

2016 AUSTRALASIAN SEXUAL HEALTH CONFERENCE

2016 AUSTRALASIAN HIV/AIDS CONFERENCE

14-16 NOVEMBER 2016 | ADELAIDE, AUSTRALIA | www.shconference.com.au

16-18 NOVEMBER 2016 | ADELAIDE, AUSTRALIA | www.hivaidsconference.com.au

14/11/2016

7:00 am	Registration	
8:30 am - 10:50 am	Opening Plenary	
8:30 am - 8:35 am	Welcome to Country	
8:35 am - 8:45 am	Conference Opening Address	
8:45 am - 8:50 am	Opening of Conference by Convenors	
8:50 am - 9:20 am	ASHA Oration	
9:20 am - 10:05 am	Keynote Presentation Amber D'Souza, Associate Professor, Johns Hopkins Bloomberg School of Public Health	
10:05 am - 10:50 am	Keynote Presentation Marion Saville, Associate Professor, VCS Pathology	
10:50 am - 11:30 am	Morning Tea	
11:30 am - 1:00 pm	Proffered Paper Session: Clinical Sexual Health/Epidemiology	Proffered Paper Session: Psycho - Social
11:45 am - 12:00 pm	Direct and Specific Detection of Neisseria Gonorrhoeae Ciprofloxacin Susceptibility—Towards Individualised Treatment. Elina Trembizki, The University of Queensland Centre for Clinical Research	The Lived Experience of Sexual Life with HIV: Thematic Synthesis of Qualitative Research Ben Huntingdon, The University of Sydney
12:00 pm - 12:15 pm	Efficacy of Pristinamycin for Treatment Resistant Mycoplasma	

Genitalium.

Catriona Bradshaw, Monash University

12:30 pm - 12:45 pm

Prospective Evaluation of the Resistanceplus™ MG Kit, for the Simultaneous Detection of Mycoplasma Genitalium (MG) and Azithromycin Resistance Mutations

Lit Yeen Tan, SpeedX PTY LTD

1:00 pm - 2:00 pm

Lunch

1:00 pm - 2:00 pm

Meet the Experts

2:00 pm - 3:30 pm

Proffered Paper Session 3: Reproductive Health**Contraception and the Australian Male: A Survey of 2,438 Heterosexual Men Using an Online Dating Site.**

Mary Stewart, Family Planning NSW

Access, Equity and Costs of Induced Abortion Services in Australia

Angela Taft, Judith Lumley centre, La Trobe University

Meta-Analysis and Prospective Case Series on the Effectiveness of the Progestin-Only Contraceptives in Management of Hormonally-Sensitive Migraine

Deborah Bateson, Medical Director, Family Planning NSW

Intrauterine Devices and Pelvic Inflammatory Disease: Dispelling the Myth

Amy Moten, SHine SA

Proffered Paper Session: Epidemiology**2:00 pm - 2:30 pm Anal HPV Incidence and the Role of HPV Vaccination in Anal Cancer Prevention in Older Gay and Bisexual Men (GBM)**

Mary Poynten, Kirby Institute, UNSW Australia

2:00 pm - 2:30 pm Predictors of 12-Month Persistent High-Grade Squamous Intraepithelial Lesions (HSIL) In a Cohort of Gay and Bisexual Men (GBM)

andrew grulich, Kirby Institute, UNSW Australia

2:00 pm - 2:30 pm Can Biomarkers Predict Anal High-Grade Squamous Intraepithelial Lesions (HSIL) That Are Likely to Persist in Gay and Bisexual Men (GBM)?

