificate Program at FOCUS 2015. This intense one-day program, presented by nationally renowned speakers, focuses on obstructive sleep apnea (OSA) syndrome and other common sleep disorders, their treatments, comorbidities, and communication to empower healthcare professionals to educate, coach and provide resources to patients, their families, and the community.

At the end of the program, attendees will be prepared to take a post-test to earn the Clinical Sleep Educator (CSE) Certificate. While the certificate is not a credential, obtaining it does open an avenue to pursue BRPT's new Certification in Clinical Sleep Health (CCSH) credential for healthcare providers who work directly with sleep medicine patients. Attendees receive an electronic version of the presentation slides along with a CSE tool kit filled with guides, articles, fact sheets, questionnaires, and other important resources.

Saturday afternoon in plenty of time for Mother's Day*

Happy Mother's Day

Orlando & Disney World

Orlando welcomes more visitors than any other place in the state. The reason is Disney World, which, along with Universal Studios and SeaWorld attracts millions of people a year. Spend a day or two exploring the Disney theme parks, giggling with the dolphins at SeaWorld, or screaming your head off on a Universal Studios roller coaster. Whether it's a trip for families, couples or singles, Orlando offers unique experiences for every visitor. **And.....Focus attendees can write off most of the expenses of their trip since they are visiting to attend a medical conference directly related to their profession. Seize the opportunity !!** Reserve your room at Disney's Coronado Springs Resort, the headquarters hotel of the conference where everything takes place. You'll enjoy the 3.5-star luxury of this resort for only \$149/night.

Disney's Coronado Resort

Our special \$149/night rate **includes** transportation for you and your family from the Orlando Airport, unlimited local calls, the resort's fitness center and pools and free transportation to the parks. As a resort guest, Focus attendees also enjoy discounted park tickets and extended park hours. The hotel is also allowing up to quad occupancy for this same \$149/night. Call 407-939-1020 to make your reservations. Tell the agent you are attending "The Focus Conference". You can also have this special rate of \$149/night for the 3 nights preceding and following the conference although supply of rooms is limited. Focus will maintain a roommate bulletin board on its website www.Foocus.com/roommates.php. Visit this site to see a list of people looking to share a room and save even more money.

Travel

BY CAR - Save money by driving to the conference. Self-Park your car at the Coronado Springs Resort at no charge.

The GPS Address of Disney's Coronado Springs Resort is: 1000 West Buena Vista Drive, Lake Buena Vista, Florida 32830

BY AIR - Below is a list of airlines that fly into Orlando. The ones printed in red are offering a discount to Focus attendees. To obtain the best rates shop around and most importantly, reserve your tickets early.
