

2016 Spine IEP

Fellows and Young Surgeons' Course

November 18-20, 2016

San Diego, CA | The Westin San Diego

Course Overview

This course has been developed specifically to educate Spine and Neuro Fellows and Young Surgeons on current topics pertaining to the practice of spine/neuro surgery, as well as to assist them with the transition from fellow to practicing surgeon. The format for this course is highly interactive - all sessions will conclude with question/answer sessions and panel discussions. Fellows and Young Surgeons will also participate in didactic sessions with medical device course sponsors.