Fengyi Jin, The Kirby Institute, UNSW

Prevalence of Chlamydia, Gonorrhoea, Syphilis and Trichomonas among Aboriginal and Torres Strait Islander Australians: A Meta-Analysis

Lucy Watchirs Smith, Kirby Institute, UNSW Australia

Rapid Fire Session: Psycho-Social**2:12 pm - 2:18 Transguidance SA – A Model for Providing Volunteer Peer Support Services for Transgender and Gender Diverse People and Their Supporters**

Stephanie Russell, SHine SA

3:30 pm - 4:00 pm

Afternoon Tea

4:00 pm - 5:30 pm

Education and Sexual Health: Re-thinking Practice

4.00pm - 4.15pm Health and Education: working together for sexual health
Sarah Thistle

4.15pm - 4.30pm Promoting Sexual Health among Indigenous Youth
Todd Fernando

4.30pm - 4.45pm Responding to the sexual health needs of LGBTIQ young people in Australia: findings from recent research
Tiffany Jones

4.45pm - 5.00pm Best practice delivery of relationships and sexual health education in schools
Helen Rawnsley, SHine SA

5.00pm - 5.30pm Panel Discussion
Sarah Thistle
Todd Fernando
Tiffany Jones
Helen Rawnsley, SHine SA

More ≠ Less: Rethinking Contraception & Abortion

4.00pm - 4.15pm Women will always need abortions: increasing access through rethinking services
Paddy Moore

4.35pm - 4.50pm Why aren't Australian young women keen on IUDs? rethinking our approach to LARC (lessons from the CHOICE study)
Jayne Lucke, Australian Research Centre in Sex, Health and Society

4.50pm - 5.00pm What are the key issues in contraception and abortion for Aboriginal women: not what we think?
Christine Corby

5.00pm - 5.10pm It needs a rethink! How do we increase LARC uptake in primary care?
Danielle Mazza

5.10pm - 5.30pm Panel Discussion

Paddy Moore
Jayne Lucke, Australian Research Centre in Sex, Health and Society
Christine Corby
Danielle Mazza

Welcome Reception

Jan Edwards Trainee Session

Testing for Rectal Chlamydia in Women: Is It Worth It?

Danae Kent, SA Specialist Sexual Health (Clinic 275), Royal Adelaide Hospital

Gonorrhoea Infections of the Rectum, Pharynx and Urethra in Same-Sex Male Partnerships Attending a Sexual Health Service in Melbourne, Australia.

Vincent Cornelisse, Melbourne Sexual Health Centre, Monash University

4.30pm - 5.30pm Rapid Fire Session: Clinical Sexual Health & Epidemiology

4:36 pm - 4:42 pm The Changing Pattern of Sexually Transmissible Infection and HIV Diagnoses in New South Wales Publicly-Funded Sexual Health Clinics, 2010-2014
chris bourne, NSW STI Programs Unit, NSW Health

4.42pm - 4.48pm Likely Impact of Renewal of the Cervical Screening Program in Australia on the Prevalence of Trichomonas Vaginalis: A Modelling Study

David Regan, Kirby Institute, UNSW Australia

5:30 pm - 7:00 pm

15/11/2016

6:30 am	Registration		
7:00 am - 8:30 am	FAMSACA Breakfast		
9:00 am - 10:30 am	Plenary 2		
9:00 am - 9:45 am	Gollow Lecture Rebecca Guy, Associate Professor, The Kirby Institute, UNSW		
9:45 am - 10:30 am	Keynote Presentation Mark Hayter, Professor, University of Hull		
10:30 am - 11:00 am	Morning Tea		
11:00 am - 12:30 pm	Gender Based Violence: Everybody's Problem		Rethinking Testing and Management of Sexually Transmissible Infections
	11.00am - 11.20am Community led responses to Aboriginal Family Violence Craig Rigney		11.00am - 11.15am Pharyngeal gonorrhoea - the holy grail? Kit Fairley, Melbourne Sexual Health Centre, Alfred Health
	11.20am - 11.35am STI considerations following sexual assault: Prophylaxis, early or late treatment Vanita Parekh, The Canberra Hospital		11.15am - 11.30am Challenges in Mycoplasma genitalium and rectal Chlamydia trachomatis treatment Catriona Bradshaw, Monash University
	11.35am - 11.50am Technology: Friend or Foe Fiona Mort		11.30am - 11.45am Patient-delivered partner therapy for STIs: the current state of play in Australia Jane Tomnay, Centre for Excellence in Rural Sexual Health
	11.50am - 12.10pm Gendered violence and HIV within the multicultural context Namam Salih		11.45am - 12.00pm Sexual transmission of Hepatitis C: who should we be testing and how often? Daniel Richardson, Brighton & Sussex University Hospital / Brighton & Sussex Medical School
12:30 pm - 1:30 pm	12.10pm - 12.30pm Panel Discussion Craig Rigney Vanita Parekh, The Canberra Hospital Fiona Mort Namam Salih		12.00pm - 12.10pm The use of information technology to improve sexual health care Kit Fairley, Melbourne Sexual Health Centre, Alfred Health
			12.10pm - 12.30pm Panel Discussion Daniel Richardson, Brighton & Sussex University Hospital / Brighton & Sussex Medical School Kit Fairley, Melbourne Sexual Health Centre, Alfred Health Catriona Bradshaw, Monash University Jane Tomnay, Centre for Excellence in Rural Sexual Health
12:30 pm - 1:30 pm	Lunch		
1:30 pm - 3:00 pm	Proffered Paper Session: Clinical Sexual Health/Epidemiology	Proffered Paper Session: Sexuality	Rapid Fire Session: Health Promotion & Education
			1:30 pm -1:36 pm Decentralising Abortion

