

PROMs Summit 2015

Call for Abstracts

Tuesday 1st December 2015

Colmore Gate Conference Centre, Birmingham

Healthcare Conferences UK in association with Mr Bibhas Roy, PROMs2.0 Lead are pleased to announce the PROMs Summit 2015. We are opening part of the 2015 conference to abstracts; which we will assess for inclusion in the conference programme as an oral presentation or poster display.

The event has been developed following feedback from previous years and also our smaller specialty events, and is for all those with an interest in PROMs. At the 2014 event we ran streams on:

- A beginners guide to PROMs
- Demonstrating improvement through PROMs
- Commissioning on the basis of PROMs results
- Risk and Information Governance
- PREMs
- Specialty focus on Long Term Conditions, Muskuloskeletal and Surgical

Details of the two types of presentation are below:

Oral presentation:

Abstracts selected for oral presentation in one of the specialty streams or practical workshops. Each presenter will be allocated between 10-25 minute session followed by question and answers in the most suitable sector of the conference programme. If your abstract is selected for an oral presentation, the senior author will be invited to present and will receive a 50% discount from the conference fee.

Poster Display:

Poster presentations are visual displays of material, which will be displayed in the exhibition area throughout the conference. If your presentation is selected for a poster display, the senior author must be in attendance at the conference for the poster to be displayed. If your abstract is selected for poster presentation, the senior author will be invited to attend and will receive a 25% discount from the conference fee.

If your abstract is selected for either presentation, it will be included in the conference handbook.

There will be a prize presentation for the best abstract/poster/presentation.

All abstracts should be emailed to clare@hc-uk.org.uk using the submission form attached. Abstract guidelines are located on page 2. The deadline for submission of abstracts is **Friday 29th May 2015** (we cannot accept any abstracts after this date).

If you have any questions, please email clare@hc-uk.org.uk
