INSTITUTE FOR ADVANCED
MEDICAL EDUCATION

The USRA Skills Course

The USRA Skills Course is an outgrowth of IAME's twenty-three year experience as a provider of imaging-based training. Whether you are new to regional anesthesia, new to ultrasound guidance or are looking for a solid refresher, you can be assured of leaving **The USRA Skills Course** with practical knowledge and abilities that will benefit your practice for years to come.

Educational Objectives

After attending the course you will:

- Understand the principles of ultrasound imaging
- Define the common steps in performing an ultrasound-guided nerve block
- Understand the basics of ultrasound-guided continuous perineural catheters, including indications and proper technique
- Integrate ultrasound-guided nerve blocks into your clinical practice
- Understand the important role of an ambulatory catheter program, including the risks and benefits, and the key steps involved in organization
- Achieve improved patient outcomes through the successful adoption of regional anesthesia practice

Target Audience

- Anesthesiologists
- Pain Management Specialists
- CRNAs

Faculty

David Auyong, MD

Medical Director
Pre-Anesthesia Assessment Clinic
Department of Anesthesiology
Virginia Mason Medical Center
Seattle, WA

Medical Director and Director of Anesthesia
Andrews Institute ASC
Gulf Breeze, FL

J. Brandon Winchester, MD

Regional Anesthesia Fellowship Director
Andrews Research & Education Institute
Gulf Breeze, FL

Receive personalized instructions from our all-physician workshop faculty
(includes lecture faculty and additional workshop instructors)

Accreditation

The Institute for Advanced Medical Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The Institute for Advanced Medical Education designates this live activity for a maximum of 13* *AMA PRA Category 1 Credits*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Each participant will be awarded a Certificate of Attendance showing Category 1 credits earned in the course. Many attendees will find this useful for submission to credentialing boards, managed care organizations and accreditation bodies.

Certified Registered Nurse Anesthetists (CRNAs) may submit their CME award through the Nonprior Approval Process to earn CE credits through the AANA.

The USRA Skills Course is qualified for inclusion in the UGRA Learning Portfolio
