

The Omni Grove Park Inn Resort Recipient of TripAdvisor's 2016 Certificate of Excellence; named by Condé Nast Traveler's 2015 Best Resorts in the South; Spas of America named The Omni Grove Park Inn as one of the Top 100 Spas in America in 2015.

With a history of serving guests for over a century, The Omni Grove Park Inn welcomes you with a tradition of Southern hospitality, rich heritage, and all the conveniences a modern traveler requires. Relax in the award-winning 43,000 square foot subterranean spa or play a round on the Donald Ross designed golf course. Stay ahead of the game with three indoor and three outdoor tennis courts, and a sports complex featuring an indoor pool, racquetball, yoga, aerobics and health and wellness programs. Stock up on souvenirs at two retail promenades or explore the history of The Omni Grove Park Inn with a guided tour of the resort grounds.

Children ages 5 to 12 can enjoy supervised activities that include arts and crafts, swimming, games and sports as part of the kids club. When it's time to dine, you will find some of the finest, locally sourced restaurants right at the resort that will certainly delight the foodie in your family. From restaurants to bars to terraces with breathtaking mountain views, there are so many ways to please your palate at this resort.

The Omni Grove Park Inn Resort is located near the crossroads of Interstates 40 and 26 and just 1.5 miles from downtown Asheville, 17 miles from Asheville Regional Airport (AVL), and approximately 81 miles from the Greenville-Spartanburg International Airport (GSP).

CANCELLATIONS: Cancellations of room reservations accepted until 6 days prior to arrival. Rate and availability not guaranteed until deposit received. **Travel Insurance is recommended.**

COURSE DIRECTOR: Mark T. Murphy, MD, MSN Education, Austin, Texas, and Medical Director, Northwest Anesthesia Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, certified registered nurse anesthetists, physician assistants, nurse practitioners, registered nurses and other medical care providers who must maintain state-of-the-art knowledge of the specialty or are impacted by it.

PROGRAM PURPOSE: The practitioner of anesthesiology must possess the scientific background for clinical practice; maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures necessary for the provision of quality patient care; manage self and colleagues to function toward common goals in the clinical setting, the clinical and educational institutions, and the community in which the practice resides; serve as an expert in matters involving health care delivery; serve as an informed manager of clinical and educational services provided, including the acquisition and distribution of resources necessary in meeting professional goals; and provide assistance with and support of other service providers, departments, institutions, and organizations dependent upon the professional expertise of the practitioner. Presentations are designed to facilitate the physician, nurse specialist, and other providers maintaining skills of the same kind to review and update knowledge and abilities in one or more of these areas vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences—to include but not be limited to advanced anatomy and physiology, pathophysiology, chemistry, physics, psychology, and social sciences—as they impact and are affected by the planning, delivery, and monitoring of anesthesia and related services inherent in the anesthesia professions.

Explain the selection, dosing considerations with methods of administration, safe use, and contraindications and precautions of presented pharmacological agents through the understanding of their physicochemical properties, pharmacokinetics and pharmacodynamics, updated uses, and more recently developed additional, related, and similar drugs.

Outline comprehensive management plans for the group of patients discussed, whether related in age, physical status, cultural background, invasive procedure, anesthetic or analgesic requirements, clinical setting, adverse reactions, and/or goals of care.

Apply the principles of safety and asepsis in the performance of anesthetic procedures and administrations, equipment use, and other applications encountered during the provision of anesthesia and analgesia whether in the surgical unit, the labor and delivery suite, the pain management clinic, or other more remote location of anesthetizing services.

Incorporate the appropriate recommendations and/or requirements of pertinent external organizations, institutions, and professional groups—recognized as serving as the authority for and/or holding the responsibility to compile and approve such tenets—in the provision of anesthesia and related services, whether medical, legal, philosophical, ethical, or health care management standards.

Apply the new techniques in the clinical setting of the participant.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Anesthesia Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 24 *AMA PRA Category I Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program has been prior approved by the AANA for 24 CEC; AANA Code #1035485; Expiration date 8/16/18.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category I Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 24 hours of Category I credit for completing this program.

Registered Nurses: NWAS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), Georgia Board of Nursing (Provider Number 50-7480), and the South Carolina Board of Nursing (Provider Number 50-7480). This program offers 24 contact hours.

†Pharmacology hours subject to change.

Asheville This thriving mountain city features a funky and eclectic downtown with over 30 art galleries, a burgeoning culinary and wine scene, thriving live music scene and, of course, the awe-inspiring scenery of the Appalachian Mountains.

Artists and street musicians converge with tourists and locals for a vibrancy rarely found in a city of this size. There is always something happening downtown. Sip a cup of Joe at one of several locally-owned coffee shops, listen to live music at a local club, go on an art walk, or simply enjoy fine cuisine and people-watching. For families, visit a health-and-science themed children's museum or a boutique toy store.

Step back in time and experience the Gilded Age elegance at America's largest home, George Vanderbilt's 250-room Biltmore House. Relive the Victorian era at the circa 1840 Smith-McDowell House-Museum, Asheville's oldest home. Explore the Thomas Wolfe Memorial, the acclaimed author's boyhood home.

The Asheville area's reputation as a destination for spa treatments and wellness dates back centuries. Indulge in an aromatherapy massage while gazing at the majestic Blue Ridge Mountains. With invigorating hikes, mountain biking, swimming holes and more, Asheville is brimming with outdoor adventures. Golfers rave about the Asheville area's scenic mountains, temperate year-round weather, and lush fairways.

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate. To make reservations, please visit our website: www.nwas.com or call (800) 222-6927.

Call Universal Travel for your airfare needs. Be sure to mention Northwest Anesthesia Seminars when booking. Booking fee applies. Contact Kellee Kilmer: Phone: (858) 456-7887 or E-mail: kellee@universaltravel1.com

Course Registration

18ANC

TUITION: In USD	MD/DO	CRNA/PA	RN/Others
Early <i>(Paid by 5/15/18)</i>	\$1000	\$950	\$850
Regular <i>(Paid after 5/15/18)</i>	\$1050	\$1000	\$875
Daily	\$268	\$255	\$225

PAYMENT METHODS:

Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NWAS.

SCHEDULE AND FACULTY CHANGES:

Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER:

We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWAS and NWWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. **We highly recommend purchase of travel insurance. Travel at your own risk.**

COURSE CANCELLATION FEE:

\$100 June 14, 2018 to July 14, 2018. No refund after July 14, 2018; however, 50% of tuition paid may be applied toward tuition for another NWAS program within the next 12 months. **Cancellation must be made in writing.**

FAP (FREQUENT ATTENDEE POINTS):

FAP lets you accumulate points based on dollars spent with NWAS including net hotel and tuition booked through NWAS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWAS.

ERRONEOUS PRICING NOTICE:

Northwest Anesthesia Seminars, Northwest Seminars, and Northwest World Wide Travel reserves the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.
