COURSE DESCRIPTION

The interactive format includes didactic lectures, case-based discussions, and bioskills lab training, which highlight the latest technologies and trends in orthopaedic trauma. Distinguished faculty members will share their knowledge and expertise on a wide variety of relevant topics related to both upper extremity and lower extremity trauma.

COURSE OBJECTIVES

On completion of this course, learners will be able to:

- Discuss emerging techniques in upper and lower extremities and compare to current treatment options
- Apply new concepts for treatment of foot and ankle fractures
- Understand femoral neck and intertrochanteric fractures
- Evaluate and apply new concepts for treatment in orthobiologics and infection

TARGET AUDIENCE

Orthopaedic surgeons and other healthcare professionals whose scope of practice includes orthopaedic trauma.

ACCREDITATION

Foundation for Orthopaedic Research and Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

FORE designates this live activity for a maximum of **20.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISABILITIES

Please notify the Continuing Medical Education Office, 4115 W. Spruce Street, Tampa, FL 33607, or call 813-877-8096 a minimum of 10 working days in advance of the event if a reasonable accommodation for a disability is needed. Events, activities, and facilities of Foundation for Orthopaedic Research and Education are available without regard to race, color, sex, national origin, disability, age, or veteran status as provided by the law and in accordance with FORE's respect for personal dignity.

REFUND POLICY

Cancellation notification must be submitted in writing to CME@FOREonline.org and received by the close of business on Tuesday, October 16, 2018. A cancellation fee of \$50 will be assessed. Cancellations received after Tuesday, October 16, 2018, will not receive a refund. No-shows will not receive a refund.

FORE reserves the right to cancel this program due to unforeseen circumstances, in which case a full refund of registration fees will be given to participants. FORE will not be responsible for travel expenses incurred by the participant in the unlikely event that the program is cancelled.

David Watson, MD

9:00 AM Lisfrancs: To Fix or to Fuse? And Does it Matter?

John Ketz, MD

9:10 AM Group Discussion with Audience Q&A

Faculty/Audience

9:30 AM Coffee Break with Exhibitors

Session II: Distal Femur Fractures

Moderator: Roy Sanders, MD

10:00 AM Should You Nail or Plate Acute Fractures?

William Ricci, MD

10:10 AM Fractures Above a Total Knee: Why a Nail Is the Solution

Roy Sanders, MD

10:20 AM Fractures Above a Total Knee: Why Plates Are the Solution

Joseph Borrelli, MD

10:30 AM Interprosthetic Fractures: What Do I Do?

