1:30 PM	Adjourn

Who Should Attend:

- Nephrologists • Primary Care Physicians
- Allied Health Professionals

Learning Objectives:

Upon completion of this activity, participants should be able to:

- Identify state of the art in Kidney Transplantation and its effects on donor/recipient pairs.
- Define the recommendations and controversies regarding JNC-8 guidelines for the treatment & management of patients with hypertension.
- Classify the diagnosis and initial management of Nephrolithiasis.
- Describe the pathogenesis, clinical and laboratory manifestations, and management of HIV Nephropathy.
- Explain the physiology and pathophysiology of the Renin-Angiotensin – Aldosterone System (RAAS) in Diabetes and Hypertension.
- Interpret the key components of the RAAS involved in the pathogenesis of Hypertension and of Diabetic Nephropathy. Describe accepted and emerging therapies potentially useful in the treatment of these disorders.
- Categorize the key features of Mineral Bone Disorder in response to Chronic Kidney Disease stages 3-5, the pathogenesis and current approaches to management of these patients.

Services for persons with disabilities: Individuals with disabilities requiring special accommodations should contact the CME Office at (352) 733-0064, a minimum of ten days prior to the program so that proper consideration may be given to the request. *Special dietary requests must be submitted in advance also.

Refund Policy: Written refund requests must be received prior to May 29, 2015. A partial refund, less a \$25 administrative charge, will be issued following the meeting. Substitutions are allowed with advance notice. No refunds will be given after the May 29, 2015 deadline.

Program Director:

Ronald L. Mars, MD

Associate Professor of Medicine

University of Florida College of Medicine, Jacksonville, FL.

Physician Credit

Accreditation:

The University of Florida College of Medicine is accredited by the Accreditation Council of Continuing Medical Education to provide continuing medical education for physicians.

Credit:

The University of Florida College of Medicine designates this live activity for a maximum of *3.75 AMA PRA Category 1 Credits™*. Physicians should only claim those credits commensurate with the extent of their participation in the activity.

Nursing Credit:

Suwannee River Area Health Education Center, Inc. is a Florida Board of Nursing approved provider of continuing education. CE Broker Provider ID #50-1922. This program meets the requirements for up to 3.5 contact hours.

Registration:

\$30 for Physicians; \$15 for Allied Health Professionals and no registration fee for residents/fellows with letter from academic department confirming status. Early registration is recommended as space is limited. The program includes a light breakfast, refreshment break, luncheon and course materials.