Services. A case study of collaboration in rural Victoria

Kylie Stephens, Centre for Excellence in Rural Sexual Health

1.42pm - 1.48pm Online Rural Sexual Health Education for Health Practitioners: What's important and what's not?

Siobhan Bourke, Centre for Excellence in Rural Sexual Health

1:48 pm- 1:54pm No Question Too Awkward: Nurse Nettie, the Online Sexual Health Nurse

Gemma Hearnshaw, NSW STI Programs Unit, NSW Health

Chlamydia Positivity as a Predictor of Pelvic Inflammatory Disease in Aboriginal and Non-Aboriginal Women: A Population Data Linkage Study

Joanne Reekie, The Kirby Institute

Increase in Syphilis Testing and Detection of Early Syphilis among Men Who Have Sex with Men across Australia, 2007-2014

Eric Chow, Melbourne Sexual Health Centre

The Relationship between Treatment Sensitivity and the Persistence of Gonorrhoea Strains: A Modelling Study

Ben Hui, The Kirby Institute

The Impact of Pornography on Young People's Sexual Lives and Otherwise

Angela Davis, Burnet Institution

3:00 pm - 3:30 pm

Afternoon Tea

3:30 pm - 5:00 pm

Indigenous Symposium

GP Symposium

Rapid Fire Session: Sexuality & Reproductive Health

3.30pm - 3.45pm Rising Australian epidemics: Gonorrhoea and Syphilis-what is the role of the General Practitioner?

Jason Ong

3.45pm - 4.00pm Emergency contraception in the Australian setting: introducing a new oral alternative

Deborah Bateson, Medical Director, Family Planning NSW

4.00pm - 4.10pm Sexual Health Services- Western Sydney Youth's preferred site of care for sexual health

3:36 pm -3:42pm Access to Medical Abortion in NSW: Insights from Women

Angela Dawson, University of Technology, Sydney

3:42 pm - 3:48 pm The Impact of Abortion Attitudes and Stigma on Access in Developed Countries: Findings of a Systematic Review

Kari Vallury, Flinders University

4:06 pm - 4:12 pm Porn. What Are Young People Actually Watching?

Angela Davis, Burnet Institution

Michael Bourke

4.10pm - 4.25pm Mycoplasma Genitalium-Is this the “new Chlamydia?”

Catriona Bradshaw, Monash University

4.25pm - 4.35pm A Crash course in HIV pre-exposure prophylaxis (PrEP) for GPs

Vincent Cornelisse, Melbourne Sexual Health Centre, Monash University

4.35pm - 4.50pm 10 key practical implications of the Renewed National Cervical Screening Programme for GPs and practice teams.

