11th ANNUAL COASTAL DERMATOLOGY SYMPOSIUM

PROGRAM OVERVIEW

The **11th Annual Coastal Dermatology Symposium** features an educational program with internationally-known faculty who will provide the latest updates in medical dermatology and the diagnosis and treatment of various dermatologic conditions.

The Symposium will be held at the Silverado Hotel, Napa, California, September 23-26, 2015. A special conference rate starting at \$229 per night (plus tax and service charges) has been secured at the Silverado for participants of the Symposium.

Register by June 30, 2015 and save \$70 off the regular registration fee.

We look forward to seeing you in Napa in September.

WHO SHOULD ATTEND

Dermatologists, dermatology residents, allergists, family practitioners, physician assistants, nurse practitioners, nurses, and other healthcare professionals who treat diseases of the skin.

LEARNING OBJECTIVES

At the conclusion of this live activity, participants should be better able to:

- Apply the most current treatments for common skin diseases
- Identify potential adverse effects and levels of efficacy of newer dermatologic treatments
- Evaluate the role of available and emerging biologics agents in treating psoriasis and how to incorporate them into practice
- Incorporate new approaches for managing acne, rosacea, contact dermatitis and eczema
- Analyze new and emerging treatments for the management of tinea and onychomycosis
- Formulate a plan to manage common and difficult skin diseases and gain insight from leading dermatologists
- Discuss approaches to treating pediatric inflammatory skin disease
