

The Oligo Meeting

October 11-14, 2015

Leiden, the Netherlands

11th Annual Meeting of the Oligonucleotide Therapeutics Society

Join leading experts in the field at the OTS Annual Meeting which will feature the latest developments from the various oligonucleotide-based disciplines.

We Invite Abstract Submissions on:

- RNAi
- Immunomodulation
- Aptamers
- Splicing modulation
- RNase H-mediated knockdown
- Genome editing
- Delivery
- Chemistry
- Safety

Scientific Organizing Committee

Chair

Annemieke Aartsma-Rus, PhD, *Leiden University Medical Center*

Committee Members

Bob Brown, PhD, *Dicerna Pharmaceuticals*
 David Corey, PhD, *UT Southwestern Medical Center*
 Nicole Datson, PhD, *Prosensa*
 Mike Gait, PhD, *MRC Laboratory*
 Veit Hornung, MD, *University Hospital Bonn*
 Arthur Krieg, MD, *Checkmate Pharmaceuticals*

Marc Lemaitre, PhD, *ML_Consum*
 Arthur Levin, PhD, *Avidity NanoMedicines*
 Rachel Meyers, PhD, *Alnylam Pharmaceuticals*
 Brett Monia, PhD, *Isis Pharmaceuticals, Inc.*
 Frank Rigo, PhD, *Isis Pharmaceuticals, Inc.*
 Jonathan K. Watts, PhD, *University of Southampton*

The OTS offers scholarships, awards and travel grants annually.