Siobhan Bourke, Centre for Excellence in Rural Sexual Health

4.50pm - 5.00pm Panel Discussion

Jason Ong

Deborah Bateson, Medical Director, Family

Planning NSW

Michael Bourke

Catriona Bradshaw, Monash University

Vincent Cornelisse, Melbourne Sexual Health Centre, Monash University

Siobhan Bourke, Centre for Excellence in Rural Sexual Health

16/11/2016

6:30 am

Registration

7:00 am - 8:30 am

ASHHNA Breakfast

**BMS Platinum Sponsored Satellite: HCV eradication by 2025. Australia will lead the world
Satellite proudly sponsored by:**

Bristol-Myers Squibb

8:45 am - 10:30 am

Sexuality Symposium

Opening Plenary

10:30 am - 11:30 am

Morning Tea

10:30 am- 11:30 am

Kirby & CSRH Surveillance Reports Info Session

11:30 am - 1:00 pm

Proffered Paper Session: Education and Health Promotion

Joint Symposium Session: Prevention of anal cancer in gay and bisexual men: the current

HIV & AIDS Symposium Session

		state-of-play and future directions	
	Sexual Behaviours and Tinder Usage among Young Australians Caitlin Douglass, Burnet Institute	11.30am - 11.45am The epidemiology of anal HPV and anal cancer Amber D'Souza, Associate Professor, Johns Hopkins Bloomberg School of Public Health	
	Music Settings for the Sexual Health Promotion of Young People – Online and Offline. Gemma Hearnshaw, NSW STI Programs Unit, NSW Health	11.45am - 12.00pm What should we be doing for our patients now? Jason Ong	
	Sexual Health Promotion and STI Prevention on the Margins: Kink, BDSM, and Sexually Adventurous Women Viv McGregor, ACON	12.00pm - 12.15pm An update from the Study for the Prevention of Anal Cancer (SPANC) David Templeton	
	Relationships and Sexual Health Curriculum in Action Cheryl Peat, SHine SA	12.15pm - 12.25pm Educating the community about HPV and anal cancer Ben Wilcox	
		12.25pm - 12.35pm A community perspective on anal cancer and anal HPV Lance Feeney	
		12.35pm - 1.00pm Panel Discussion Amber D'Souza, Associate Professor, Johns Hopkins Bloomberg School of Public Health Jason Ong David Templeton Ben Wilcox Lance Feeney	
1:00 pm - 2:30 pm	Lunch		
1:30 pm - 2:15 pm	ASHM AGM		
2:30 pm - 4:00 pm	The Other Side of the Reproductive Coin: Fertility, Conception and Outcomes 2.30pm - 2.40pm Clinical perspectives and research related to advanced parental age and other factors impacting on fertility, conception and reproductive outcomes. What does that mean for women, men and the next generation? Louise Hull 2.40pm - 2.50pm When forming a family is desired. Fertility decision-making and family	Joint Symposium Session: PrEP	HIV & AIDS Symposium Session

circumstances. Research into why women opt to freeze their eggs and impact of a lack of partner during the fertile years

Jane Fisher

2.50pm - 3.00pm Presentation of findings from a pilot research based in Walgett related to family building aspirations, barriers and enablers

Christine Corby

3.00pm - 3.10pm Barriers and enablers, men and reproductive role in childbearing decision, implications for public education.

Rob McLachlan

3.10pm - 3.20pm Sleepwalking into infertility: the need for a public health approach toward advanced maternal age. Better sex education for young people is a public health solution to the problem of maternal age