Frank Liporace, MD

Session III: Tibial Fractures

Moderator: Cory Collinge, MD

10:40 AM Lateral Plateau Fractures

Paul Tornetta III, MD

10:50 AM Medial & Combined Fractures

J. Tracy Watson, MD

11:00 AM Starting Points for Tibial Nails

Cory Collinge, MD

11:10 AM Reduction Tricks: Plates, Distractors & Fibula

Paul Tornetta III, MD

11:20 AM Simple Pilon Variants + Shaft Fractures: Treatment Options

H. Claude Sagi, MD

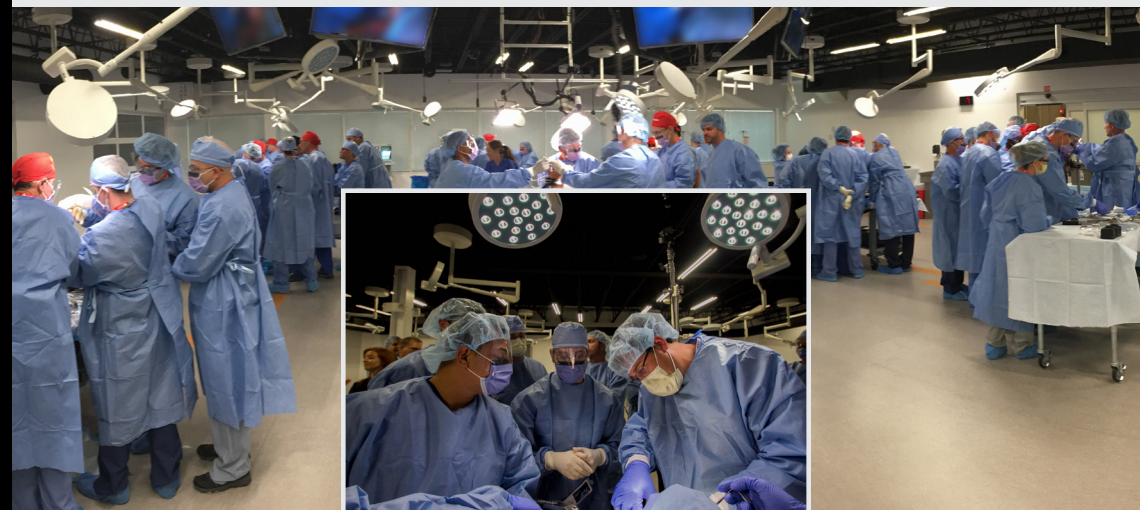

11:30 AM Compartment Syndromes: Current Solutions

Joseph Borrelli, MD

11:40 AM Working Lunch & Round Table Discussions

12:30 PM Hands-On Bioskills Lab Session: Lower Extremity

5:00 PM Adjourn for the Day

AGENDA (SUBJECT TO CHANGE)

Saturday, November 17, 2018

7:00 AM Registration & Breakfast with Exhibitors

8:00 AM Opening Remarks **Roy Sanders, MD**

Session IV: Shoulder Debates - Hot Topics Moderator: Michael McKee, MD

8:05 AM Clavicle Fractures: They Need Surgery **Michael McKee, MD**

8:15 AM Clavicle Fractures: They Do NOT Need Surgery **Melvin P. Rosenwasser, MD**

8:25 AM Humeral Shaft Fractures: Why Plate? Nail Them **Roy Sanders, MD**

8:35 AM Humeral Shaft Fractures: Never Use a Nail, EVER! **Tracy Watson, MD**

8:45 AM What To Do With 2/3 Part Proximal Humeral Fractures **Mark A. Mighell, MD**

8:55 AM Four-Part Fractures: Fix Them All **Michael McKee, MD**

9:05 AM Four-Part Fractures: Reverse Them All **Mark A. Mighell, MD**

9:15 AM Group Discussion with Audience Q&A **Faculty/Audience**

9:40 AM Coffee Break with Exhibitors

Session V: Fractures of the Elbow & Wrist Moderator: Mark A. Mighell, MD

10:00 AM Radial Head Fractures: Repair—Replace **Melvin P. Rosenwasser, MD**

10:15 AM Elbow Fracture Dislocations **Roy Sanders, MD**

10:30 AM Terrible Triad: What Is It & How Do I Fix It? **Mark A. Mighell, MD**

10:45 AM Distal Radius Fractures: Fix Them Correctly **Melvin P. Rosenwasser, MD**

11:00 AM Distal Radius Fractures in the Elderly: Benign Neglect? **Michael McKee, MD**

11:15 AM Group Discussion with Audience Q&A **Faculty/Audience**

11:45 AM Lunch Break with Exhibitors

1:00 PM Hands-On Bioskills Lab Session: Upper Extremity

5:30 PM Adjourn for the Day

Sunday, November 18, 2018

7:00 AM Registration & Breakfast with Exhibitors

Session VI: Proximal Femur/Hip Moderator: H. Claude Sagi, MD

8:00 AM Hip Dislocations & Pelvic Injuries: EUA & Need to Treat **H. Claude Sagi, MD**

8:15 AM Pearls of Conversion: Elderly Acetabular Fractures to THR **David T. Watson, MD**

8:30 AM Algorithm for Femoral Neck Fracture Treatment **Frank Liporace, MD**

8:45 AM Open Plate Reduction for Pauwels Fractures **Cory Collinge, MD**

9:00 AM Proximal Periprosthetic Fracture Management **Frank Liporace, MD**

9:15 AM Group Discussion with Audience Q&A **Faculty/Audience**

9:30 AM Intertroch Fracture Plates: Old School Still Works **Joseph Borrelli, MD**

9:45 AM Intertroch Fracture Nails: Why They Are So Much Better **Tracy Watson, MD**

10:00 AM Shaft Fractures: Retrograde **Anjan R. Shah, MD**

10:15 AM Shaft Fractures: Piriformis or Trochanteric? **William Ricci, MD**

10:30 AM Shaft + Femoral Neck Fractures: What to Look For & What to Do **Cory Collinge, MD**

10:45 AM Bisphosphonate Fractures: Is There Any Solution? **William Ricci, MD**

11:00 AM Group Discussion with Audience Q&A **Faculty/Audience**

11:30 AM Closing Remarks & Meeting Adjourn

Roy Sanders, MD
