CONFERENCE DESCRIPTION

Our **22nd Annual Summer Conference on Obstetrics & Gynecology** has been designed for physicians, certified nurse midwives, nurse practitioners, physician assistants, nurses, and other healthcare professionals who face ever-increasing challenges in the clinical diagnoses, treatment options, and new technologies involved in caring for the female patient. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **22nd Annual Summer Conference on Obstetrics & Gynecology** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of the Napa Valley.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Develop strategies for working with pregnancies complicated by obesity
- Identify various treatment modalities for ovarian cysts
- Manage postpartum hemorrhage
- Implement strategies for reducing maternal death
- Recognize the cultural factors which may prevent an individual from seeking Western medicine treatments

ACCREDITATION

This educational activity was planned and produced in accordance with the **ACCME** and **ANCC** Essentials and Standards relating to continuing medical and nursing education.

Symposia Medicus is accredited by the **Accreditation Council for Continuing Medical Education (ACCME)** to provide continuing medical education for physicians.

Symposia Medicus is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Each participant should only claim credit commensurate with the extent of their participation in the activity.

Certificates of credit will be given to participants on-site at the conclusion of the conference.

CONTINUING EDUCATION CREDIT

These breakout sessions are organized to provide an opportunity for **greater participant/faculty interaction**, and will give you an opportunity to participate in discussions on subjects relating to your particular area of interest. **Please indicate your breakout session topic choice on the conference registration form in this brochure.** Space is limited so please reserve early.

CALIFORNIA ASSEMBLY BILL 1195

California Assembly Bill 1195 requires continuing medical education activities with patient cared components to include curriculum in the subjects of cultural and linguistic competency. It is the intent of the bill, which went into effect July 1, 2006, to encourage physicians and surgeons, CME providers in the State of California, and the Accreditation Council for Continuing Medical Education to meet the cultural and linguistic concerns of a diverse patient population through appropriate professional development. The planners, speakers, and authors of this Symposia Medicus activity have been encouraged to address issues relevant in their topic area. In addition, a variety of resources are available that address cultural and linguistic competency, some of which are included in your syllabus or handout materials.

EDUCATIONAL RESOURCES

Each registrant will receive an extensive conference syllabus that includes materials on each topic presented. **The full color digital syllabus will be available for download approximately two weeks prior to the conference (you'll receive an email with instructions).** If you wish to receive a paper syllabus (black and white), please check the box on the registration form in this brochure.

If you bring your tablet/laptop to the conference, be aware that there are no electrical outlets at the conference tables. **Make sure your tablet/laptop is fully charged each day.**

If you are unable to attend this conference, extra copies of this syllabus (either paper or digital copy) will be available one week after the conference. The cost is \$60 for a paper syllabus and \$25 for the digital copy. To place your order, please email publications@symposiamedicus.org.

GROUP TOURS / GROUND TRANSPORTATION

Tours are planned for participants and guests throughout the conference breaks. Additional information regarding activities, hotel, location, and ground transportation will be sent to registrants.

CONFERENCE LOCATION

California's wine country offers scenic countryside, great wines and superb restaurants. **With over 450 wineries offering a variety of wines for all tastes, it's no wonder that the Napa Valley is considered the heart of the American wine industry.** Located approximately 50 miles north of San Francisco, there is much more to Napa than just its grapes! **Enjoy hot-air ballooning, horseback riding, mountain biking or challenging golf.** Find incredible discounts on your favorite brand-names at the Napa Premium Outlets or visit Old Town for more unique shopping. Visit the recently restored Napa Valley Opera House for headliners from Jazz to Country music. It might be wine that comes to mind when thinking of the Napa Valley, but with world-renowned restaurants, such as *The French Laundry*, it's the food that will keep you occupied while there.

With so much to do, you'll find that fine wine is only a part of this abundant valley. If the Napa Valley isn't enough to keep your interest, San Francisco, with Fisherman's Wharf, Chinatown and famous cable cars, is just an hour away; or the kid inside you will love the excitement of Six Flags Amusement Park located just 20 minutes away.

The **Napa Valley Marriott Hotel & Spa** combines modern convenience with traditional comfort. Exercise at the state-of-the-art fitness center, or enjoy "The Spa," one of the best full-service spas in the Napa Valley. Enjoy the cuisine at VINEleven, the hotel's indoor/outdoor restaurant and bar, specializing in small and shared plates, and featuring an amazing list of Napa Valley's finest wines.

Whatever your pleasure, you are sure to find it at our **22nd Annual Summer Conference on Obstetrics & Gynecology** in Napa, California!

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available 6-8 months prior to the conference.