Jayne Lucke, Australian Research Centre in Sex, Health and Society

3.20pm - 3.30pm Panel Discussion

Louise Hull

4:00 pm - 4:30 pm

Afternoon Tea

4:30 pm - 5:30 pm

Sexual Health Closing Ceremony

Basic Science Symposium

7:00 pm - 11:00 pm

Conference Dinner

17/11/2016

6:30 am

Registration

9:00 am - 10:30 am

Plenary 2

10:30 am - 11:00 am

Morning Tea

11:00 am - 12:30 pm	Concurrent 1: Theme A - Late Breaker Session	Concurrent 2: Theme B - Increasing a Demand for HIV Testing	Concurrent 3: Theme C - Treatment as Prevention	Concurrent 4: Theme D - Responding to a Changing HIV Epidemic	Concurrent 5: Aboriginal & Torres Strait Islander Health Symposia
11:00 am - 11:15 am			Earlier Initiation of Antiretroviral Therapy in a National Cohort of People Newly Diagnosed With HIV Attending Australian Sexual Health Clinics Hamish McManus, The Kirby Institute	Demonstrating the Value of Community-Control in Australia's Response to HIV Darryl O'Donnell, Australian Federation of AIDS Organisations	
11:15 am - 11:30 am			Trends in Viral Suppression among People Living with HIV in Victoria, 2009-2014. Jason Asselin, Burnet Institute	Local Qualitative Research on the Sexual Behaviour of Gay & Bisexual Men Needed to Help End HIV Johann Kolstee, ACON	
11:30 am - 11:45 am		a[TEST] Oxford Street: A Successful Model of Community Rapid HIV Testing in Sydney vickie knight, Sydney Sexual Health Centre	Perception of Treatment as Prevention among HIV-Positive Gay Men with Sustained Viral Suppression Limin Mao, Centre for Social Research in Health, UNSW	Strategies to Improve Treatment Uptake for People with HIV in NSW Heather-Marie Schmidt, NSW Ministry of Health	
11:45 am - 12:00 pm		Will a Guiding Poster be a Sustainable Intervention in Improving Provider Initiated HIV Testing (PIHT) At Healthcare Settings? Prageeth Suranga Premadasa, National STD/AIDS Control Programme, Ministry of Health , Sri Lanka.	Enhancing HIV Surveillance to Track Performance against the Targets of the New South Wales HIV Strategies 2012-2015 and 2016-2020 Christine Selvey, Health Protection NSW	Home Insemination and HIV Prevention among Same-Sex Attracted Communities in Victoria Jen Johnson, Australian Research Centre in Sex, Health and Society, La Trobe University	
12:00 pm - 12:15 pm	Poster Viewing	Doctors' Current	Poster Viewing	"I Had To Be	

	Highlight Theme A	Practice and Perceived Barriers to HIV Testing in the Emergency Department in Australia Lydia Jones, Angliss Hospital	Highlight Theme C	Someone New, To Start Afresh”: Residential Mobility of People Living with HIV to Regional Queensland. Lisa Fitzgerald, School of Public Health, University of Queensland	
12:15 pm - 12:30 pm		Predictors of HIV Status Disclosure among Sample of Recently HIV-Diagnosed Gay Men in Australia Ian Down, Kirby Institute		Negotiating Trust, Struggling for Control: Everyday Narratives of Unwanted Disclosure of HIV Status among People Living With HIV in Australia Stephen Bell, Kirby Institute, UNSW Australia	
12:30 pm - 2:00 pm	Lunch				
2:00 pm - 3:30 pm	Concurrent 6: Theme A - HIV Persistence and Latency	Concurrent 7: Theme B - Cascade of HIV Care	Concurrent 8: Theme C - Epidemiology and Surveillance of Diversifying Epidemics	Concurrent 9: Symposium	Concurrent 10: Sponsored Satellite - Measuring the success of the NSW HIV Strategy - on the road to virtually eliminating HIV transmission by 2020?
2:00 pm - 2:15 pm	Memory CD4+ T Cells Expressing HLA-DR Contribute to HIV Persistence during Prolonged ART Eunok Lee, The Westmead Institute for Medical Research, University of Sydney	Comparing HIV Viral Load and CD4 Counts for People Retained in Care to People with Unknown Outcomes James McMahon, Alfred Health and Monash University	Recent Trends in New Diagnoses of HIV in NSW Residents, 2011-2015, Who Report Heterosexual Acquisition of HIV. Adelaide Nyinawingeri, Health Protection New South Wales		
2:15 pm - 2:30 pm	IFNα Activates Latent HIV-1 in Non-Proliferating Latently Infected T-Cells Renee van der Sluis,	Women, Those Who Inject Drugs, and Younger People More Likely to Have 'Detectable' HIV Viral	HIV in People Born Overseas, Australia, 2005-2014; a Changing Epidemiology Praveena Gunaratnam,		

