Course Description

It is often said that the “common things occur most commonly” and no where is this not more true than in primary care. This four-day symposium will provide the participant with an update on common problems seen in primary care related to preventive medicine, rheumatology, internal medicine, and women’s health.

A distinguished UCLA faculty group will discuss a variety of topics including hypertension, diabetes, contraception, depression, coronary heart disease, and common rheumatologic disorders.

Target Audience

Family physicians, general practitioners, internists, nurse practitioners and physician assistants.

Course Objectives

Following completion of this program, the participant should be able to:

- Diagnose thyroid disorders, liver disorders and rheumatologic disorders
- Manage common problems seen in primary care including diabetes, abnormal liver tests, heart failure, osteoporosis, and depression
- Implement preventive care measures including cholesterol management, contraception, and hypertension

Kauai is Hawaii's fourth largest island and is sometimes called the "Garden Isle," which is an entirely accurate description. The oldest and northernmost island in the Hawaiian chain is draped in emerald valleys, sharp mountain spires and jagged cliffs, aged by time and the elements. Centuries of growth have formed tropical rainforests, forking rivers and cascading waterfalls. Some parts of Kauai are only accessible by sea or air, revealing views beyond your imagination.

Beyond Kauai's dramatic beauty, the island is home to a variety of outdoor activities. Kayak the Wailua River. Snorkel on Poipu Beach.

Hike the trails of Kokee State Park. Even go ziplining above Kauai's lush valleys. But it is the island's laid-back atmosphere and rich culture found in its small towns and along its one-lane bridges that make it truly timeless. Make your escape to Kauai and discover the undeniable allure of Kauai.

Accommodations

A block of rooms has been reserved at the Kaua'i Marriott Resort for conference participants at a special conference rate of \$245.00 plus tax per night for single/double occupancy. A full hot breakfast buffet for up to 2 occupants is included in the guestroom rate. The rates will be offered for three days prior and three days after the meeting dates, subject to availability. There is an additional discounted resort fee of \$10.00 plus tax per room, per night and it includes self-parking and guestroom internet. Confirmation of reservations received after **September 25, 2018** is subject to availability.

For reservations, please call 1-877-622-3140 or 1-800-220-2925 and mention the UCLA David Geffen School of Medicine Primary Care Conference when calling in your reservations. You may also visit their website: <https://book.passkey.com/e/49638376>.

Disclosure Statement

The FDA has issued a concept paper which classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is "truly independent" and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced, and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program's participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the provider adequately manages all identified potential conflicts of interest prior to the program. We, at UCLA fully endorse the letter and spirit of these concepts.
