The Masters Practice Growth Program (MPGP)

Designed to ensure practice transformation and long term, high quality sustained practice

This 2 Day Course Includes:

- Interactive presentations and discussions with Dr. Paul Fugazzotto, Mr. Gino Desimone and Ms. Sara McElroy
- One on one discussions and consultations with all faculty members
- Breakout sessions for your staff and yourself
- Interactive workshops

Your Commitment

- Provide detailed, in-depth Practice data prior to the first meeting. This data will be presented to the group in a pooled manner, as well as anonymous case studies
- Ensure all of your staff members answer the necessary online questionnaires
- Read a short book and other materials prior to the course
- You must be willing to speak openly about challenges and concerns you face
- Formulate and act upon action points designed specifically for your practice
- You must commit to both the 2 day course, as well as 3 and 6 month follow up webinars, during which we offer further guidance

Our Commitment

- We send you detailed requests for Practice data 60 days before the course
- We send questionnaires to all of your staff members 60 days before the course
- We send you, upon registration and up to 60 days before the course, materials which you must read before the course
- We send you materials your staff member(s) must read before the course
- We provide you with a detailed written Practice Growth Program, modified as necessary to meet any unique challenges you may face
- We help you formulate action items and specific plans to carry out these action items
- We host webinars open only to course attendees at 3 months and 6 months after course completion, to assess your progress
- Each participant will leave the course with a written, customized MPGP Project Plan, full of objectives, strategies, tactics and activities based upon SMART goals