2:30 pm - 2:45 pm	Doherty Institute for Infection and Immunity, University of Melbourne Sustained Increase in Cell Associated HIV RNA Following Short Course Vorinostat in HIV-Infected Individuals on Antiretroviral Therapy Talia Mota, Peter Doherty Institute of Infection and Immunity	Loads Denton Callander, The Kirby Institute The Effect of Combination Antiretroviral Therapy (cART) on Life Expectancy in Thailand using the National Health Security Office Database (NHSO) Sirinya Teeraananchai, Kirby Institute	The Kirby Institute for Infection and Immunity, UNSW Australia Prevention of Mother-To-Child Transmission of HIV in Australia: An Analysis of 30 Years of National Surveillance Data Skye McGregor, The Kirby Institute, UNSW Australia
2:45 pm - 3:00 pm	Dynamics of Reactivation from Latency in Sivmac239m Infected Macaques Mykola Pinkevych, University of New South Wales	Trends of CD4 Response among Asian HIV-Positive Patients Initiating Antiretroviral Therapy in 2003-13: TAHOD-LITE Nicole De La Mata, The Kirby Institute	Amphetamine-Type-Stimulant Use and HIV Infection: Findings from a Bio-Behavioral Survey of Men Who Have Sex with Men in Hanoi, Vietnam Nga Vu, Centre for Social Research in Health, UNSW Australia
3:00 pm - 3:15 pm	HIV Gene Regulation by RNA Interference: Live Intracellular Tracking of RNA-Induced Transcriptional Silencing (RITS) Complex Vera Klemm, Kirby Institute, UNSW, Sydney	HIV viral load suppression in adults and children receiving antiretroviral therapy – results from the leDEA collaboration Awachana Jiamsakul, The Kirby Institute	Extending HIV Testing & Treatment to Young Key Populations: A Health-Systems Strengthening Approach in Indonesia. Alisa Pedrana, Burnet Institute
3:15 pm - 2:30 pm	Monocyte Can Potentially Reverse Latency in Pre-Activation But Not Post- Activation Latently Infected Cells. Simin Dokht REZAEI,	Fall in Time from HIV Diagnosis to Commencement of Antiretroviral Therapy 2011-2015 Nicholas Medland, Melbourne Sexual Health Centre, Central	Q&A

Peter Doherty Institute for Infection and Immunity Clinical School, Monash University

3:30 pm - 4:00 pm	Afternoon Tea				
4:00 pm - 5:30 pm	Concurrent 11: Theme A Sponsored Symposium	Concurrent 12: Theme B - HIV Comorbidities: Are we measuring and responding appropriately?	Concurrent 13: Theme C - New approach to HIV testing	Concurrent 14: Theme D	Concurrent 15: Sponsored Satellite
4:00 pm - 4:15 pm		Comparison of Different Tools Measuring Frailty in Australian Men Living With HIV Hui Ling Yeoh, Monash University	Delayed HIV Testing Among Men Who Have Sex with Men in Australia Has Improved But Remains an Issue Huachun Zou, University of New South Wales		
4:15 pm - 4:30 pm		Concomitant Medication Use in ART-Experienced Adults: Data from the PAART Study Krista J Siefried, St Vincent's Centre for Applied Medical Research	Time after Time: Characteristics Associated With High Frequency Testing at a Peer-Led HIV Testing Service in Australia Kathleen Ryan, Burnet Institute		
4:30 pm - 4:45 pm		Screening and Management Practices for Renal Disease in the HIV-Positive Patient Population of An Inner Metropolitan Sexual Health Service Tahiya Amin, UNSW	More than Just Friends? Exploring High Acceptability of Peer HIV Testing Among Men Who Have Sex with Men in Myanmar Vanessa Veronese, Burnet Institute		
4:45 pm - 5:00 pm		The Effect of Mental Health Referral on Symptoms of Depression among HIV Outpatients in Vietnam: A Three-	HIV Self-Testing Doubles the Frequency of HIV Testing Among Higher-Risk Gay and Bisexual Men: A Randomised		

