

6th Annual Trauma Registry Conference: Get Ready for Changes and New Challenges
May 13, 2015
University of Massachusetts Medical School
Faculty Conference Room
55 Lake Ave North
Worcester, MA 01655

Program Overview: This program will be a dynamic and interactive exchange among interested professionals that deal with trauma registry issues on a daily basis. It is meant to fill a gap in knowledge and experience that primarily comes from working in regions and centers to compare experiences, backgrounds and best practices.

Target Audience: Trauma registry staff, EMS coordinators, Municipal and State Trauma Program Managers

Agenda

8:00-8:25 am	Registration
8:25 am	Welcome/Introduction
8:30-9:30 am	It's Going to be Alright: Head & Pelvic Injury Coding This session will provide an opportunity to focus on two of the most common body regions injured by trauma. This will be an interactive session with PowerPoint slides, hands-on blinded charts for review, coding of injuries utilizing participant provided AIS dictionary 2005(2008 update version) and group discussion. Kathy J. Cookman, BS, CSTR, CAISS Owner/Trauma Consultant KJ Trauma Consulting, LLC
9:30-10:30	Benchmarking: Identifying and Implementing Best or Better Practices This session will review differences in two common types of benchmarking TQIP(Trauma Quality Improvement Program) and UHC(University HealthSystem Consortium) Yvonne Michaud, RN, MSN Trauma Program Manager Brigham & Women's Hospital
10:30-10:45	Break
10:45-11:15	ACS Orange Book Changes: Ready or Not This session will review changes in the American College of Surgeons "Resources for the optimal Care of the Injured Patient" book and how these changes may impact your trauma center. Christopher DePesa, RN, MS Trauma Nurse Coordinator Massachusetts General Hospital
11:15-12:15	Lunch / Networking
12:15-1:15	Troublesome Trauma Cases: A Logical Approach to Abstracting/Coding/Scoring This session will focus on blinded charts that are generally considered to be difficult or challenging for trauma data abstraction, coding and scoring. Kathy J. Cookman, BS, CSTR, CAISS Owner/Trauma Consultant KJ Trauma Consulting, LLC
1:15-2:00	EMR/EPIC: Progress and Peril This session will focus on the impact of the electronic medical record on a trauma center and implications to data collection and care. Joe Blansfield, NP Trauma & Acute Care Surgery Program Manager Boston Medical Center Julie Ontengo, NP-C, EMT-P Trauma Nurse Practitioner & Interim Trauma Program Manager Maine Medical Center
2:00-2:45	Registry Jeopardy – Q & A Session (Audience Response System)
