18TH ANNUAL SOUTHWEST NEPHROLOGY CONFERENCE 5TH ANNUAL CARDIO RENAL METABOLIC CONFERENCE

COURSE LEARNING OBJECTIVES:

2017 Southwest Nephrology Conference: Precision Medicine – Improving Outcomes Through Individual Care

Upon completion of this activity, participants should be able to: 1) Discuss advancements in kidney care via the national precision medicine initiative and real world evidence in pragmatic trials. 2) Discuss varied approaches to diagnosis of GFR. 3) Explain patient centric care and disease management. 4) Discuss reproductive health for both pre- and post-transplant patients 5) Discuss depression screening outcomes to clinical practice. 6) Discuss effective nutritional supplementation for dialysis patients as well as potassium management for ESRD patients. 7) Identify Motivational Interview to improve patient outcomes. 8) Discuss best practices for successful home therapy. 9) Discuss elderly care and diabetes management in CKD patients. 10) Discuss predictive modeling ethic. 11) State challenges and therapeutic promises for CKD patients with Hepatitis C. 12) Discuss tools for patient engagement. 13) Explain application for patient activation measures. 14) Discuss updated standards for potassium control. 15) Address post-transplant diabetes prediction and prevention. 16) Discuss plant base diets for ESRD patient care. 17) Discuss Hispanic Outreach in Kidney Transplantation. 18) Describe best practices in nutrition during the first 120 days of dialysis. 19) Discuss patient self-determination ethics. 20) State natural remedy options for CKD patients. 21) Describe terminating care standard in practice.

2017 Cardio Renal Metabolic Conference: Upon completion, participants should be able to: (1) Discuss the benefits of introducing hand-held ultrasound to nephrology practice and ESRD clinic. (2) Identify the principles and uses of bioimpedance devices for fluid assessment. (3) Discuss possible outcomes improvement for ESRD patients associated with heart monitoring in the clinic and at home.

CONTINUING EDUCATION CREDIT FOR THE TWO DAY CONFERENCE:

Physicians and Physicians in Training:

Accreditation Statement:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint provider ship of SynAptiv, the National Kidney Foundation of Arizona and the Cardio Renal Society of America. SynAptiv is accredited by the ACCME to provide continuing medical education for physicians.

Designation Statement

SynAptiv designates this live activity for a maximum of 12 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This live activity, 18th Annual Southwest Nephrology Conference & 5th Annual Cardio Renal Metabolic Conference, with a beginning date of October 6, 2017, has been reviewed and is acceptable for up to 12.00 Prescribed credits by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Advanced Practitioners: A certificate of attendance will be provided to nurse practitioners and physician assistants at the end of the conference for use in documenting their contact hours of continuing education at this conference.

Nurses and Patient Care Technicians: The National Kidney Foundation of Arizona is approved as a Continuing Education Provider by the State of California Board of Registered Nursing, Provider Number CEP 14523. NKF AZ designates this live activity for a maximum of 12 contact hours. Participants should only claim credit commensurate with the extent of their participation in the activity.

18TH ANNUAL SOUTHWEST NEPHROLOGY CONFERENCE 5TH ANNUAL CARDIO RENAL METABOLIC CONFERENCE

CELEBRATING 18 YEARS OF HIGH QUALITY CONTINUING MEDICAL EDUCATION

National
Kidney
Foundation™

of
Arizona

Positively influencing the quality of life and survival of CKD and dialysis patients is at the heart of The Southwest Nephrology Conference. Conference themes focus on optimizing patient outcomes through demonstrated best practices that apply to a multidisciplinary audience. We engage physicians and allied health from every discipline, encourage collaborative care techniques and always include the patients' perspective.

AMERICANS WITH DISABILITY ACT STATEMENT (ADA)

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter by contacting Charles Paltzer at (855)712-5084 or via e-mail at cpaltzer@cardiorenalsociety.org. Requests should be made as early as possible to allow time to arrange the accommodation.

TARGET AUDIENCE

This activity has been designed to meet the educational needs of physicians and allied health involved in the care of patients with CKD, ESRD, heart disease, diabetes, metabolic syndromes and cardiorenal syndrome.