	Month Follow up Study Thanh Truc Thai, The University of Sydney	Controlled Trial (FORTH) Muhammad Jamil, The Kirby Institute, UNSW Australia	
5:00 pm - 5:15 pm	Associations between Periodontal Disease and Coronary Artery Disease in HIV-Positive Individuals Victoria Berquist, Monash University	The Use of HIV Self-Testing Kits to Test Partners Was Common Among Gay and Bisexual Men in an Australian Trial Benjamin Bavinton, Kirby Institute, UNSW Australia	
5:15 pm - 5:30 pm	Substantial Loss of Bone Mineral Density in Some Patients Receiving Tenofovir-Emtricitabine as HIV Pre-Exposure Prophylaxis Andrew Carr, Professor of Medicine, University of New South Wales	Q&A	
5:30 pm - 6:30 pm	Networking Reception		
18/11/2016			
6:30 am	Registration		
7:00 am - 8:20 am	Case Presentations Breakfast (Theme B)		
8:30 am - 10:00 am	Plenary 3		
10:00 am - 10:30 am	Morning Tea		
10:30 am - 12:00 pm	Concurrent 16: Theme A	Concurrent 17: Theme B - Engagement and Maintenance of HIV Care in Our Region	Concurrent 18: Theme C - HIV Pre-Exposure Prophylaxis
10:30 am - 10.45 am		Concurrent 19: Theme D - Sexual and Reproduction Health	
	Knowledge of HIV	Willingness to use HIV pre-exposure	Low HIV Incidence amongst Pregnant and

	Status, Enrollment in Care, and CD4 Count among HIV-Infected People Who Inject Drugs in Vietnam Duong Cong Thanh, National Institute of Hygiene and Epidemiology	prophylaxis or have sex with someone using it: results of repeated national, online surveys Martin Holt, Centre for Social Research in Health, UNSW Australia	Postpartum Women Receiving a Lay Health Worker HIV Prevention Intervention in South Africa Ashraf Grimwood, Kheth'Impilo AIDS free living
10:45 am - 11:00 am	Perceived Stigma Is Associated With Non-Adherence to Antiretroviral Treatment: A Case Study of a Community-Based SMS Reminders Campaign Limin Mao, Centre for Social Research in Health, UNSW	Acceptability of HIV Pre-Exposure Prophylaxis among Gay Men, Other Men Who Have Sex with Men and Transgender Women in Myanmar	High HIV Positivity among Other Vulnerable Populations Reached Through Decentralized HIV Testing and Counselling in Myanmar Sai San Moon Lu, Save the Children International
11:00 am - 11:15 am	To Wait Or Not To Wait? The Effect of ARV Resistance Present at Baseline on First Line HIV Treatments. Doris Chibo, Victorian Infectious Diseases Reference Laboratory, Doherty Institute.	Expanded PrEP Implementation in Communities in NSW, Australia (EPIC-NSW): Evidence-Based Implementation Study Iryna Zablotska, The Kirby Institute, UNSW AUstralia	Sexual Exchanges, Coercion and HIV Infections among Never Married Youth in Nigeria OLUWAGBEMIGA ADEYEMI, FEDERAL UNIVERSITY, OYE-EKITI
11:15 am - 11:30 am	Prevalence of Integrase Strand Transfer Inhibitor Genotypic Resistance in Clinical Specimens in NSW Following Introduction of Integrase Inhibitors, 2012-2015.	New Methods to Measure Use of PrEP and TasP by Sexual Partners Garrett Prestage, University of New South Wales	Barriers to Condom and Sexual Health Service Use by Adolescents in Fiji Michelle O'Connor, UNSW
11:30 am - 11:45 am	Poster Viewing Highlight Theme B	What PrEP Means for Safe Sex in Sydney: Evolving Norms Bridget Haire, Kirby Institute	Poster Viewing Highlight Theme D

11:45 am - 12:00 pm

Q&A

12:00 pm - 1:30 pm

Lunch

1:30 pm - 3:00 pm

Concurrent 20: Theme A - Host and Drug Control of HIV

Concurrent 21: Theme B - Update on HIV Treatment, PrEP and Hepatitis: Australian Guidelines

Concurrent 22: Theme C - HIV Epidemiology and Prevention for Gay and Other Men Who Have Sex With Men

Concurrent 23: Theme D - Rethinking HIV Stigma

1:30 pm - 1:45 pm

Vaccination-Induced ICOS+ Circulating TFH Cells Exhibit Characteristics of Lymph Node TFH Cells But Are Dysfunctional and Th2-Skewed In HIV-1 Infection
